PRESIDENT'S REPORT.

The year 1963 had for me mixed feelings, firstly my first year in office and I am very happy to say that I enjoyed working with the officials of the club, the players and the officials E.D.J. R.U. , G.N.D.R.U. also N.S.W. J. R. U.

My personal thanks to all coaches, managers and ladies who gave their services to the club, for without them the club would not have had a successful season. I am very confident that the club will grow to the standard that is deserved by all namely "Deeds Not Words".

I want to thank all players for their sterling effort on and off the field and in particular to the under 10s, this team took their defeats with such courage that they set the example to other teams to follow and the highest in sportsmanship.

Mr. Jack Rees effort once again shows that our club can be run efficiently and to him my personal thanks.

The sad loss of our dear friend Mr. Jack Mapledoram was one of the hardest blows the club has had and whilst he is no longer with us his memory and effort for the club will be remembered.

and gives a further incentive to carry on where he laid the foundation.  
 I strongly urge all players to continue in the same spirit next season 1964, and would appreciate the older players in the under 18, 21s to give the younger players of the club further assistance thus creating closer unity with all teams.  
 In conclusion I have enjoyed the season 1963 and look forward to a more successful 1964.

### SUMMARY.

The 1963 season proved a successful one for the club. We recorded an increase in the number of teams fielded in various competitions, and we registered with the Rugby Union record number of players.

The learn to play morning football has continued to expand creating an increase in the number of boys playing afternoon football.

Unfortunately the club did not field a premiership winning team, but honours went to the under 12 and 15 teams, they both showed us during the season they had football ability, when they were both just beaten in the finals of their competitions. Credit must be given to their coaches Mr. Jack Hyde and Mr. Rex Shapter for there untiring efforts in teaching the boys the art of rugby.

The under 10, 11, 14, 16, 18, and 21 teams all had good seasons with mixed displays, some good and some not so good but all in all the boys showed they were footballers in the making, with another season together we should see improved teams and possibly some premiership winning teams.

Again my term in office was an enjoyable one, I found the members were co operative and responded to my requests both on and off the field. I endeavour to maintain our club each year on a very strong foundation of friendship, loyalty and sportsmanship whilst we continue in this way that club spirit prevails, and a closer unity between players and officials exist who then can enjoy the maximum benefits offered by the club.

#### SOCIAL.

Our Annual Presentation Night held in the Hunter's Hill Town Hall was again a most successful one. The trophies and pennants when presented were received by loud acclamation from

the parents and boys present. The films on football and car racing were enjoyed by all, and the excellent supper provided by parents and the club completed the evening.

Our under 21 team travelled to Canberra by bus with Mr. Don Farrant as manager. Two games were played over the weekend, and the the Hunters Hill team played excellent football although narrowly beaten in both games. The boys enjoyed their weekend and were commended for their good conduct in so much that they have been invited again during the 1964 season.

On saturday 7th September a social match between our under 21 team and the New Zealand Christchurch Old Boys at Vimiera Oval. The New Zealanders after having played over the last few weeks as a touring side showed us they were a well trained and a fast combination which proved to good a side for our boys playing against this touring side.

During the August school holidays an under 16 team from the New Zealand's Whangarei Boys High School played a series of games against The Northern Districts Rugby Union clubs. Of interest to our club was David Power who plays in our under 16 team was invited to play in a Lane Cove team against these New Zealand boys, David as usual played a cracker game always on the ball he helped to make the game one which was enjoyed by a big crowd.

Our under 18 team combined with an Westwood team which played a game in the Newcastle District. The teams travelled to Newcastle by bus and was managed by the late Mr. Jack Mapledoram. Although beaten the locals had a good day and were again invited to return for a visit in 1964.

The club held a cabaret dance in the Hunters Hill Town Hall on 13th September, owing to such a small number of members present it was not a financial success, although enjoyed by those present. For future social nights we hope to see more older members present and giving their financial support to the club, subsequently making these nights a success.

DONATIONS.

With the financing of football following its present trend we would be hard put to compete with other clubs without the assistance nobly rendered by all you good people, for this assistance we are deeply grateful.

As everyone knows it takes money to keep football going, so with the clubs fund raising activities and your help we have managed to keep our teams well supplied with football equipment.

I also wish to thank those people who donated football trophies to the club. As you know all boys are keen to win a trophy at sometime during his career and if so it can always be seen proudly displayed in some prominent place for everybody to see. I feel these trophies must be given each year which helps to keep keenness and the will to win spirit in the club.

INJURIES.

Unfortunately the club suffered extensively with injuries to players this season, some caused by club football, others accidentally obtained elsewhere.

Philip Power broken wrist, Bruce Lycett broken wrist, Ian Grafton broken finger, John White broken collarbone, Robert Nash chipped bone in knee cap, Malcolm Carruthers torn ligament in ankle, Paul Ivory broken jaw lacerations to face and stitches as a result of car accident.

OBITUARY

The sudden death of Mr. V.B. Jack Mapledoram was a

great shock to all. Jack was associated with the club for many years, firstly as a player then as an official. He gave a great deal of time and effort into the clubs interests which he said he always received much pleasure and satisfaction from. He was a most popular and respected man by all associated with him and we feel his passing is a great loss to our club, I personally lost a valued friend in Jack and many of you must feel the same way.

The death of Mr. Frank Herford was another loss to the club during 1963. Frank was first a player with the then he became a Vice President.

To their respective families we extend our deepest sympathy.

CONCLUSION.

I would like to add my personal thanks to every club member and all people with whom I have been in contact with during the 1963 season for their wonderful co-operation and support.

We now look back on the 1963 season as a most satisfactory one and look forward to the 1964 season with confidence, remembering at all times our club motto "Facta Non Verba" deeds not words.
