It may be debated but as the vice chair of the senior club, who many would consider well placed to comment, put a case forward to the exceptional crowd that attended this year's seniors presentation, season 2011 can arguably go down as the best year Hunters Hill Rugby has experienced.

The full array of achievements and awards the senior club has achieved this year, I'm sure will be highlighted in the senior clubs report but for many, winning the second division club championship and our return to Kentwell Cup and first division "subbies" rugby next year, is the crowning glory. Winning "The Cowboy Cup", awarded to the club with the most points achieved across all grades and all subbies competition, was cream on the cake and fantastic achievement for the club in its own right. First grades dominant grand final victory adding additional lustre to a great year. Besides first grades dominance of their competition, the competitiveness of our teams across all grades this year will hold us in good stead going forward. Special mention to colts and thirds who can consider themselves exceptionally unlucky not to have delivered more silverware to the club this year. To all players, coaches and support crew a fantastic achievement to one and all.

It is possibly the exception rather than the norm when grand plans are put forward, that they are achieved accordingly. When the talk was that Hunters Hill Rugby would be back in Kentwell cup in three years, I'm sure many thought this was the stuff of pipe dreams. But the fact is that it was very close to being achieved in 2010 and that it was achieved this year and the way it has been achieved, the seniors chairman can take a fair amount of credit for. He has been ably supported by his committee as well as the coaching and support crew but Rod's has resourced and motivated everyone along the journey the senior club has taken and when signs of fatigue showed, it has been his energy and enthusiasm for the job that has fuelled the fire. I'm sure his own enthusiasm for the job may have waned if not for the support his family have given him and the club.

Well aware of what that winning feeling does for a club, another highlight of the year were the home days at Boronia. Strong crowd support and well run "special" event days created added vibrancy around the club this year. Special thanks to those who helped with events and for the off-field support our teams received.

The junior club continues to roll on. While overall rego numbers were steady, the club managed to field increased number of teams across both mini (U6 to U9) and Sydney Junior Rugby (U10-U12) competitions. The most pleasing result was a significant increase in mini teams which augurs well for future growth. The vast majority of teams the club fielded in SJRU competitions found themselves contesting semi-finals and come grand final day, 2 of 5 teams playing came out on top.

In 2011 the junior club made a bold decision to move their district affiliation to Northern Suburbs Junior District, essentially this meant our junior rep pathway now lead to Norths. Northern Suburbs rep teams now infused with Hunters Hill Juniors recorded their strongest ever rep campaign, with U11, U12 teams contesting finals, U13s undefeated and U15s, state champions. It should also be acknowledged that the U16 Gordon state championship winning team had Hunters Hill boys littered throughout. Hunters Hill boys featured in the Sydney U15 rep team and NSW U16 and NSW U16 Schools sides. It is most pleasing to attend GPS Rugby games and recognise Hunters Hill boys featuring prominently while playing first, second and 16A rugby. The junior club has forged an association with our neighbouring school, St Josephs College over the last few years and the focus of this association is to engage "Joeys" boys with Hunters Hill Rugby. From that association, seniors chairman Rod Salmon was recently invited to address the 2011 rugby class at Joey's. It is hope that along with our juniors, a flow of "Joeys" old boys may find their way to Boronia Park to play footy, ensuring strong playing numbers for the senior club in years to come.

The junior club is one of Sydney most vibrant and has a well earned reputation for its support of junior rugby, administration of the game and support of rep programs through coaching and managing. The club has fostered and is supported by a club membership with a fantastic volunteering ethic. More importantly since 1997, the junior club has forged a strong presence in the local community, with a key endeavour to offer rugby to kids of all size, skill levels and abilities right through till older age groups. This becoming a greater challenge in face of our kids commitments to school rugby.

The Cats. What can we say. They have sunned themselves contentedly this winter, happy to bask in the shared glory of the senior club. Previous winter's of discontent, where rumblings and disgruntlement were often heard from "the slab", just distant memories. Tradition dictates that grand embellishment of past deeds and games were still discussed but even Deckers super natural powers of pending gloom and disaster failed to rain on the Boronia parade.

The Cats were once again admirably lead by Chairman Meow and lent some great support to the senior club. Special mention to the likes of Mike Keating for both his physical and financial support of special projects. Cats chair Gary Lane and club stalwart Russ Kershler gave great on-field support, while Bairdy and Hibbo were behind the scenes with the 85kg boys. And there was a loyal contingent of grumpy old guys that regularly turned up at home and some that travelled to support. Great to see Brian "Darkie" Robertson's over-due life membership being awarded at years start and of course a season would not be the same without the presence of Angry moving along the sidelines, very much the keeper of the flame.

As I write, work has begun and in full swing on the clubs Boronia No 3 project, with every expectation that the start of season 2012 will see a fine new rugby oval at Boronia. This will not just give the club access to more playing resources and secure access to Boronia Park for rugby but can also be viewed as an important stage in the overall development of a community facility located in the precinct that will support and be a great asset to HHRUFC. There has been a number of club members working pro-actively to get this project over the line, Rod Salmon and Ian Kellaway to name a couple but the board would also like to acknowledge the work of Dave Sanders, who got involved at a time that saw the project through some important stages.

On behalf of the board of HHRUFC, I would like thank all those that contributed to what was a very good year for Hunters Hill Rugby. Looking forward, the senior club faces some stiff challenges in moving back to its rightful place amongst "subbies" top clubs. But if the way they have fought their back from third division not so long ago is any indication, I think we can not only survive being back in Kentwell but prosper as well.

Chairman's Report - Seniors 2011

Season 2011 proved to be the trilogy in the fantastic story of the resurgence of Hunters Hill Rugby Union Football Club and the end of the climb back to Division 1 and the opportunity to now be able to compete for the Kentwell Cup.

We started the season with a year of 'local' knowledge of the nature of Division 2 and we knew what it would take to win it having gone so tantalisingly close in 2010.

Our goal of winning the Division 2 Championship quickly took momentum as we clean swept the Kings Old Boys Club at their old boys ground. This happened after a rather shaky start to the season when most of our 2010 backline did not return for the 2011 season for a range of different reasons. There was certainly some chin rubbing occurring in the selection meetings in the pre-season games. The depth of the clubs recruitment and development as well as our past seasons reputations became evident as we strung together a very impressive first grade team from the first competition game.

The Committee had set a goal to improve the level of coaching at the club and to this end it was decided to recruit a trainer/coach to the ranks who could impart their knowledge onto the other coaches within the club. Alex Larkin, who has a very impressive CV of past coaching and training appointments, joined the club in February to take on the role to up-skill the whole of the club. Alex works as a full time Director of Rugby and coach at the Westfield's High School, so in effect he is coaching rugby full time. His addition to the club and subsequent appointment as 1st Grade coach with our long time coach of Peter Allan was a terrific pairing that of course went on to take the Barraclough Cup in September. I think that most of us will remember the game at David Phillips field in the Major Semi when we ran up against Briars, a team we had never beaten in two seasons. When we up 42 - Nil with ten minutes to go we had all realised we had witnessed one of the most streamlined and well drilled teams that the club had seen for decades. All the season's work from players and coaches alike had crescendoed into a truly amazing display of rugby (I just wish somebody had videoed that day!!).

The 1st Grade story was repeated all the way down the grades with every grade making the Semi Finals and we certainly had every chance of having all teams in the Grand Finals. 2nd Grade had been the donor team all year to the 1st Grade squad and I must thank Andy Harvey for the way he accepted losing his key players on Thursday night training to 1st Grade. Somehow 2nd Grade would then bounce back with some rather interesting reshuffles to produce regular wins on the Saturday.

3rd Grade had a rather shaky start, as there was basically some sort of void in the space that meant it was difficult to name a team and then have enough players to get a serious training session going. Steve Turner persevered and after mixed results in the first half of the season they went on to go through the second half of the season undefeated. It was only a penalty goal after the full time in the grand final that denied the team the Blunt Cup.

Our 4th Grade coach Dave Polly as always seemed to keep putting wins on the board. When asked to name a team on Thursday for the selection board he would give that trademark smirk and say I have no idea what the team will be until 30 minutes before the game on Saturday. Never the less the team was always impressive and the players had years and years and years of experience so a game of rugby was something they could do with their eyes closed. When they finished the season with a record 53 - Nil win against Blacktown you definitely got the feeling that they could certainly win the Richardson Cup. Alas in the Final they went down 8 to 7 to Forest and that ended the season for a very talented team.

The Colts boys wanted to go back-to-back Premiers this year and with an unbelievable season of record results including being undefeated Minor Premiers, it was a pleasure to watch these boys each week. Mal Fraser and Matt Porter did an excellent job with the team and to see them go down by a conversion from the sideline after the full time siren was devastating for the entire club. Congratulations to all for a very memorable season and one that will stay on the record books for years to come.

Under 85's were Grand Finalists and put together a super season with some very entertaining rugby. The "Hillies Lites" as they have become known have been a very important part of the club allowing an opportunity for players to enjoy a mid week game when they might otherwise have not played rugby at all. Paul Shields' passion is the reason these guys get a game of rugby at all as his tireless recruiting and working as coach and carer is miraculous. His right hand man in Hibbo makes for a formative and effective team.

Our Mighty 5th Grade continued to turn up for a game each week and had an enjoyable and successful season even though the score sheet might not have always indicated this. Viren and Nathan somehow put together a team more often than not and all of the players had a great time.

Bruce Robinson returned this year as Club Coach and it is without doubt that our success over the last few years has been largely due to the professional approach that "Robbo" has instilled across the club. His service is much appreciated and I am sure he will be back in 2012 to rack up wins in Division One.

I would like to thank the committee for a slick and streamlined job this year. Special mention must go to my right hand man, Ron White, who does an amazing amount of work, week in and week out. His tireless work in getting programs, statistics and annual reports done always amazes me. The club owes him a great debt for his many, many years of volunteering.

Renny as always makes the Registrar job look easy as there is never an issue that finds its way to the committee meetings as Renny has covered all bases before the ball is even in play.

Max Marraffa, the moneyman, was excellent and has learnt a lot about the MYOB accounting package this year. Tim V was a great secretary; Jordan was stoic in his role as general committeeman. Ewan was superb at the job of ground manager, and another tireless season from Dave Weston in PR with the club receiving more press this year after massive coverage last year.

Steve Turner was unbelievable in the many different and varied roles he took on. I am sure he is not going to take on jersey cleaning in 2012. I will miss our regular chats on the best way to remove dirt, grime and blood from jerseys. We often sounded like we were making an OMO commercial.

Once again the web site was the conduit that kept the club fully informed and I know we are the envy of many clubs and that is all thanks to Andy Ball who does a marvellous job keeping it updated and improving the features.

Paul Shields continues to be one of the hardest workers in the club with a mobile phone and texting bill that is off the scale. He never stops recruiting and is instrumental as to why we have such a great number of players coming to the club.

Canteen was a great success this year with Natasha, Danielle and Cheree making the job of feeding and quenching everybody seem effortless. We even got beetroot occasionally this year as well as tomato and lettuce. They are promising even more improvements next year.

Ladies Day was looked after by Jordan Butler and Sue Roach and with addition of Moet & Chandon Methode Champenoise being added to the bar list meant for an entertaining afternoon. It was a huge success and will certainly be hard to beat.

Our tourists added enormously to the club with their enthusiasm and skill making a positive impact in many areas of the club. Dave Watkins added a power and strength around the park and off the field and he would happily drive the bus or the gear Pajero to and from the ground. Ben McKinnell was not only terrific on the field but also coached the under 18's on Sunday and Wednesday meaning that he only had Mondays off from the club. James Lindfield returned half way through the season and made an immediate impact both on and off the field. Johnny Apulu was one of the best on the field at the halfback spot often making breaks from nowhere to score or set up many tries.

As we head to Division One in 2012 I am very confident that we will be a club that will surprise a lot of the regular 1st Division clubs. There is a lot of history that will be retold from the days when we were a regular Div One club. Now we have made it back to Div One we can look forward to many, many years ahead of playing Kentwell Cup.

Finally I would like to thank my whole family and especially my lovely wife, Kylie, for supporting the club in the way they do. Whether it is helping in the canteen or organising the Presentation Function or helping with car parking on Mocooboola, Kylie, Kiara, Lauren and Nathan are there to promote the spirit of Rugby. It was very special to receive an award from the club for the "Salmon Family" awarded to us by the Juniors Club for our work over the years. Thanks so much to them for the accolade.

Now let's get on with 2012 and finally be able to put St Pats flat on their backs!!
Promoting the Spirit of Rugby.

Vice Chairman's Report - Seniors 2011

What a fantastic year. Arguably the best ever in terms of results! 3 minor premierships, 4 teams in Grand Finals, 1st Grade premiership, Div 2 Club Championship and the Cowboy Cup. It all started in pre season with the 7's team in Central Coast and then the 10 team for the Bondi Tens tournament. A big thanks to Dave Weston for organising and recruiting, players to come from that were Salamo who in turn brought our Subbies Rep Lani Kaiwai. This season we saw not 1 but 2 ex All Blacks to grace Boronia Park, Rd 2 an ex All Black No1. the one cap for NZ and one first grade cap for HH. Sosene Anesi graced Boronia Park and sparked the first home game off with the a big crowd and a lot of interest in Hunters Hill Rugby, although coming back from injury, he was outshone on that day by rising star Ricky Kucia. Ex All Black number 2 to grace Boronia Park was none other than current Wallaby coach Robbie Deans, Dingo ran a great session with the 1st graders and Colts and enjoyed the Bally Bar hospitality afterwards and was impressed by the set up and in commitment in a week where we had torrential rain and we were fortunate in negotiations to even have the number 2 oval available to us.

Then there was exposure but this time I mean more exposure, Hayden 'Browntown' Brown filling every inch of his Hunters Hill jersey and running in fast forward over the SFS but also on our TV screens in the props kegs race, then featuring in the plays of the week highlights package for the week and also for the year at Fox Sports.

We can all thank Jules Arndt for securing two pallets of Budweiser all for free, sometimes it's not what you know but who you know. Best off field performance for total exposure along with raising awareness for charity Beyond Blue, a massive congrats to Michael Kellaway who just about single handed put together the whole package, from idea to creation on the blue boots, blue jerseys, blue day promotions at Boronia and in the lead up week, a whole nights coverage on Channel 10 news and weather reports. Well Done Michael, great initiative and display of our motto:

Facta Non Verba (Deeds not Words).

A tough year for new players to the club, so many great players makes for good competition, not only for places in teams but winners in those award categories. I hope we'll see them all stick around for the challenges ahead next year. We'll need to keep on building relationships with new players to welcome them to Hunters Hill and have them play for a number of years.

A massive thanks to all the people who helped out in some capacity this year, most are a thankless tasks but without you the club wouldn't run and wouldn't be run as well as it has done.

- Rod for his continuing drive and leadership, innovative ideas and motivating people to do the things needed to be done, along with securing the afore mentioned All Blacks.
- Renny Iles our trusty registrar, assistant treasurer, manager at the trials, one of the first to set up and last to pack away, 4th grade workhorse, and the list goes on. We need more people like Renny to put up their hand and help, doesn't have to be much but make an effort to do something.
- Tim Vertoudakis, Max Marraffa and Jordan Butler the only guys who put their hand up to work on the committee, thanks for your dedication and to keep the club running.
- Ewan 'Gout' Armstrong – Ground Manager, 1st Grade Manager, first to set up and pack away at training and game days, taking gear and putting it back to away games, and the list goes on. We need more people to help Gout and make it easier on everyone.
- Mark and Natasha Thornton for their canteen work and running the BBQ so well.
- Bally – Bally Bar and Web Master two great jobs done by one great man.
- Maria – Club physio, great job especially for helping out for long hours and the finals series.
- Steve Turner – Gear manager including merchandise and jersey washing, plus of lot more as third grade coach. Well done Steve on a fantastic year, the sign of a strong club is in the 3rd Grade, as it's the hardest team to have the same consistent players and hardest to bring together as a team, so well done on the minor premiership and being runners up.
- Andy Harvey – 2nd Grade coach. Ironically he coached his HH 100th match in final, one he'd rather forget but none the less a great achievement, his record shows from 2007 coached 100 won 74 drawn 3 lost 23. Thanks for the players you bring too.

According to the NSW Subbies bible *"The Game for the Game Itself"* Hunters Hill as of 2003, had the most representative players per club, and 2003 was when we last had a player represent bar Dean Thomson made the Under 19's team in 2006. This year we had a unique situation, which had probably never been done before and will never be done again, where players from the same club played against each other in the NSW Suburban v NSW Country representative match.

For the first time in 8 years has Hunters Hill had a player in the senior rep side, this year we had two in opposing teams, Lani Kaiwai became the 65th player in the last 100 years to represent Hunters Hill for the Sub District Rugby Union. Lani was selected on the wing that night and had a solid game apart from the audacious drop goal attempt in his outstanding debut season.

Tim Walton came from Newcastle Hunter and was obviously selected for country whilst playing there however he came to Hunters Hill while playing for country and made the team on the wing v NSW Suburban, for interest NSW Subbies won the match 18-16.

Congratulations to both players and may both continue to represent Hunters Hill in the future.

A fantastic year, in terms of results and achievements, and promotion back to 1st Division has been my goal upon returning. To do it within 5 years and with the club in good health and room for growth with the juniors, and good prospects for the future with ground developments and people wanting to be part of Hunters Hill Rugby, makes me proud and happy to be associated with the club.

2011 best season ever is debatable and here are the stats;

2011 3 Minor premierships, 4 teams in Grand Finals, 1st Grade Premiership, Div 2 Club Championship and the Cowboy Cup.

1980 4 teams in Grand Finals, 2nd, 3rd and 4th grade wins, Div 1 Club Champions.

1981 4 teams in Grand finals, 1st Grade Premiership, Div 1 Club Champions.

1977 Div 1 Club Champions, 1st Grade Undefeated Premiers, 2nd & 3rd Grade Premiers.

Nevertheless it was a fantastic year and one to remember.

Let's make 2012 an ever better one!

Ron White
Vice Chairman – HHRUFC Seniors 2011

NSW Suburban Executive Director Mark Green presenting HHRUFC Vice Chairman Ron White awards for Division 2 Club Champions, Cowboy Cup and Division 2 Club of the Year.

Winners are Grinners – 1st Grade Barraclough Cup Premiers With the Division 2 Club Champions Reliance Shield, presented by UNSW Life Member Bob Gamble.

Secretary's Report – Seniors 2011

What another fantastic year! Division 2 Reliance Shield, First grade won the Barraclough Cup walking over UNSW. Colts and third grade just missing out on Cups in the dying minutes to a defiant St Ives. Seconds and Fourth grade also had a great year. Seconds racking up an amazing 103-0 victory and fourth grade with an average age above 30 taking their season right to the final and the Under 85kg midweek team making their grand final!

What more could we have asked for? Hunters Hill has been on a steep climb for the six years that I've been at the club. Every year I return to a stronger club in amazement of how far we've come and fascinated where we could end up at the end of the season.

This year when the committee convened for the first time we wanted to make sure we were slicker and better than the previous years. Every team we play is envious of what we have, how we conduct ourselves off the field and the points we rack up on the field.

With regards to conduct, this year the club had quite an issue with red cards that hampered our chances of winning overall club of the year despite our spectacular results and winning the Division 2 Club of the year. A significant number of red cards from both Senior's and Under 85 kg's meant the club was on its last warning with Subbies. Nearly all of these cards were upheld at the tribunal and put a tarnish on the club's fantastic year. Next year the club will look at implementing a player code of conduct. Players will be held accountable for their actions on and off the field.

This year Subbies issued a new ruling that any referee abuse will not be tolerated and club competition points will be deducted for those found behaving in contrary to their rule. This is a significant step and a first in Australian Sporting competitions in order to curb behaviour towards refs. The club was warned about several instances in which were potentially in breach of this conduct and I remind all players and supporters that next year this will be a focus of refs and Subbies.

A big thanks to some special people!

To the HHRUFC Committee, I'd like to send my congratulations for such a well run and fantastic year. As Club Secretary I'd like to personally thank you for your efforts. The club can only be as good as its support staff.

To the W.A.G's thank you for your ongoing support to the gentlemen of Hunters Hill Rugby. Always helpful and willing to lend a hand to make this the greatest club possible.

To Maria thank you for all your help as the club's Physio. Many in this club would be unable to take to the park without your help and love for the game.

To the Salmon family thank you for your ongoing help, support, love and dedication to the Hunters Hill Rugby Community.

Thank you to Shieldsy for his choice player recruitment.

Gout for his set up / pack up as well as his management duties.

Grovesy for another successful Byron Bay tour. We won our first game in years against the Mongrels. Also thank you for your help and lead on the oval three development.

Thank you to Natasha and the girls under Kylie's guidance for taking over the canteen duties and for your bacon and egg rolls!!!

Thank you to Dave Weston for all the odd jobs he picks up with a pommy smile.

To Robbo and the Club Coaching Staff the success of all the grades is a testament to your hard work and desire to develop our players. Thank you to my coaches Andrew 'Chief' Harvey and Steve Turner, I had a great time in both teams under your leadership. Chief the recovery runs paid off and Turner your pre match speeches will forever be remembered!

To our sponsors, without your ongoing support, generosity and interest, 2011's progress would not have occurred. The return to the Hunters Hill Hotel was a great success for the club and ensured that club spirit and social attendance were always at healthy levels. The committee and club thanks you and looks forward to your involvement in season 2012.

To the Players, I thank you for the opportunity of being Club Secretary this year, even though it doesn't have the same ring to it as CCTV.

Congratulations to Roachy for a fantastic year leading the club. Nick was always happy to get up and provide great post match reports. A big thank you goes to Mother Roach for her help and lead with the clubs social functions.

Thank you to Alex Larkin for his pre season, Tuesday and Thursday training sessions. Even though I hate them at the time, thank you for showing Hunters Hill the crab walk and backwards crab walk. I'm sure everyone is looking forward to your next iteration of this barbaric conditioning drill.

Next year is going to take an even greater effort than this year. The club is going to have to step it up again in terms of its professionalism and dedication to training and game day. This year it's imperative to turn up to Tuesday and Thursday training.

Everyone also needs to take an action to **START RECRUITING NOW!!!!!!!!!!!!**

Kentwell Cup here we come!!!!

Cheers,

Club Captain's Report – Seniors 2011

I really enjoyed being club captain this year, it gave me a great opportunity to meet a whole heap of great people, plus it let me see the tremendous amount of effort that gets done behind the scenes just to ensure we can all enjoy our football each week.

I also wish to thank a few people who made my job easier each week. These few unnamed people know who they are and should simply insert their names into the following spaces, so my thanks go to _____, _____ & _____. I would also like to thank all those who covered for me as I gradually delivered less and less each week, finally culminating in having to get someone else write this report for me.

1st Grade Barraclough Cup Report 2011 – Minor Premiers & Premiers

2011 started very slowly with a lot of new faces, a new coach & with a lack of numbers at the early trial games causing some concern. We lost six backs from 2010 and a number of quality forwards so with our first game up against the reigning premiers Kings Old Boys had this coach not feeling to optimistic but we need not have worried winning 42-9 away.

We progressed through the early rounds with comfortable wins but suffered our only loss in round four when we came up against our nemesis Briars who we had not beaten in the two years in the Barraclough Cup. With injuries come opportunities and this saw the team changing as the weeks moved forward with the team not really taking sharp till the end of round one and we turned the corner feeling pretty confident for round two. We continued to play some really good rugby but also played some rubbish, but to our credit continued to keep winning and took maximum points in the majority of games.

Leading into the semis we were still not finishing teams off as we were slowly getting adjusted to the running and attacking style of play, again we could not get over Briars with a last minute draw but this game revealed a lot about them and us. Two tradesmen wins finished of the year with 16 wins 1 draw and 1 loss yet Briars in the first semi would be our litmus test for the whole season and we would live or die by this result. It was mentioned to me that the first half against Briars in the semi was the best rugby he had seen HH play in 10 years and at 35-0 at half time you could not disagree. There are minutes in games when you get it right so for 35 minutes to dominate a team we hadn't in two years was the most satisfied we had been throughout the year and closing them out with an arse kicking shut up a team that needed it.

Grand Final day started well with the boys knowing what would be needed to beat Uni but like all GFs nerves and uncharacteristic errors kept Uni in the game but as usual some brilliant individual performances and solo efforts got us across the line for a deserved win.

No individuals were mentioned above as it would not be fair to the 30 plus players whose contribution was critical to us in 2011.

To the players retiring or leaving good luck and thank you, and for the players backing up lets look forward to the big challenge in 2012.

2nd Grade Stockdale Cup Report 2011

2011 proved to be another successful year on the pitch. We made another finals series, set a new club record with the biggest winning margin and unearthed some talent in the form of the boys from Colts (mainly the Ah Lam boys).

We began the year exactly how we finished off 2010 with a solid defensive line and flamboyant attack. Our 2 hurdles though proved in the end to be our downfall with losses to both UNSW and Forest on 5 separate occasions. We did however push both extremely hard in the second round going down to Forest 12 nil on a Tuesday night thanks to many wash out rounds and again to UNSW 14 – 13 with Uni needing to kick a conversion from the sideline to win it.

Outside of the 5 games, we were extremely solid laying a strong defensive platform for our attack to flourish. On 7 occasions we scored 40 or more points with the standout being the 103 nil win over Hornsby in which James Hammond equalled the club try scoring record in a game bagging himself 4 try's. Other notable mentions were the 60 nil win against St Ives and the 63 nil win against Newport both at Boronia.

A more pleasing stat was on 8 occasions we kept the opposition scoreless, and another 8 occasions conceded less than 7 points. Again this was due to the work done on the defensive structure that carried through from 2010 and also the work done on the team's fitness levels.

It's a hard thing to defend a premiership and to come so close was at the time a bitter pill to swallow but in the scheme of things, wasn't a total failure. We uncovered some real talent that has been hiding away in colts. The Ah Lam boys will be the next big thing at this club with all 3 in my mind ready to leave their mark on the 1st grade side. James "Hammo" Hammond has been used on the wing in years gone by but proved to be a revelation at flanker. His work in close and at the breakdown was in some games the difference between winning and losing. 2 guys that didn't get a mention at the Presentation were the clubs war horses in Ben "Smithy" Smith and Andy "Uluru" Johnson who were the cornerstone to this team's success. Both bleed black and white and it was an honour to coach both future life members of this club. Lastly the guy who literally surprised me this year with his temperament, skill and passion for this team. Mr Joel "Thecond" Firth was a guy who started the year off in 3rd grade, got a last minute call up to play 2nd grade in round 1, cemented his spot in the side and then took on the captaincy. This is a guy who trains the house down, sets the example for his team and leaves nothing out there. I've coached a lot of good players at this club but Joel is your consummate professional. He may not be the most talented guy going around, but what he brings to the table is one hell of a work ethic and a never say die attitude which will hold him in good stead in the years to come.

I'd like to thank each and every player I've had the privilege in coaching this year. Special thanks to Don Ramsay who helped out with managing the side in the early weeks of the season, Ron White who managed the side throughout the finals, Joel Firth for leading us on the pitch and Rod Salmon and the committee for giving us the opportunity to do what we love and that is turn up on a Saturday and play rugby.

First division awaits, 5 years ago we were a club in 3rd division struggling to stay afloat. 2 club championships and 3 premierships later we are on the brink of returning this club to its rightful place and that is 1st Division and the Kentwell Cup. Bring on 2012.

Yours in Rugby,

Andrew Harvey

Colts Robertson Cup Report 2011

"The most talented junior team I've ever seen."

So said super coach Mal Fraser of the Hunters Hill Colts, 2011 vintage.

I would have to agree. Just look at the numbers:

- * 18 wins from 18 games to claim the minor premiership undefeated.
- * A bonus point for scoring four tries or more in 16 of those 18 games.
- * 815 points scored in a season – a Hunters Hill Colts record.
- * 544 points for & against differential – a Hunters Hill Colts record.
- * 22 games undefeated (including the back end of the premiership winning 2010 season) – a Hunters Hill Colts record.
- * John Ah Lam's 4 tries in the Round two match against Hornsby – equalled the club record.

Staggering stuff. Yet, somehow we didn't win the bloody thing!

We got close. In fact at 29-25 up, with possession and just 2 minutes left on the clock in the Grand Final Mal and I had the matches at the ready to light the cigar. But there would be no cigar. The last minute converted try by St Ives blew both us and the flame out.

The same St Ives team we'd taken care of 34-19 in Round 8 and again 45-41 in Round 17, two of their four losses in the round robin. The same team we suffered our first taste of defeat to - 12-22 - in the minor semi final, a fortnight before the most bitter of repeat doses in the GF.

Can you see a pattern here? We we're getting worse when we should have been getting better. We were falling down when the other mob was rising up.

Maybe we can point the finger at the spate of illness and injury at the business end of the season. Key players - Kerry Owens, Paul Ah Lam, James Katoa, Anthony Whitaker and Toby Adams were all crocked in the GF. All but Whits still played but they were reduced from their normal dominant selves. But I don't think we can use this as a reason, let alone an excuse for why such an outrageously talented group didn't finish the job.

Because another remarkable thing about this team was its depth. When one giant - second rower Tonga Katoa - had to come off we could replace him with another – Matty Farrance. Our other locks were 2m twin towers – lineout supremo Scotty Woodward and up and comer Will Sutcliffe. Toby was on hand to take over when Kerry couldn't go on. Ditto Delano Mare for Paul Ah Lam at No.10. Cosmo Jones, Nathan Mare, Michael Kellaway, Joel Brooks and Luke Smith – all potential match winners, had to fight for the back three spots. The Ah Lam twins, No.8 John and centre Dave were the best two players in their positions in both the club and the competition.

We did miss Whits sorely. His season ended by a nasty head clash with half a dozen games to go. Whits was a strong scrummaging prop, excellent with ball and a workaholic. But it was attitude that made him so invaluable. Always ready to train and play. And listen. Whits knew what he was there for. If he was there at the end his ethic might have rubbed off.

In many ways I think we were victims of our own success. We beat everyone. Twice. Many by big margins. A few games we should have lost but won with an act of individual brilliance. These papered over the cracks. The players thought they simply could not be beaten. And even if they got into trouble their talent would get them out of it. There was a sense of entitlement. Confidence spilled over to arrogance. The attitude among a core group of players was less than perfect, especially at training which translated into the games.

I thought the first loss would be enough to shock the team into focus. But no. We got a soft on when the other mob were barring up. The dream of back-to-back premierships was not to be. Still, they were a good bunch of lads and it was a great season.

Congratulations to Best & Fairest and Best Forward Kerry, what a talent! To Best Back and Players Player Paul Ah Lam and Most Improved Player Taukari Wood, who became something of a revelation on the side of the scrum. Special mention to the blockbusting Ah Lam twins, John who topped the try-scoring stats with 17 and Dave, 2nd on 14. To captain fantastic Sean Roger, who has developed into a great prospect at the base of the scrum and who led by inspirational example. To Ricky Kucia for his skill and enthusiasm. To Hugh Smith who made a great fist of converting from flanker to prop, without complaint. To Latu Havea and Tala Semu for some powerful cameos. To Scotty for his class on and off the field. To Kells for getting the team and club on Prime Time TV news for his magnificent Beyond Blue initiative. To Cossie for never missing a training and for sticking it up his old Forrest outfit with a bagful of tries. And for Pauly Metusela for such brilliant, brutal consistency. If the whole team had the attitude of those blokes we would have won the cup in a canter.

Big thanks to the talismanic Mal Fraser – the bloke young rugby players happily go to war for. To Simon Harburg, who’s first year as manager was something of a baptism of fire, but who showed such maturity and commitment throughout. A career as a cat herder beckons. To the man he replaced, the legend, Bruce Lycett, for keeping a learned eye on proceedings and for his services to transport. But what a fantastic year for the club and so much to look forward to, back ‘home’ in Division One in 2012. Perhaps the greatest achievement of the 2011 Colts will be realized in years to come as their talents stay around the club to filter through the grades.

3rd Grade Blunt Cup Report 2011

This season just finished was extremely enjoyable. It's been a pleasure to be associated with a great group of players who cultivated such a great team environment.

I hadn't quite realised the magnitude of the challenge in coaching 3rd grade, but soon became aware that creating a settled team that could develop combinations and understanding was going to be a difficult task. Good form by a player would often result in him being promoted to a higher grade or being selected to play Colts. At times the Thursday night team sheet looked like Swiss cheese and there were many, many online discussions as well as the inevitable negotiating around the dreaded whiteboard. Fortunately we were able to keep a core group of talented and experienced players upon which to build the core of our team. Their attitudes were exemplary in terms of what best suited the team and it played an important role in our progress.

Our season started well, with an impressive away victory over Kings Old Boys. This match saw the Hunters Hill debuts of James Hannam and Joel Brooks, two players who would go on to make significant contributions in 1st/2nd Grade and Colts respectively.

The next few weeks proved to be a challenging time, with wins over Newport and Forest, losses to Hornsby, Briars and UNSW, as well as a scrappy and bad tempered draw against Oatley. The Wednesday following the Oatley match I made the first of the season's two trips to the Judiciary at Moore Park. The Uni loss was a real watershed for us. Very basic errors, poor communication and a complete disregard for the game plan saw us punished by the students, who gave us a lesson in patience, simplicity and the rewards associated with a good kicking game.

Despite that loss I felt we had the basis of a good team, especially since a number of players had enjoyed a premiership with 2nds/Colts the year before, In addition we had some talented new boys, who were improving with each outing. It was at about this time that Paul Shields began to help out and his contribution was to become significant. Our original Co Coach Lewis Nottidge had become a casualty because of work pressures and his replacement Andy Johnson, duly found himself in 2nd grade. Such are the rewards of being 'King of the Set Piece' Andy ☺ Shieldsy attacked his brief with all his usual relish and enthusiasm and together with West Harbour recruit Eric Coombs, helped create an attacking attitude among the forwards, which was to prove telling as the second half of the season progressed.

The week following the humbling loss to Uni we were drawn to play the competition leaders St Ives, at home. Our season to that point looked like this: - 3 wins, 3 losses, 1 draw. Needless to say were not expected to contribute to the Club Champ points on that day. Despite a forgettable first half, a yellow card and being 3-12 down at the break, our fortunes began to turn, as we piled on two tries and a conversion to take the match 15-12. Suddenly a snapshot of what we were capable of. Confidence and attitude became the strong characteristics of 3rd grade after that game. Our training became very focused, our will firmed and our sense of belief saw us dominate the second half of the Blunt Cup with 10 consecutive wins, before drawing with Blacktown in the final round. The most surprising result of the second round, on a day where 2nds and 3rds exchanged start times, was our 50-0 demolition of St Ives 2nd grade team. That result would not just leave a few of us scratching our heads, but provided yet another reminder of why as a Club, we have our priorities in order.

Minor Premiers? Who would have believed that after seven rounds? The magnitude of the achievement can't be underestimated. Several of those consecutive wins in round two were in very tight circumstances. Oatley, Briars and Forest in particular were hard fought wins, where our strength of will was a major factor. The night at Forest was memorable, with a partisan, well oiled crowd, a challenging mid week start time, lighting that may well have reached 10 candlepower and opponents that were really up for the game. I'm still trying to figure how we managed to get the points?

Our major semi final opponents were St Ives, a team that had effectively led the competition until the very last round. Not flamboyant or brilliant by any stretch, they based their game on defence and slowing down opposition ball and were quite polished in both areas. The conditions were quite difficult for both teams, with a heavy track and strong wind. Dan McDonald's pre-game 'encouragement' set the scene beautifully for us. We defended for most of the first half and were very happy to have only conceded a solitary try. It was quite an extraordinary performance, probably among the best defensive

efforts I have seen. We had gone into the game missing Eric Coombs and hooker Rhys McDermott suffered a knee injury quite early on, but our replacements, as usual, played magnificently. Despite having many opportunities we were only able to post the one five pointer ourselves in the second half, the game ending in a 5-5 draw. We progressed straight to the Grand Final, courtesy of being Minor Premiers. When you stop to consider where we had come from, this was nothing less than deserved.

In the Grand Final, we were to meet St Ives again, after their victory over Briars. With seasonal results of 15-12, 17-15 and 5-5, we clearly knew this was going to be another tight match. St Ives had earlier in the day stolen a win over our Colts, with a conversion after the bell, so they were very much on a high. After another titanic struggle, with time up and the scores at 10-10, a successful penalty from 42 metres confirmed St Ives as Blunt Cup Champions for 2011. To them we say congratulations There was nothing more that a coach could have asked of his players in the season just finished. You guys were a tight knit team, with a spirit that just has to be admired. To each and every one of you I say congratulations and thank you for your commitment and support.

To our captains during the year, Robbie, Cyrus, Eric and Timmy Verto, thanks for handling your duties with maturity.

To our Players Player Eric Coombs, thanks for your enthusiasm and for a style of leadership rarely seen in one so young

To Best and Fairest Damien Robinson, thanks for your relentless and energetic play over the entire season, you truly embody the Club motto 'Facta Non Verba'

To Brad Chalmers, congratulations on putting an injury affected 2010 behind you and having a wonderful season, culminating in timely recognition at Presentation night.

I'm sure the other players won't mind me giving Kava Samisoni a wrap. His season was very disrupted because of study and work commitments, yet when he played he reminded us of what a special talent he is. Every player in the team loved playing with him. We'll remember the trail of destruction he left at Hassall Park for some time ☺ I am looking forward to seeing Kava push for higher selection in 2012 Primak, you managed to combine managing the team with an arduous schedule as a house DJ, so thank you for your efforts. It's not easy making the game when your gig finishes at 5am!!

I would also like to thank Head Coach Robbo and Director of Coaching Alex Larkin, as well as Alan Southcombe, all of whom made their time freely available to advise, mentor and discuss issues with me right throughout the season. These guys were just brilliant and we are very lucky to have them working with our Club. I did mention Shieldsy earlier, but apart from his coaching contribution, he is active on so many fronts for the Club, it's hard to keep pace. Whether recruiting, raising funds, running 85's, putting up with Hibbo or finding gainful employment for players, he's one hell of a Club man.

And to Rod Salmon and his family thank you for being the driving force behind the Club's resurgence. Div One here we come.....

4th Grade Richardson Cup Report 2011

They say coaching 4th grade is a lot like herding cats. Well it's not. It's harder.

Despite the never ending mix of player availability, injuries and ego's, along with a selection policy based upon who was there 10 minutes before kick off, the team gelled well all year, with only a single point conceded in the final minutes of the game keeping us out of the grand final. The team at times played an attractive style of rugby this year, racking up over 400 points, along with the biggest win for the club in 4th grade in the clubs history, but it also let itself down with some close losses that should have been won.

The highlight for the season was a fantastic effort in the night game at Forest, where the team braved the extreme cold, the light provided from 6 candles and the oppositions 2nd grade pack to come away with the win. Other highlights include a good victory at home against UNSW or the come from behind win in our first game of the season at Kings. The disappointments for the year will mainly focus on the end of the season where our discipline let us down and having players provided with cards in both the semi's and the final cost us the momentum and, especially in the final, the victory.

This season the team used around 80 players, a tremendous amount in any terms. With players of all calibre, from returning first grade props, through to tired old veterans putting in their all. Whilst such a large number of players went through the grade special mention has to be made of a few who shone above the others. Richie, the captain had another great year controlling his temper and the team around park each week, and now aged 48 must surely be closing in on retirement. Tim Forsyth arrived on the scene and has made a great name for himself playing loose head prop, despite weighing only 71kg. He proved technique is as much a factor in being a good prop as bulk. Marty Merrick stood up this year as the year progressed cementing the starting hooker role and organising the lineout with aplomb. In the backs their formation was changed more frequently than Fridge has tucked into a sausage sandwich, which created problems of both continuity and speed.

Without starting to sound like a speech at the academy awards, there a quite a few people who should be mentioned in this report for a multitude of roles assisting create the excellent atmosphere 4th Grade enjoys. Coach Dave Polly has all year kept his cards close to his chest, but has still come up with inspirational substitutions and selections on the morning of the game to assist the team. General Dogs Body Russ Kershler has come down and generally had a laugh at the players. Gary Lane has been a quiet influence all year but his match day catering skills and motivational words have all been greatly appreciated. Bally has provided the food and motivational fluids that has kept the team together. Rosie, Tourette's and Petticoat have been generally pests but have always put in 100% when called onto the park. Laurie has shown a complete set of skills that hopefully will get faster over the off season, whilst old hands Fiji Tim and Fridge have brought their skills and experience to train the new backs like Andrew Casa and Cameron Jenkins. The new guys Steve Bull, John Devenish and Tim Downey all brought new vigour to the club and their efforts both on and off the field have been appreciated. And guys like Doddsy, who is still running around well into his pension year must be congratulated for achieving another great milestone of 300 club games. Final mention must go to the clubs token player Max 'special needs' Marraffa. Although he tried his best all year, he was never quite up the exacting standards of 4th grade rugby, despite what he tells you. From the Club, Players and Committee we all say 'Hang in there Champ, we're sure you'll improve next year'. (PS> Well done on the Best & Fairest award)

Last but not least it should be pointed out that in what was close to his 100th game for the club, young Vinnie Cusumano scored his first ever try at a waterlogged Newport, thereby removing himself from a select group of only 2 players who've played over 100 games for the club and remain tryless. Ask Hibbo if you need to find out more about this.

Under 85kg Report 2011

The 2011 U85KG season was our most successful season yet. A loss to a well drilled & highly skillful East's unit in the Grand Final was no disgrace, it was just frustrating how close we came to causing an upset.

The competition was weakened with Beecroft, Mosman, Knoxs & the Eora Warriors not fielding teams. Sydney High Old Boys (SHOB), UNSW & Forest joined the defending Premiers East's, U85KG specialist Dee Why, Lindfield, Chatswood & ourselves to contest the midweek comp.

East's dominated a disjointed competition that was extended due to wash outs & in which UNSW, Chatswood, Lindfield & Forrest all forfeited games.

The season was made possible because of the tireless efforts of manager John Hibbert, his helpers Al Evans & Vince Cusumano snr. Steve Turner who organized the backs & assisted the ref. Pat Feige & Alex Vertoudakis doing the medic/physio work. Jules Arndt & Dave Polly for organizing the Budweiser.

I would like to thank all 40 players who had a game for us this year, with a special mention to Brad Chalmers, Jarrod Thatcher & Tim Forsyth who played every game & dominated their positions. Other standout players were Baden Bogdanovs, Dermot O'Mera, Lani Kaiwai, Julian Arndt, Mark Thorton, Will Wood, Will Sutcliffe, Ben Sandell & Cain Rangì.

We managed to recruit 11 new players to the club via U85kgs & most importantly we contributed valuable points towards our club winning the Cowboy Cup for the first time. They made the difference by a mere 9 points between us and Petersham.

Bondi Tens 2011 Report

It was a the mid way point on Saturday, just after our first game in the knock stages of the Bondi Tens, that I received a voicemail. The messenger, one Chrissy Collins, the message, ' Hi mate, just wanted to check in and make sure you have not died from heat stroke yet'. The man had a point. The heat over the two days was a challenge, some times reaching 40. It is credit then that the Hunters Hill Bondi tens team managed to put their mark into what has become a very popular competition.

The sevens and tens team in the off season has been very much a success story. On our first attempt to have a competitive side wrestling with experienced sides was overall a very positive move for the club. With a great interest from sponsors, we have had smart kit made up and managed to enter two competitions, The Central Coast Sevens and the already mentioned Bondi Ten's.

Chris Atkins came on board to coach, myself and Ronnie White stepping up as managers, and plenty of player interest led to a good initial squad. The boys trained once a week (twice a week on the final weeks before the tournament). The weekend was a success, and although losing two group games, these were against Sydney Uni and Junior Waratahs (one of whose players has been representing Australia in the sevens circuit). We did win our last group game and ended losing narrowly in the semis. Some of the rugby on display was excellent, and the inspiring point was you could actually see the team learning how to play sevens throughout the games.

There was then a significant gap between this tournament and the Bondi Tens, with entry into other tournaments country wide harder for Subbies clubs. But tens training started in January, once again with a good take up from the lads. Unfortunately, due to player departures and availability, only four of the sevens squad were able to play in the Bondi Tens. The fact that the first day of the tournament was on a Friday, also affected player availability, many not being able to play due to work commitments. This resulted in a mixture of younger and older players being selected for the squad, and everyone can be very proud of their efforts.

Out of the three games we played on Friday, we won two, and losing only to 1st Division side Beecroft. Winning our opening game, we came from ten points down to win 14-10. Our last game of the day saw us beat BOB's from the Gold Coast 7-5. Tries were mixed around Dan Casa and new boys Ned Stephenson and Lani Kaiwai.

Saturday resulted in a place in the first knock out game for the Cup comp. We played Knox Old Boys and once again, made a good account of ourselves. Unfortunately it was not enough, ending with a loss. This resulted in a stab at the Challenge Plate, with a semi final game against the Creepy Pigs. We once again applied ourselves well, going up by ten points. Unfortunately the Creepy Pigs came back into the game, leveling 10-10. An extra time try sent us out of the competition with our heads still held high.

Overall, we have benefited from this off season experiment. We have five new players signed up for Hillies, and hopefully we will get to see them in the Grades this year. Most promising were colts Michael Kellaway and Ricky Kucia, who along with newcomers Ned Stephenson and prop Matty Farrance gives us more hope for our youngsters this year. Newcomers also included Damien Kennedy and the previously mentioned Lani Kaiwai, with Lamo Tuapola playing his second tournament for Hillies. And not forgetting Jordan Butler, Alex Vertoudakis, Dan Casa, James Hammond, Nick Giacomini, Sammy Henry, Canaan Tahura, James Lindfield and Tim Vertoudakis (if I've missed anybody please let me know, still suffering from sun stroke).

Thanks to Chris Atkins and Ronnie White, also to our sponsors, Concierge BT, SPM project Management service, Mahalla's café, Fitness to Xtreme, and Tasman Tanks, we could not have done this without you.

Bring on the central coast sevens in October. Please let me know early if you are interested and we can build on from this year. Hopefully it will be a little cooler next time.

Manager

TONY BRUNSDON CHALLENGE CUP

HUNTERS HILL V PETERSHAM

The inaugural Tony Brunson Challenge Cup was held in 2008 in honour of the late great Anthony Charles Brunson (30/6/1945 – 22/3/2008). The Cup is contested by Hunters Hill 1st XV verses Petersham 1st XV teams on a nominated round by the holder in each year the clubs are in the same division. If a club moves from the division then a match can be scheduled during the year consisting of at least 30 minutes each way in duration between select 1st XV's. Hunters Hill Rugby Union Football Club will hold the trophy in perpetuity. It's hoped this Cup is played for in the true spirit of rugby and the tradition is upheld for many years to come.

HHRUFC Byron Bay Tour 2011

We've been skunks, cows, pandas, orcas, zebras, Dalmatian, 2011 is the year of the Penguin.

These tours start earlier every year... Canolli, our youngest V, was SOOOOO keen to tour, he pleaded with his family to fly him to Byron on Wednesday... They did, & so the 2011 Byron Bay Tour, the year of the Penguin, commenced... He wasn't alone for long though, with the Ralf piloted bus of pleasure departing the HHHs at 6:30am on the Thursday, with Ralf, Grim, Bluff, Crouching Tiger, Acorn, Honey & Seagull burning down the highway to Byron to stay with Canolli that night.

Harpoon, Mr Movies, Shingles & Skid Row also joined the tour early on the Thursday, with Skid Row so excited he fell off a very wobbly (read solid steel...) table at Cheeky Monkeys, gashing his leg open, required hundreds of stiches (three...), & ruling him out of play. Skid Row was not the only tourist to fall victim to off-field injury, with Canolli & Bluff running full pelt into a wire fence on the main street (think that guy in the you-tube clip running into the glass wall around the tennis courts), however they bravely played with injuries (to their pride...)

Friday saw the arrival of the remainder of the touring party via plane & automobile, including 2011 mascot, Pat the Penguin.

The mystery tour was in 2011 the mystery convoy, & with the driver we had (Snoop Doddy Dodd's mate...), we were lucky to be alive – don't tell him I said this, but I'd rather have been on Ralf's bus. The mystery venue in 2011 was the Buddha Bar @ the Byron Bay Brewery ("I didn't know this pub existed"), & included a brewery tour, home brew lesson (refresher course for some), & a schooner of Byron's finest.

With the touring party spread across 3 houses & the youth hostel, the Rails was really our central home with our tour group coming together as 1 there on Friday, & ending there with Cider Monday, as well as hosting Kangaroo court & numerous hungry tourists over the weekend (Swiss cheese, bacon & chicken burger & salt & pepper squid being favourites – Stimp; Haloumi Salad is gay.).

Friday saw Steaks on a plane appear, Dropped Bear shared his cabanossi, the George Foreman Grill got fired up, Chunks & Primak rode the bus ALOT, we visited every licensed (& a few unlicensed) establishments in Byron, introduced the Vs to Byron Bay Kebabs, Widescreen got wet in his bed, as did Vowels (but for totally different reasons), Chunks lost his bed, Primak lost the tour, & someone short made a friend who didn't want to keep going.

Saturday morning saw the arrival of a small tropical storm & we played our first of 6 games against Brisbane Fiji on the main field, with Vowels leading the 1st half virgin team onto the field in his 'special outfit' with his 'special ball'.

After 6 games & a visit to the Bowlo, where Whatsa displayed his fondness for cheese, the various houses retreated to their domains to prepare for the Wales Vs France game. The bulk of the viewing of which was undertaken @ the Buddha Bar, where the previously hidden talent was also viewed. It was into the heart of town after the game, with a little Je ne Sais pas in the air as a result of the French win. Uluru was the victim of Ranga rage; Ranga Rage is a serious issue & Uluru is now chairing a support group for other sufferers, please feel free to come along, just don't wear red...

Sunday saw the 2 Penguin teams lining up for what was to be the 2nd last game of the tour, only to **WIN** our game Vs the Murbah Mongrels 17-16! This is the 3rd win in 6 years under my tenure! A loss to the Bay in the semi final rounded out the games – speaking of round, Chunks performed a very tidy broom round & round & round & round... Snoop got red carded when he wasn't on the field (& went all white) and a number of tourists must've had too many shandies the night before, because they had their clothes on backwards & couldn't shut up when they needed to... (thank you Seagull & your wheel of misfortune)...

There was a visit to the beach, then Kangaroo Court in the Rails was a new experience.

There were unfortunately a number of tourists who failed to front court (I don't see how – if Primak can make it after being awake for 48 hours then I'm sure you could, I won't name names (except for Sylvia & Kate Moss cause it's the 2nd time they've done this...), but you know who you are! Another lowlight of Sunday was Uluru's successful avoidance of his birthday Chumba Wumba (Rumours are he was irreversibly scared after being attacked twice in 1 night; firstly as mentioned by a Ranga, then by a gentleman who was convinced Uluru was the luck dragon.

Sunday evening saw the viewing of the RWC major semi final (Ralf's brother Michael & a couple of his mates came to watch it with us) between the Wallabies & the All Blacks, with many watching it at the Beaches in Sauna-like conditions (thank god for five seeds cider over ice...). With those Kiwi cousins

stepping over the line & then scoring, only the Pimp was happy after the game. A pizza (I'm with you Panda, was keen for tapas) saw us re-vitalised & head out to savour the last night on tour.

Sunday night turned into Monday morning; with none of the touring party being legally able to drive when they went to bed (the alcoholiser @ the Northern confirmed this for us...)

Cider Monday was its usual slow to start but successful morning, with The Pimp advising he'd now consumed 38 pies on tour, Snoop Doddy Dodds ate for the 1st & 2nd time on tour (2 pies), Thecond had his Chumba Wumba & a sausage roll (11am Monday in the Rails, ooohhhh... rough....), our driver was late (I wonder why?....) & we discovered Vowels & Snoop Doddy Dodds are now minor celebrities in the Northern Rivers region...

I'd like to thank our valiant sponsors; **GRANTS BUTCHERY** & the **HHHs**, as well as all those who helped out.

Special mention:

2011 was Phil Grants final year as our sponsor as he is now enjoying a well earned retirement. Phill, from myself, Ralf, & everyone who has toured in the last 3 years, THANK YOU – without your generous support it wouldn't have been possible.

For those interested, the tour is always on a weekend in October after the Labour day long-weekend.

Not sure what we'll be going up as yet, but get into Rosie's ear if you've got a good black & white suggestion.

Best tour yet!

Schapelle

Chairman's Report - Juniors 2011

It is generally a cliché to start a season report with "oh what a season", but I truly think that 2011 will be seen as one of the Club's most significant in our recent history. Not only did we have success on the paddock, but we made some key decisions and changes that not only affected our own Club, but also had implications for the structure of junior rugby within the Sydney metropolitan area.

At the beginning of the year, before a ball was kicked in anger, the Juniors' committee undertook to address the issue of our district affiliation – which had been put forward for discussion over a number of years by recent committees. The issue was fairly simple – we were looking for more equitable opportunities for our players to participate in representative sides. Gordon District had grown so large that it represented 25% of all juniors playing rugby in the Sydney Metropolitan area – Thus by sheer weight of numbers it was difficult for any club within the district to get a fair share of the small number of Rep spots available.

After an extensive consultation process it was decided to move our affiliation to the Norths Junior District, with Mosman, Drummoyne and Norths. The basis of the decision was to get more opportunities in Rep rugby for our players, and we felt that Norths could become a very strong and competitive district with our inclusion. The change in the juniors landscape after our move meant that Gordon Districts numbers fell back to below 20% of all players and Norths moved up to around 13% of total numbers. We would be judged on this decision come the State Championships in June.

The other big decision for 2011 was our commitment to get behind the fledgling Inner West Minis competition and help to expand the junior rugby footprint into the Inner West. We committed one team in each age group (U6-U9) to add some weight of numbers and then (as there are no formal "competitions" at this age) rotated our teams between the Gordon-Norths minis and the Inner West

minis. From all reports our teams really enjoyed the chance to play teams they normally wouldn't play and it certainly enhanced the experience for our minis players and their families.

So into the season we went. Our numbers looked strong once again, as registrations rolled in and with the implementation of the new ARU pathway program – we actually saw a rise in total numbers of teams we would field in 2011. In the end we had 14 minis teams and 18 competition teams donning the "Black and White". With the usual preparation of another successful pre-season camp at a very wet Narrabeen Sports centre, a huge Gala day at Boronia and the always popular Season launch at the Hunters Hill Club – we were ready for some rugby.

As far as the competition teams went we had a fantastic year with 16 of 18 teams making it into semi-finals – 13 of which were competing in the major or CUP finals series. Five of these teams also took out the minor premiership (U10D, U11E, U12A, U13C Red, U13E). From the semi finals series we had three teams compete in the Plate Grand Finals, two of which won (U10A and U14B) and six teams made the Cup Grand Finals, with the U11E and U13E teams taking out premierships for 2011. Congratulations to these and all teams for a fine season. Boronia Park was again host to Grand Finals this season and many thanks to all that contributed to making it a successful day.

2011 also saw the second year of the Joeys relationship in the U13 and U14 age groups – needless to say both the club and the school learnt a lot from the initial year and I am pleased to say that this season saw the relationship blossom into what we know it can be. The highlight was a clash between the U13 Red and U13 White teams on Joeys No.1 Oval in the last round, which was a fight for the minor premiership.

The other main part of the season for the club was the Representative program – as a transition between Gordon and Norths it was agreed that the U16's would stay with Gordon to play out their last year and the rest of the age groups would move to Norths immediately. I am pleased to say that our decision paid benefits immediately as 82 of our players were selected in various Rep teams in 2011. This is a massive jump in numbers to last year and part justification of the decision to move. The other factor was obviously would we now become cannon fodder or would we compete?

The answer to this was beyond our expectations. Norths sides made the Grand Final of the State Championships in the U11's, U12's and U15's (whom won State Champs), while our U13's side was undefeated yet still missed out on semis due to the draw. And the Gordon U16's side, which was dominated by Hunters Hill lads, also played in the Grand Final and won the State Champs. So Hunters Hill had 4 teams play in State Championships Grand Finals and another side undefeated, which is surely sweet justification for the move. I'd like to thank the Norths District folks for their warm welcome and look forward to building on this massive start to our relationship.

Rounding off the season was a pleasing Referee course which saw 42 attendees from our club – 6 of these going on to referee some minis games before the season completed. It is great to see so many of our club looking to get involved and give back to the game. I look forward to their progress next season.

None of this could be achieved without the support of a wonderful committee whom are keen and dedicated towards the Club and bettering the rugby experience for all. I thank each and every one of them for their efforts this season. Equally our canteen girls that keep the club fed and watered during the year, under the guidance of Bonnie and Kylie also need congratulating on their efforts.

Lastly the assistance given to us by Hunters Hill Council, Mayor Sue Hoopmann and the grounds staff at Boronia Park has been excellent and we are always in their debt for aiding us in our endeavours each season.

MINIS REPORT 2011

GORDON / NORTHS MINIS

The Hunters Hill Rugby Minis in 2011 had 14 teams, playing both in the Gordon and Inner West Competitions. For the Gordon competition we had 10 teams rotating through the competition to play 16 rounds together with a couple of gala days at grounds between Hornsby and Balmoral.

Training and games were played a fantastic positive spirit which we hope will ensure that Hunters Hill Minis continue to grow with phenomenal support and player retention to feed the older grades and onwards to club, school and following.

The boys, and girls, have continued to develop and learn as well as have fun and make friends this season. School group friends were consolidated and outside school friends created. Sportsmanship was learned win lose or draw and the teamwork support, activity and discipline from training and playing is noticeable both on the field and at home.

The already high standard of coaching and managing has obviously improved over the year due to the positive attitude of the coaches and managers as well as due to the support from the club and ARU including the Kids Pathways coaching initiative particularly the week-by-week coaching support for U6's. A big thank you to all of the coaches, managers but also the club for guidance and assistance.

Also thank you, to all of the parents and friends for your continuing enthusiastic support week in and week out, without whom the club would not exist and continue to flourish as it has and continues to do.

I would also like to thank on behalf of the coaches and parents, the players and supporters whom undertook referee training during the year and toward the end of the season officiated games. I am reliably informed that your help was greatly appreciated and hope that you are able to carry on into 2012.

INNER WEST MINIS

An indication of the high regard our club is held in, we were asked by NSW Rugby to attend a meeting to look at the feasibility of the setting up of a mini rugby competition (U6 to U9) to service Sydney's Inner West. Myself and fellow committee member Ian Kellaway accepted an invite to attend. No one in Sydney Junior circles more knowledgeable when it comes to minis rugby and its administration than Kell. It was clear from the outset that junior clubs in Sydney's Inner West were struggling, much of that to do with access to a local competition for younger players. At the end of the meeting it was also clear that without Hunters Hill teams, the viability of the competition was questionable. We gave an undertaking to the meeting that we would look at supporting the competition in some way but indicated our club would have to retain some commitment to our traditional minis competition playing other clubs in Sydney's north.

Upon being able to confirm our support with a number of teams to an Inner West Minis Competition, (IWMC) it became quickly evident that it would require more than us supplying teams to ensure it viability. The fact is that while agreement had been reached to set up a competition and a venue offered to host, there was no other plans in place. The majority of those involved were doing their best just to run their clubs and had little idea of what was required to set up and run a junior rugby competition. It was quickly recognised that unless we got involved and offered our experience and knowledge as well as Hunters Hill resources the competition would struggle to get established. Kell generously offered to chair the IWMC committee and act as its competition manager. The end result was that the IWMC was an outstanding success by any standard. The feedback from clubs and parents was exceptionally positive. Australian Rugby personal, reported back to head office that essentially IWMC had established a template for what a well run mini competition should be, admittedly from a

small base and that a solid foundation has been laid for the future growth of this competition. But most importantly, rugby as a sport is now available to kids in an area once void of playing options. Hunters Hill was widely acknowledged for its support of this initiative by both the ARU and NSW Rugby development departments. That acknowledgment is nice but HHJRUFC is a well run, well resourced and established club. For rugby and junior rugby to flourish in a competitive junior sporting environment, it will only occur if those in a position to help, do so and continue to foster the rugby brotherhood.

Andrew Skelly

Registrars Report

The club continued to flourish this year with 494 registrations at seasons end although we also had more than twenty boys that played one or two games mid season to ensure teams could be fielded during school holidays periods. We also were able to field a First XV (Opens) team this year due to the co-operation of the Seniors with eligible players from the Colts registered with the Juniors.

Hunters Hill Golden Oldies "CATS" 2011

Season opened with the traditional St Gertrude's (Patron Saint of Cats) Day in the Boronia park grandstand, with TC not remembering the words to the Ode again followed by an open air cinema showing the Blue Brothers along with some refreshments, the usual 17 Cats appeared to lick the saucer and re-live the classic review moments of the movie as performed by SHREK and Clem. Talk soon moved to the discussion regarding a permanent memorial at Boronia Park for Hunters Hill players who have passed on. This was motioned by SHREK at the 2008 AGM, the subject was quickly changed to how many tries SHREK has scored and both accounts there is still a duck egg.

The second Cat event for the year was the Love To Have a Beer with Darkie day at the 1st home match of the season, which was good to see many more than the usual 17 Cats turn out for such a momentous occasion. Darkie's Life Membership jacket was presented and everyone - except Decca was on hand to have their photo taken wearing the prized possession.

CAT's management meetings consisted of the perennial agenda items Eastwood Charcoals Day, Lovedale, CATS v Dads match at Back to Boronia Day, Fundraising and the End of Season Tour to Thongeville.

Thank you to the 17 CATS that did turn out to these events, although Eastwood was a washout and the rescheduled date was just not the same, the 17 plus players that took the field against the Dads put up a spirited performance with Mrs Bin and Angry keeping the port flowing at half time. Well done also to the CATS on keeping SHREK's try scoring record intact.

The fundraising efforts were mainly under the table and benefactors would like to remain anonymous, and the End of season tour to Thongeville to participate in the Peter Wincote Memorial Bowls Day at Rathmines Bowling Club was the best ever and those who weren't there should tour next year to find out. Bairdy was voted CatTourist of the Year for not smashing Millard.

The AGM was reduced to high farce yet again with the much anticipated challenge by the Imbecile Party led by Millard SHREK and JG failing to eventuate. SHREK was rejected by his gall bladder which asked to have him removed and the rest of the Pestcateers were also absent being henpecked and hung-over.

TC again stood as the most high Dalai Laney but relinquished some of his administrative duties to Darkie who will be the CATS representative at HHRUFC for 2012.

The CATS would also like to thank Michael Kellaway on the excellent Beyond Blue awareness and Blue Boots Day, the CATS were glad to support Michael and the Colts with his initiative and drive, which was a very successful day.

We would like to welcome the new CATS into the playing roster this year, Garrett Bourke, Ben Smith, Will Wassell, Jesse Croucher, we look forward to seeing you on and off the field as a CAT in 2012.

Going forward, the Dads are getting more involved and next year we hope for an integrated season and it'll be good if more than 17 Cats make it to events, even the widening of the Iron Cove bridge didn't seem to bring many of the Balmain pussies along although Roscoe and Who Wray were spotted at the odd event at Boronia this year. Perhaps the draw of Division 1 and the likes of Colleagues, St Pats, Drummoyne and Mosman as opposition will bring a few more old Cats back to Boronia to relive the good old days.

THE ARCHIVE COMMITTEE

Back Row: BRUCE LYCETT, ALLAN SOUTHCOMBE, JOHN HIBBERT.

Front Row: TERRY LAUNDRY, BRIAN ROBERTSON, RON WHITE.

The Archive Committee (TAC) continued its work to faithfully capture the Club's rich history.

The Committee, comprised of Bruce Lycett, Terry Laundry, Ron White, John Hibbert, Colin Laundry, Allan Southcombe and myself, met weekly during the season.

Our activity during 2011 has been to progressively identify and sort the large amount of hardcopy material passed to us. This includes newspaper cuttings, magazines, previous Club records including Minutes and match reports, player statistics and earlier photos not previously held.

We also commenced research into the Club's formative years and to capture match results from that period. Our search has identified our earliest reference to date to the Club in the Sydney Morning Herald dated 27 May 1892, which reported a match between St Ignatius' College F.C and Hunters Hill F.C. The match was played under Rugby Rules at Riverview on Queen's Birthday – hence the date in May not June – and resulted in " ... a win for the collegians by eight points to nil."

We also held an exhibition at Boronia Park during the season, of material focused on the 1971, 1981, 1991 and 2001 teams.

We have also completed the imaging of all known team photos for both Juniors and Seniors and have captured all the players names.

We have met with and interviewed former players, administrators and supporters to capture a visual record of the Club and its personalities and to hear from them their personal perspectives.

Our future activity will focus on continuing to capture and record the more significant hard copy material, continue with our video recordings and to research the early history for more results and other information. Our aim is to be able to make this material available to all via the Club's website, and to occasionally provide excerpts from the records which show and capture the challenges and successes the Club has faced over the years.

I want to extend my thanks to my friends on the Committee for their enthusiasm and commitment in what is a very enjoyable and satisfying activity.

Brian Robertson
Chairman - The Archive Committee 2011
