### CLUB PRESIDENTS REPORT – SEASON 2018

#### Presidents Report

2018 was the 126<sup>th</sup> year of this great club, and again HHRUFC proved itself an important part of the fabric of community rugby in Australia.

Following the highs of 2017, the realities of running a community club were apparent early in the year, and I want to pay tribute to the amazing set of players, supporters and volunteers who make everything we enjoy possible. In addition – I want to highlight that our valued sponsors are integral to us putting players on the paddock, and to them I say thank you and express my gratitude for their generous support.

Results on the field in 2018 were mixed, but I personally saw how the depth of character of this club overcame many of the challenges presented, and how that character provided a strong platform for the future.

I am highly optimistic about the future of the proud and ancient club!

**HH Seniors** had a challenging year. Based on the preparation - the promotion to Kentwell was a step too far, and unfortunately the club was ill-equipped to compete in the initial stages of the competition. Kentwell Cup is a competition of extremely high standard – requiring depth and breadth. The step up from Barraclough is significant.

After some initial troubling results across the grades, the club rallied to have a very positive second half of the season, and the statistic that impresses me the most is that in 6 of our last 7 games in First Grade- we were leading at halftime. We were competitive, but our depth cost us in those tight situations.

Despite all of this – the clubs spirit was never broken, and it is important to recognize the sensational season had by the **COLTS** side. Shaded by a very strong Mosman side in the Grand Final, I want to call out the great work done by Greg Wyatt-Spratt, Mark Ashurst and Rod Dufficy in pulling together a terrific group of players – who we hope to take into grade and will help us build our future. I also want to recognize **Ben Rooney** – who was awarded the prestigious Subbies Colt of the Year! I also want to thank **Clint Allardice** and all of the other coaches and Managers that supported the club and players in 2019. Their dedication to task was unwavering!

As we look to 2019, I am excited to be part of the Senior Club and look forward to seeing a strong return to Barraclough.

Our **HHRUFC Women's Rugby** side – entered their second season in 2018 continued to go from strength to strength. They competed well in a number of tournaments and were good enough to beat some of the Shute Shield women's sides. The high point was winning the Div 2 Chatswood tournament – and to see the joy on the players faces after winning the final was amazing.

I encourage the club and 2019 Board to seriously consider making Women's Rugby as the official fourth arm of the club. While this will require a constitutional overhaul – the women players of our club have established themselves as a true force, and I believe they need an equal seat at the table in running the club!

**The Junior Club** had a very successful year – once again maintaining their registrations in a very competitive market and posting some excellent results on the field. The committee continues to work hard together to provide an excellent offering to all players and parents, and it was encouraging to see continued investment in coaching. This is critical in providing both a stimulating and fun environment for our players – and ensure that they choose rugby as their number one code.

As you will see in Adam's annual report, the club continues to produce many representative players at District, Zone, Sydney and National Level, and also delivers premierships in the Sydney wide competition.

I was immensely proud to see three of my former HH players make the 2018 Australian Schoolboys Tour of Ireland and Scotland, with **Angus Bell** (Captain), **Will Harris**, and **Vinnie Creagh** all achieving the pinnacle of schoolboy rugby.

There is no question that Boronia Park continues to be one of the best possible nurseries for Junior Rugby in Australia

**Girls Rugby** continues to flourish in the HH Juniors Club – and I want to congratulate Adam and his committee for sponsoring the access they provide for girls to play rugby. The club should be very proud of the Flamingoes and all they have achieved this year....

The **HHRUFC Cats** – continue to provide all forms of support to the club and are integral to the fabric of the club. The Life Members/Honour Caps day was a highlight – and the 'Cat Catering' was excellent. I encourage the Cats to continue their ongoing support – and look for opportunities to hand-on their decades/centuries of experience to the rest of the club!

I would like to recognize a few key clubman for their contributions in 2018:

- **Gary Lane** – standing down from the Seniors Chair after 5 years in charge – you bleed black and white Laney and the club will be forever in your debt;
- **Lauren Salmon** – the drive and commitment to the Women's Rugby program is amazing – and put simply – without Lauren we would not be where we are on this aspect of the club.
- **Allan Southcombe** – despite serious health challenges – Southy continues to be a key part of the club. He has the constitution of an Ox, and I am thankful for his support and the support he continues to provide all aspects of the club
- **Jake Henwood** – who won the Allan Southcombe Award for contribution to both the Seniors Club as a player (in his 18<sup>th</sup> season overall), but also as a premiership winning coach in the Juniors (HH U15's);
- **Paul Shields** – this bloke is amazing - his photographic memory is always ticking over regarding players and ways to support the club. I think he has even sorted out his Bluetooth issues, so his multiple daily phone calls are now threatening to become coherent;
- **Kevin O'Doherty** – a club stalwart across the Juniors and the Seniors for many years – Kevin is a quiet achiever. He relentlessly opens the BBQ on home games, and sometimes works for hours on end. These are the small but essential contributions that make the club tick – and Kev has been doing it without complain for many years.
- **Andrew Skelly & Glen Sanford** – who both stepped into Seniors committee roles from the Board to ensure the club could keep functioning effectively;
- **The Archive Committee (TAC)** continues to carefully document the rich history of our proud club, and without their efforts, many of the great achievements would be lost. It is critical that this work continues, and that they are provided the support they need to do their job.

## President's Award

As per the Constitution (18 Sept 2017), the CLUB PRESIDENT'S AWARD may be awarded by  
(1) The Club President, at their sole and absolute discretion, may make this award from time to time to any individual who has provided outstanding service to the Club.  
(2) The award will be formally recognized at an annual general meeting or special general meeting of the Club, and be recorded in the Club's Annual Report.

This year it's my great pleasure to award this to **Kevin O'Doherty**

A club stalwart across the Juniors and the Seniors for many years – Kevin is a quiet achiever. He relentlessly opens the BBQ on home games, and sometimes works for hours on end. These are the small but essential contributions that make the club tick – and Kev has been doing it without complain for many years.

## In Closing....

2018 sees me stepping down from the Board of Management after 5 years. Specifically, I have enjoyed my four years as Board President – and it's has been a privilege to work with my fellow board members and the sub-committee chairmen. In particular I want to pay tribute to **Glen Sanford**; his partnership and counsel has been constant – and I will always be proud of the things that we did together to set the club up for the future.

The Board has evolved a lot in the last 5 years, and I think it fair to say that our governance, finances and brand are in a dramatically different place than they were since I joined. These things are hard won and precious, and I am proud to have done my part in leading the club over this period.

2018 also sees me stepping down after 12 years on the Juniors Committee. I am looking forward to my new role as Chairman of the Senior Club, which presents a whole new set of challenges. We can never become complacent to the work required to keep the club moving forward, and I look forward to working with the new Board through 2019 and beyond.  
Thank you for the opportunity!

## Hunters Hill “Mostyn & Kellaway Shields” - Eligibility

The “Andrew Mostyn” Shield is awarded to the best performing, competitive team in the regular season of the junior AND senior clubs combined.

The “Ian Kellaway” Shield is awarded to the best performing, competitive team in the regular season in the junior club.

Teams eligible to participate in the Shields are teams registered with the Hunters Hill Rugby Union Football Club or Hunters Hill Junior Rugby Union Football Club involved in any full season, outdoor winter rugby competition administered by NSW Subbies or SJRU. (ie for juniors only includes from U10 and above)

Teams are eligible to only win one shield each season – ie the team that wins the “Andrew Mostyn” shield becomes ineligible for the “Ian Kellaway” and it shall be awarded to the next qualified team.

### Hunters Hill “Club Shields” - Criteria

- The Shield is awarded to the team which finishes the highest in its division during the regular season ie. before commencement of play-off rounds.
- In the event that two or more teams finish in the same highest position eg. first, the winner is the team that earns the maximum percentage of competition (win/draw) points which are available to them during the regular season. Note: this excludes any bonus point system.  
The maximum points available may vary depending on the number of teams in the competition draw therefore a review of the competition size is required to ensure that maximum points available from actual matches played ie. excluding byes, are the only ones included. (eg a team playing in a 6 team competition may play more games than a team in an 8 team competition providing the team with a greater opportunity to gain more total points). The calculation will be the number of wins (of games actually played) divided by the number of games played. Draws shall count as ½ of a win. This should be calculated as a percentage of the total points available calculated to 2 decimal places.
- In the case where two or more teams obtain the same percentage of maximum points available the winner will be determined by:
  - The team with the highest points ratio (points for divided by points against); and if still equal
  - The team with the highest points differential from games played (points for minus points against) and if still equal
  - If still equal then - Declare the relevant team’s joint winners of Shield.

HUNTERS HILL JUNIOR RUGBY UNION CLUB

# ANNUAL REPORT 2018

# CHAIRMAN'S REPORT

*ADAM LATHAM*

2018 has been a great year for Hunters Hill Rugby. Try Rugby has maintained its strong numbers with over 40 players aged 3-5 just starting with Hunters Hill Rugby, under the Stewardship of Greg Wyatt-Spratt.

We have implemented girls touch on a Friday night this season which see's 35+ girls playing in internal touch. Our number of teams in the mini's is 13 (14 if we count the Pink Flamingo's) in 2018. We still have some work to do to strengthen some age groups, but it's a work In progress.

Our junior rugby has 9 sides and is building strongly in the under 10's- 12's again and we are confident we will field an under 15 and 16 side next season. A special mention this year needs to go to the 12 Blacks and Whites, they didn't have a great season on the field, but they remained gallant throughout and held their heads high, guys come back next year and we will be regraded more fairly and we will give it another go.

Of our 9 Junior sides, 7 were eligible to be involved in shield or plate finals. All games are sudden death and come week 2 we saw 3 remaining in Shield Finals 10 Wolverines, 14 Blacks and 15 Blacks, it the first time for many years we have had 3 teams competing for shield Grand finals. Not only did they compete, they all won convincingly. So congratulations to the 10 Wolverines, 14 Blacks and 15 Blacks,

Our Monday night ladies touch has grown to over 70 players. The Monday Night Grand Final was closely contested by the Try Hards, however the Green Giants prevailed and took home the Gorgie, modelled on our very own King of Beers, Mr Sam Dermody.

## OFF THE FIELD

We have implemented a number of new programs. As a juniors club we have hosted a lot of events, like Regionals, GPS V CHS, GPS V SJRU, Ladies 7 a side round robin, 4 way district Gala Day, 3 Dufficy Cups and Bledesloe at Boronia. The support of our volunteers allows us undertake such events and these events help us to fund our club through a prosperous canteen and BBQ. We have too thank our event Sponsors, Yvonne and John and the team at Gladesville Orthodontics. Without their assistance and Jorgen's Johansen's Team at Kennards we couldn't have put Bledisloe at Boronia on.

Many of you will be aware of the recent excitement around the clubs plans to develop a Community Facility. Minister Anthony Roberts presented a cheque for 1 million dollars to be spent on the Boronia Park Sports Precinct. This is a great start for community facility, who knows in a few years time we might be hosting presentation night at the facility.

Over the past 8 or so years the juniors and seniors have mended bridges in the club - so much so that we currently we have 3 senior players coaching in our Juniors, Jordan Pond, Jake Henwood and Andrew Newson. It's fantastic to have these guys a part of the junior arm of club. Our former President and all round king of the kids Gregory Wyatt Spratt is the toast of Seniors taking the colts which consists of no less than 12 form HH Juniors all the way to the grandfinal and was awarded the NSW Rugby Coach of the Year.

A huge part of keeping sides on the field from year to year is our sponsors. As our current three year sponsorship arrangements come to an end, I would like to thank John and Tracy and the team at McGrath Hunters Hill for what they do for HHJRU, they they have been in for the long haul and I am pleased to confirm that they have committed to be back with us in 2019 and beyond. I would also like to recognise Abudi Hassan and the team at Magic Glass, Tim Gunning and the team at Ord Minett, Andrew Halmerick and the team at Craig and Rhodes, Gary and Kerry Johnston at Jaycar. Thank you all - you have been tremendous in your support of the club for the last 3 years and some for longer.

A junior club like Hunters Hill requires many volunteers for a smooth season. I would like to acknowledge all of the coaches, trainers, managers, lines people, parents that assisted with ground set up and pack up for making the 2018 season the success it was.

I would like to thank the 2018 HHJRU Committee, a great bunch of people doing for the boys and girls of our community. Their tireless hard work behind the scenes is the fabric that is Hunters Hill Juniors. Off Coarse we need to thank our very own Bonnie Gregory who's control of all thinks Canteen at HHJRU help make our BBQ and Canteen a much needed funding asset to the club

*we give thanks to the*

# LADIES TOUCH REPORT

---

It was the late author Charles Dickens who once wrote “Have a heart that never hardens, and a temper that never tires, and a touch that never hurts” and this may have been a great motto for the HHJRU Women’s Touch Competition 2018 save for the fact that after a 40 week off-season of running sand dunes at Kurnell and squats at Sydneham our superstars were more fired up and ready to play touch than ever before! 6 teams of athletes took part in Term 3 action that was extremely competitive, extremely fast and played in great spirit with great camaraderie. There can be no doubt that in 126 years of black and white rugby dating all the way back to Charles Dickens himself standing on the side of B1 watching the 1st ever women’s touch competition played in the southern hemisphere and penning the immortal words quoted above this was the most even competition we have witnessed and featured some of the fastest and best touch rugby we have seen. Every week of the season underdogs would beat red hot favourites and previously unheralded superstars [who had until now kept their talents hidden under a bushel] would become point scoring machines able to score length of the field tries at will. Come Grand Final night in front of a full house [despite the driving rain that caused some to start building boats in backyards all over the greater Hunters Hill area] and with the brand new stereo system cranking out banger after banger from our House DJ it was the Green Giants who secured the golden orb that is the club’s new perpetual women’s touch rugby trophy in a thrilling victory over last time premiers Team Try Harder. All were winners however on the night and during the season and I want to thank each and every superstar and supporter and referee and all others who contributed to a great season for all the effort you make in creating such a great competition. As can be attested by how many superstars I have seen jogging Ryde Road these last 4 weeks carrying donkeys, mules, car trailers or other heavy weights off-season training has started already and I look forward to welcoming you all back for Season 2019 in just 30 weeks!

# MINI'S WRAP

---

2018 wrapped up a solid year for our mini's was another successful year for the mini's with over 110 registered players representing our club across the Norths and Gordon district competition. A noticeable bump from last year. Seems like the news of fun being had by all is reaching kids, mums and dads across the area with even more kids coming along to see what all the talk is about.

The U9's blasted into the season with 43 registered players and many more giving it a go throughout the season. The U9 teams upped the ante and played 4 teams in the Gordon comp and put in some big hits and glorious efforts. Some old rivals emerged with some hotly contested games against Mosman drawing crowds from all round. The boys showed that they listened and learned during the season as their structured game play was even better than some super rugby teams! The Dufficy Cup was a natural stepping stone for many of these players who took to the full field like a duck to water. The Cup sadly did not come home to us but that did not take away from the magical season played by all. However the boys finished the season on a high, playing in yet another Bowral cup and taking home the silverware. The title successfully defended for another year. A big thanks to our U9 coaches, managers and parents.

The U8's absolutely smashed it this year, with 28 registered players playing across 3 teams. With their first year of full contact, the U8's monstered their oppositions every Saturday morning. With the focus now on hitting them up, it was so refreshing to hear our Saturday morning mums yelling out "shoulder on", "ruck-over-him" and "take him out". The U8's finished as one of the better known sides across the Gordon comp with no other club being able to dominate the way our players did. And to finish things off, the U8's travelled to Bowral where they were undefeated all the way through to the grand finals, and then, they won that too! A golden season and well set up for next year. A big thanks to our U8 coaches, managers and parents.

The U7's grew from strength to strength this year starting with less than 2 teams and finishing with 26 players spread across 3 teams. This year's U7's really took up the mantle piece in the senior end of the touch comp with lots of passing, stepping, loops and cut-outs. The kids had tons of fun and taught the coaches a fair bit as well. What was most encouraging was seeing how big this age group grew from the very beginning as word got out about the fun that everyone was having. The U7's also competed at several away tournaments such as the Wahroonga cup, with successful wins and triumphs. A great age group with a promising future. A big thanks to our U7 coaches, managers and parents.

# MINI'S WRAP

---

The U6's are our littlest in size in the Gordon comp, but not in heart. Our 13 registered players hit the field with the force and courage of 113 players, and made an impact on everyone that they played against. Clean jerseys, fresh boots, mouth guards and head gear was all on display and put to good use. Sometimes they ran the wrong way but that was all a part of the deception as a monstrous loop around the back of their own in-goal area often ended in a 100m run away try. And another successful age group showing at the Wahroonga cup. A great start for this age group and looking forward to seeing more family and friends join up next year.

Thank you to those parents that regularly helped with Saturday morning set ups. This winter was particularly cold, so anyone that braved it really does deserve a medal. Hope to see you all 'round the paddocks next year.

2019 is very promising for us. Our U9's team is building on great strengths and successes, and we see lots of promise in our U8's and U7's. Next year's structure with age coordinators should bring our mini's ages even closer together with better communication and hopefully lead to a bump in our membership numbers. The elusive Dufficy cup remains out there for our 9's to bring home, and Bowral continues to be there for us to defend. Giddy up, 2019, here we come!

See you round the paddock!

# FRIDAY NIGHT GIRLS TOUCH REPORT

---

The inaugural year of Friday night touch for girls saw 33 girls register for to play. Throughout the season we had a few more girls come and play and some girls drop off. Friday night was chosen so as not to compete with other sports/activities the girls played: soccer, dancing, netball. However there was a Friday night netball comp meaning some girls who wanted to play couldn't. Despite the \$100 active grant from NSW state govt, most girls were already playing netball or soccer and so used it for that. Most girls who registered to play were Sisters of existing HHJRU players; Friends of the HHJRU community or Friends of friends

To help introduce the format of the game to the girls and the basic skills (positions, rules, passing, catching, team support) - a training session was run prior to the main competitive games. The Friday night format was 5.30pm start for skills and drills training, then 6.10pm competitive games. The girls were split into 2 groups: girls aged 6-9 (approximately 20 players) and girls aged 10 -13 (approximately 13 players). Kingston ran the skills and drill training with the help of the parents. Parents were encouraged to get involved at the training session, quite a few mums supported helping with passing and running drills. Then during the competitive games, Adam Latham took the older girls group whilst Kingston took the younger girl group. During the games the parents volunteered to coach younger teams on the field. A referee with whistle helped the girls to follow the rules. The season kicked-off in May (Term 2 of school) and planned to run for one term. Due to popularity and interest, the season was extended to the end of Term 3 and finish with the regular club season.

As the season progressed the girls picked up the game quickly. The introduction of bibs to distinguish competitive sides, really helped. Introducing a winning side, and 'Player of the Day' trophy also helped. Similarly, forming permanent sides for the younger girls meant that they had to play as a team and form stronger relationships. Towards the end of the season, the more capable girls wanted to test themselves further. For the younger girls it meant playing against the boys. For the older girls it meant playing contact against other girls. Quite a few older girls wanted to play tackle, but not against the boys teams.

It was a good test and learn for the inaugural year. 2019 will need more organisation and formality to bring more numbers in.

## Noteable Activities for the Year:

20th April 2018

◆ Super W Grand Final between NSW Waratahs and QLD Reds, saw many of the younger girls turn out as part of the HHJRU Flamingos. Invited as mascots for the game, they escorting the players from the tunnel onto the field and got front row seats to see the Waratahs win the game and take out the cup.

11th August 2018

◆ Shute Shield game between Norths and Easts at North Sydney Oval, saw the HHJRU Flamingos girls invited to play against the Norths Pirates U7s as the precursor to the first grade game.

◆ Finishing up a draw, the girls also formed the guard of honour for the 1st grade side as they ran onto the field.

1st September 2018

◆ Wahroonga Tiger Cup saw HHJRU enter an U7s all girl Flamingos team.

◆ Fielding a mixture of U6, U7, U8 girls, the team playing against 2 x all-boy teams

## P&L Commentary

In 2018 HHJRFC recorded an operating surplus of \$ 29,982 (2017: \$27,695) compared to a budgeted “loss” of \$ (920).

- Surplus was similar to 2017 but significantly ahead of budget as a result of;
- Net Registration fees ( after affiliation fees, insurance etc) \$3,133 over budget
- Canteen surplus \$10,882 better than budget
- Additional sponsorship of \$6,000 being Juniors share of the Bayview all of club sponsorship (\$3,500) and sponsorship contribution to Bledisloe at Boronia event (\$2,500)

There were a number of expense categories where we were under budget, with total expenses ( excluding canteen and registration costs) being \$ 9,672 under budget, including:

- Equipment purchases - \$5,884 below budget
- Website - \$2,228 below budget

## Canteen

The canteen was once again a major contributor to our surplus with a profit of \$25,182 compared to budget of \$14,300 (and prior year of \$18,539). There were more major events than expected when budgeting (including 3 Dufficy Cup's) that contributed to the stellar performance in 2018 – thank you Bonnie once more.

The canteen gross margin was 48% (2017: 40 %), and well in excess of budget. I think it is relevant to note that the canteen operation will change in 2019 with more paid casual staff that will impact the profitability.

## Sponsorship

In addition to our share (\$3,500) of the Bayview all of club sponsorship, plus a \$2,500 sponsorship of the Bledisloe event from Gladesville Orthodontics we received \$32,600 in committed sponsorship funds, being the final year of a 3 year contractual commitment. Included in the sponsorship agreement is a commitment to purchase training jerseys out of these sponsorship funds each year at a cost of approximately \$11,000.

We are currently seeking sponsors for the next 3 year period being 2019-2021. We believe we have locked in McGrath as our major sponsor again, together with Jaycar and also On Deck as a new sponsor. We are still seeking to finalise additional sponsorship.

## Rugby Operations

The total operating costs excluding canteen in 2018 was \$81,097 (2017: \$ 86,417) compared to a budget of \$102,820. This does not however compare like with like as in 2018 our registration fees were received from SJRU net of registration and affiliate fees as well as player insurance. Excluding these registration related costs, we incurred expenses of \$77,148 (2017: \$70,939) versus budget of \$ 86,820.

Against budget we were down on expenditure, mainly in reduced equipment purchases and reduced expenditure on the website.

In 2019 we will need to purchase more equipment that in past two years and also, with new sponsors, we will need to order new playing jerseys for all teams at a cost circa. \$20,000.

	<b>273,167</b>	<b>307,544</b>		

The cash balance at end of year is \$307K, an increase of approximately \$34K in the year. Against this we have some commitments totalling some \$5K for our GST liability and about \$17K of creditors that were not paid prior to year-end. Included in these creditors are amounts due to Hunters Hill Council for ground hire and lighting fees that the club is disputing with HHC.

## Community Facility

The Junior Committee met in September and approved a commitment of \$150,000 for the construction of the community facility at Boronia Park, conditional on the successful tenure application to Hunters Hill Council. The funds will be provided when the project has all necessary approvals and is due to be constructed. Final sign off for payment will be taken to the HHJRFC committee meeting for approval.

# REGISTRARS REPORT

## REGISTRATION SYSTEM

Last year the SJRU moved us to a new registration system called RugbyLink. 2019 will be our third year with RugbyLink.

## PLAYER NUMBERS

In 2018, HHJRU offered teams from U6 to U15s, TryRugby for our littlest players, Girls Friday Nite Touch and Ladies Touch. Ladies Touch (under the command of Sam Dermody) reached its 6th year and a number of women received their "5 Year" Award. In its fourth year, TryRugby (under the command of Greg Wyatt-Spratt) continues to be a huge success with 30 kids registered.

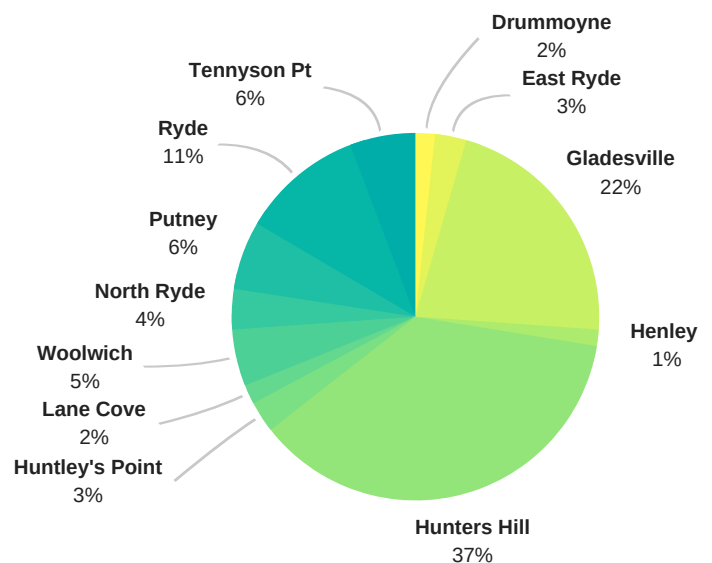

In 2017, we ran an intermittent girls touch side called the Pink Flamingos. Due to the amount of enjoyment from the girls in this side, we introduced a "Friday Nite Girls Touch Competition" this year. While initially this competition was only due to run for Term 2, it was so popular with the girls, we extended the competition to run for the full Junior Rugby Season. In the end we had over 30 girls registered and we were able to form two age groups U6-U8 and U9-U11. A huge thank you to Kingston Lee Young for overseeing this new program.

Unfortunately this year we lost last years U12 side and were only able to field an U13 Cerise side, and we were not able to field an U16 side. Growth in the U11 age group. Otherwise fairly consist numbers within age groups. Unfortunately, the U12/U13 Hong Kong Tour 2018 did not go ahead.

## REGISTRATION FEES

In 2018 the NSW Government introduced an Active Kids Rebate of \$100 per child per year. This year registration fees were increased:

Girls Friday Night Touch \$100

U5 TryRugby \$100 (for school aged children, \$50 for pre-school aged children) (\$50 in 2017)

U6-U7 \$100 (\$50 in 2017)

U8-U9 \$130 (down from \$200 in 2017)

U10-U12 \$225 (as per 2017)

U13-U16 \$225 (as per 2017)

U17-U18 \$225 (as per 2017)

Age groups U8 to Opens had a \$30 discount for 2nd and subsequent players. Hardship cases were judged by the Age Coordinator, and were expected to contribute half of the registration fee.

Ladies \$50

# OUTREACH

---

This year Hunters Hill Junior Rugby Union had some of our managers and coaches volunteering at the Sydney 7's. Ross Nassif and Garth Healey were assisting the Kenyan side. Before the tournament was over, Garth and Ross had the Kenyan National side wearing HHJRU Training Tops 24/7. When the players told Ross and Garth of the plight of some young rugby hopefuls back at a orphanage in Kenya that the players supported in Kenya, it was clear HHJRU should find some way. We arranged to send about 40 of our previous seasons training tops back with the team who distributed them at the orphanage... the photo's say it all!

HHJRU has continued to support communities near and far, our canteen raised funds for "Buyabale" to support our rural farmers. The club continued to support Wheel Chair Sports NSW and particularly the NSW Gladiators through Club Patron and Australian Wheel Chair Rugby Captain Andrew Edmondson. Every Season the club donates preloved gear to less affluent lovers of rugby. Over the last few years we have donated gear to schools and clubs in Fiji and Tonga and most recently to Orphanages in Kenya.

### Seniors Chairman's Report 2018

- I'll be standing down
- It's been an honour and a privilege being your Chairman
  - It's been over 55 years since I started at HHRUFC
  - I'm not sure I'll ever be able to repay the debt I owe the Club
- If I had my time again as Chairman over the last 5 years there are certainly some things I would have handled differently, although there's no point dwelling on the past, particularly the negatives
- My focus has been to help the players be successful on the field, to that end:
  - Financials - Al Evans / Glen Sandford
  - Sponsorship – Luke McCormack
  - Strong committee (player representation)
  - An investment in Coaching (work in progress) – Rayne / Clint
  - I've endeavored to have a Church and state approach
- The measure of success can be gauged by
  - Two possibly three premierships
  - Club Championship
  - Subbies Club of the Year
  - NSW Club of the Year
  - 3rd Grade (2017) & the Colts (2018) have been inspirational
  - Happy with no forfeits and 4th Grade being ready to play
  - Great character by all sides after the start of the year

- Off the field I've been a great supporter of the One Club Policy
  - Started with forming the Golden Oldies in 1994
  - Helping build a bridge with the Juniors has been particularly satisfying
  
- Community Engagement
  - Giant Steps
  - Beyond Blue, I've had a big hand in
  - Wheelchair Rugby
  - Women's Rugby – how good is that
  
- At the end of the day I want us to be a Club that our Spectators are proud of
  - I'm confident & optimistic that 2019 will be a great year for the Seniors
  - Thanks for coming along for the ride
  - I look forward to being one of those spectators

## **Vice Chairman's Report - Seniors 2018**

2018 can only be remembered as the year in which HHRUFC didn't give up. Despite a disastrous start to the year, all grades remained strongly committed to the club and gave it their all.

Our colts showed tenacity throughout their season to hang on in the close ones, and then played mature rugby in the finals series. Unfortunately, they were simply outclassed by a Mosman Colts team that could've beaten many of the First Grade Teams across the Kentwell Cup. These guys hopefully stick around at Hunters for the next decade and make this club their own.

Mention must go to both Greg Wyatt-Spratt and Ben Rooney for their outstanding achievements and recognition this year.

The open grades turned up week in, week out, and despite the results not going our way, we fielded a team every week without forfeiture, unlike certain other clubs East of the Gladesville Bridge.

It is something amazing that after a season without many wins, the majority of players appear to be prepared to back up again next year. This obviously comes down to our off-field experience, with Capt. Tim Forsyth and the Crew of the First Annual Harbour Cruise, Ben Chaplin as Club Captain and Chris Groves as Tour Director doing a lot to keep this humming along.

Thank you to:

Gary Lane and Paul Shields are both life members of this Club, and 2018 showed again why they achieved this. The hours of dedication these two have put into this club is astounding.

All the Coaches & Managers who managed to keep morale up on field despite our results.

2019 sees an experienced but new committee taking over the reins of the club, and Luke McCormack, Tim Vertoudakis, Tim Forsyth, Michael McNamara and Lauren Salmon have a combined 20+ years of experience running the club, so let's all get behind them and keep Hunters Hill Rugby great again.

## Club Captain's Report 2018

Season 126 will not go down as one of our finest in the record books but it has left me with great promise for what our beloved club can achieve when we come together, prepare well and work towards a common goal. There's no doubt 2018 was disheartening at times. But instead of overwhelming us, 2018 has strengthened us and brought together a core of hard-working, talented, (mostly) young and most importantly club-orientated playing members who are determined to turn things around rather than jump from a sinking ship.

There's no need to go into detail of results this year. As we all now know, we were not fully prepared rolling into the early rounds and were unfortunate to come up against the powerhouses of suburban rugby in the opening fortnight. As the season progressed, these early results became too difficult to overcome.

Many at the club were looking forward to a return to DIV 2, but we came home strong. It became clear that when we got to training, prepared well and played our best, we could match it with anyone and until the final week, there was a genuine determination to avoid relegation because we knew we deserved to be there.

I am particularly buoyed by the fact that under no circumstance did Hunters Hill forfeit a game this year, as other clubs did. I pay special tribute to those who showed up early to support their mates and played multiple games a day for their club. The outstanding participation of Colts in lower grades undoubtedly contributed to the strength of their squad come finals time. This should continue to be a focus of the future.

Arguably the biggest success of our club in season 2018 was the much-improved recognition from the playing group that our club does not simply run itself. We all have a responsibility to contribute off the field to the successful operation of our club. We must continue to strive to be a player-run club, not reliant on old boys and volunteers to do all the dirty work that ensures our club survives. Running a club is much easier when duties are split between 100 members, rather than 10.

A huge thank you must go to our sponsors who allow us to not only put people on the field but allow us to do things outside of footy that make us an attractive community club.

We only have to look back to our 2017 NSW Rugby Club of the year award to know we have all the infrastructure in place for a successful community rugby club. I wholeheartedly believe that as a club we are better-placed for season 2019 than we were in 2017, and I cannot wait to get back out in the black and white hoops.

Cheers,

**Ben Chaplin**

## Colts Barbour Cup Report 2018

The 2018 HH Colts season got off the best start with a win in the trial verses Petersham. The boys were happy and excited about the season that was about to begin.

At this point I would like to thank all those that were involved throughout the 2018 season, Mark Ashhurst and Rod Dufficy in the main have been involved as coach and manager from the start. Throughout the season our colts received a lot of club support, Clinton Allardice (1st Grade Coach), Paul Shields, Ben Chaplin (Club Captain), Gary Lane (Seniors Chairman), Cats Phil Shorten and Alan Southcombe, Players Jordan Butler, Andrew Newson and of course Mark Philp at the end of the season. These amongst many others, all helped the 2018 HH Colts reach the Grand Final against Mosman at the end of August.

The 2018 Colts team were very fortunate in the strength, ability and longevity of this year's player group. With 34 players on our list, it may seem like plenty at the start of the season, however with a couple of injuries and a few off overseas at various times you really need that number to remain competitive over the season. During the year many of the colts played multiple games to help bolster the numbers and strength throughout all grades. As coach I was in the unfortunate position at the end of the season having more players than I could field. To the boys' credit they all took this in their stride.

At the start of the year I suggested to the boys that as a coach I did not want them showing up to training as they saw fit but that they needed to make an effort that would benefit the whole team. A decision was made that training was mainly on a Thursday night with the majority showing up (many also to their credit made Tuesday training as well). As it looked as if we would make the Semis the playing group decided that two trainings a week with a majority present was needed. In the end I was very happy about the group's efforts in making training and their attitude the entire season.

As mentioned we had wins in both our trials and looked in good shape for the season. By mid-season we were mid table with 3 wins, 3 losses and a draw. We had however scored 5 bonus points that kept us in touch. It looked as if there would be 3 top teams and 3 teams that would not make the finals and Hunters Hill and Petersham to fight it out for the 4th finals spot. Hunters Hill comprehensively beat Petersham in R10 to put us in a good position for a finals spot, barring misfortune we would retain a semis spot. By season end the HH colts had scored 12 bonus points, only Mosman scored more, 13. Although competitive the team had not beaten the top three clubs in the rounds, so it looked as we would be the underdogs as we went into the semis.

Knox	R4	Loss 10 – 12	R12	Loss 19 - 24	<b>Semi Final</b>	<b>Win 31 - 7</b>
Colleagues	R5	Loss 26 – 29	R13	Loss 22 - 31	<b>Final</b>	<b>Win 29 - 12</b>

These decisive and well deserved wins put Hunters Hill into a Grand Final against an undefeated Mosman side. Unfortunately, that Saturday was not to be our day. Grand Final vs Mosman Loss 17 – 48.

This score is not a real indication of the closeness of the majority of the game. Mosman got off to a great start so Hunters Hill were playing catch up to get back to 26 – 17 during the second half and then Mosman to their credit came home strongly at the end. As a coach I would like to thank all players whether you played 7 games or 18 games, were at sometimes reserves or did not get on the field every game. I congratulate all the team players on their season as part of this team and any involved in what was a great season.

A special thanks should go to the Team Captain Ben Rooney for his leadership both on and off the field. If ever a captain led the way by example then it was this year, game after game, after game. This effort culminated in his winning the 2018 NSW SUBBIES COLT OF THE YEAR. Great effort Ben and a well deserved accolade.

I should add it was a pleasure to coach these young men, some I knew, most I didn't. Some players knew each other, others didn't. We had players from 5/6 different schools, players in their first year as colts, those in their last, as well as all that was between. All different young men, of various talents, all playing together all for Hunters Hill. I enjoyed the banter at training between them and me and more so between each other. I enjoyed watching them get better as a team every week, which is what a coach hopes to attain.

A Good Year had by all. Once again many thanks to all involved.

## 3<sup>rd</sup> Grade Whiddon Cup Report 2018

Coach: Chris Groves

Managers: Matthew Shelton & Jeremy Corfield

Captain: Christian Zizza

Season 2018 was a tough one for 3<sup>rd</sup> grade, no question. But it was also a season that we saw how committed the 3<sup>rd</sup> grade team was to their rugby club, with many of our players regularly turning out for 4ths, 3rds, & 2nds &/or colts on the same day.

As coach, I was incredibly proud of my players turning up to training & games each week, keeping their spirits up & having a dig.

We had some fun, some laughs (especially involving Matty Marshall...), trained hard (most of the time...) & had a real crack.

Our highlights had to be leading Waverley 3 -0 for much of the first round game against them, our game against Balmain at Balmain (the one that got away!), the pig on the spit the team ran (& ate...), our team dinner at the Bayview mid-season (great night!) & of course our last game of the year against Drummoyne – we nearly got them boys!

Big thanks to Michael Keating for his valuable input to the backs. The furthest I ever played back in a team was number 8 for 5<sup>th</sup> grade years ago, so his assistance was greatly appreciated.

Thanks to Paul Shields for all the names he sent us of possible players, & to the Colt's coaches, Nathan James & the 4<sup>th</sup> grade coaching team & Matty Macrae for working with me all year to get a team on the park each week.

Also big thanks to Hunters Hill Gourmet Butcher & Deli – Rob & Barbara put our pig & meat trays on. Best meat in town!

Lastly, thanks to my wife Kasia Groves for continuing to indulge my love of Hunters Hill Rugby.

Yours in rugby,

**Chris Groves**

## TONY BRUNSDON CHALLENGE CUP

### HUNTERS HILL V PETERSHAM

The inaugural Tony Brunsdon Challenge Cup was held in 2008 in honour of the late great Anthony Charles Brunsdon (30/6/1945 – 22/3/2008). The Cup is contested by Hunters Hill 1<sup>st</sup> XV verses Petersham 1<sup>st</sup> XV teams on a nominated round by the holder in each year the clubs are in the same division. If a club moves from the division then a match can be scheduled during the year consisting of at least 30 minutes each way in duration between select 1<sup>st</sup> XV's.

Hunters Hill Rugby Union Football Club will hold the trophy in perpetuity. It's hoped this Cup is played for in the true spirit of rugby and the tradition is upheld for many years to come.

## GOLDEN OLDIES – CATS

### GOLDEN OLDIES CATS MANAGEMENT COMMITTEE 2018

<b>Chairman</b>	Gary Lane
<b>Secretary</b>	Peter McFarlane
<b>Treasurer</b>	Michael McNamara
<b>Social &amp; Communications Manager</b>	Vince Cusumano
<b>Football Manager</b>	Paul Shields

### Hunters Hill Golden Oldies "CATS" 2018

No games played, therefore no injuries on field.

Cats reflect on the crap work done by their elected representatives, whinge about the events/apparel/opportunities that was/wasn't provided and then re-elect the same blokes anyway. Expectation, Complaint and Apathy – three pillars of the Cats ethos!

Here's a brief bio of the elected leaders in 2018

Gary (TC, The Dalai Laney) Lane

Current Position: Chairman

After guiding Hillies into last place in the Club Championship, TC has decided to hang up his Seniors boots and instead focus his energies on creating a Utopian Cat environment at Boronia. He will be directing his efforts to ensuring coordinated responses from Cat Corner whenever the new Seniors Chairman steps out of line.

After recharging his batteries on a whirlwind European Vacation (think Clark Griswald), Gary is raring to get stuck into Season 2019, a prospect that's causing great concern amongst the current Committee.

Peter (PeteCat) McFarlane

Current Position: Secretary

As he's writing this bio, modesty prevents too much praise. Promises a startling new range of CatApparel for Season 2019

Michael (Macca) McNamara

Current Position: Treasurer

Every year we take the mickey out of Macca, and go on about how our Treasurer's travel plans seem to be inversely proportional to his means. And this year, he hasn't disappointed – with trips pretty well everywhere and plenty more in the coming up. In fact he's filled his holiday dance card so full he's taken on the additional role of 2019 Seniors Treasurer as a supplement (don't know if that will do him any good though!).

Vince (Bin) Cusumano

Current Position: Social Convenor / Publicity Officer

Bin has had a pretty quiet 2018, not wanting to out-do his efforts of 2017. Although, in fairness, he did produce one Purring Pu\$\$y and threw a few dead animals on the barbee when Petersham came to town. Seems to have spent most of his time scouting for a location for an outback branch of the Cats while working his way into semi-retirement. Next season, Bin wants to out-do his 2018 efforts and pay more attention to making sure PeteCat gets a hard time re: CatApparel.

Paul (Shieldsy) Shields

Current Position: Manager Football

Suffice to say, Shieldsy has done bugger all this season. The Cats failed to take to the field for the first time ever. Even the Kittens couldn't get their act together. On the upside, injuries were down.

Despite Shieldsy spitting the dummy and refusing to ever take on any role with the club, ever, he will be standing. Shieldsy's platform for re-election will be an absolute guarantee that he will ensure at least double the number of Cats games next season.

Glen (Shagga) Sanford

Current Position: Board Rep

Another of those retired types who think it's OK to duck off and enjoy himself mid-season. Currently galivanting around the outback, Shagga is obviously in cahoots with Bin, trying to relocate the Cats to Central Australia. Fortunately, he's away so often we can easily schedule meetings to ensure he isn't involved in any real decision making.

# HHRUFC - THE ARCHIVE COMMITTEE (TAC)

In March this year TAC members met to discuss 'WHERE DO WE GO FROM HERE?'

The agenda for this meeting was based on looking at our archiving activities, taking a look at what we were doing and why.

TAC celebrates its 10th year of activity on 24 November and started with enthusiasm involving a small group of members. There is uncertainty about these members continuing. While not being able to guarantee that our current few active members will continue we also can't guarantee that our premises at Henley will be there long term, or can't guarantee that if the 'clubroom' does eventuate, that there will be space for the amount of material we have accumulated.

We appreciate that the Club supports TAC by the Board funding our annual rental for the Henley premises. We also acknowledge the generous donations of CATS members over the years. However, our attempts to engage people in our work have not been all that successful eg, B2B displays and getting people to come down to Henley. We think they want it, and we think that what we do is important, but they don't. Maybe we are dated in our thinking. Brian Robertson has looked at other Clubs such as Mosman, Colleagues and Petersham and can find no evidence of detailed archives. Those Club's Annual Reports are either not published or are only about 15pages of information. Ron Whites effort in putting together our Annual Report is time consuming and frustrating in trying to collect the various reports and photos which go into the report. Despite all this work you ask the question - How widely read is our Annual Report?

The meeting agreed that we needed to aggressively cull any material that was not of 'historical importance to our Club'. This has been started and we are scanning the material that is considered of historical importance to our laptop and backing this up to an external hard drive – the culled material and items that have been scanned are disposed of. When this is completed we have to consider what to do with physical items that we hold. We plan to offer duplicate/triplicate copies of scanned photos to the Hunters Hill Historical Society. The 'fate' of other items, such as blazers, framed photos and the like will have to be considered based on their historical importance.

We still have plenty of work in front of us to be in a position to share the retained and remaining relevant material by handing a hard drive of material to future Club officials.
