CLUB PRESIDENTS REPORT – SEASON 2013

Much can happen in a year and our Club experienced both highs and lows during 2013.

The seniors' season results were disappointing and led to the Club being relegated to Division 2 in 2014. Renny Iles' report will cover this in more detail but I believe there are lessons to be learned:

- The Club has been most successful when it has had capable, and enthusiastic Committees working as a team and with clear and defined roles
- Whilst an individual might have tremendous passion and commitment, the Club is never likely to survive an environment where other members of the Committee are not given the opportunity to develop and be involved
- Whilst Suburban Rugby is about rugby "played for the game itself", Club Committees must have strong governance as well as transparency with all processes and transactions.

To Renny and his Committee, I want to thank you for your efforts in a very hard season. I just hope it hasn't knocked the enthusiasm out of you all and that you might still feel inclined and keen to continue working with the Club in some capacity.

The juniors' on field performances were again reflective of the strong body that many people have contributed to and built over the years. Ben Gregory will report on this in detail, but we can be proud of the great results achieved and the efforts of the boys chosen in the various representative teams.

To Ben and his Committee, thank you for a job well done, and you can be proud of your efforts!

Sadly, adult, off field behavioural incidents involving members of both the seniors and juniors, tarnished the Club's reputation. The Board initiated disciplinary action against a number of people and it is something I don't want to have to face again. We are a Club with proud traditions and we are much better than that.

The Golden Oldies, or CATS as they are affectionately known, had a great year on and off the field. Playing numbers increased and the loyal band of former players continued to support the Club at games through the season. Well done to TC, Gary Lane and your Committee!

The Archive Committee, led by Terry Laundry continued to faithfully capture the Club's history, and their work will be the envy of most other Clubs. This includes the great effort Ron White puts into compiling our Club's most comprehensive Annual Report. Thank you Terry and Ron and the team.

To Peter MacFarlane and his Casino Royale organising committee, a sincere thank you for the effort put into the function held in September, at the close of the season. The organising committee had a great belief that we are one club and that it would be possible to hold a successful “whole of Club” function, with the potential - but not essential – aim of a profit that could be passed to the Board to use across future whole of Club activities. The nearly 200 people who attended (and the many players and friends who provided support and labour on the night), will all testify to the success and enjoyment factor. I hope it is the beginning of regular Club functions. Perhaps the next opportunity might be the 2014 season start?

The redevelopment and returfing of Boronia Park 3 continued and expected to be completed by the time this report is tabled. This has been an extremely challenging task for the Board and is a classic example of enthusiasm getting in the road of proper project management and funding. The Board assumed direct project management for this activity in September 2012. It was evident at that point that project documentation and funding estimates were incomplete and inadequate

The juniors have very generously donated \$60,000 to this project; double their original financial commitment. With the seniors not able to make a financial contribution, the juniors’ effort was critical to getting this project completed. The Board sincerely appreciates this gesture.

It is good for the Club to be closely involved in the development of facilities which we use and there is a proud history of us investing significantly in the of the Boronia Park complex. However, emotion and passion need to be replaced by discipline, financial rigour and good governance.

We have necessarily had a great deal of involvement with Councillors and staff at Hunters Hill Council, not only with regards to the normal season issues but also Boronia 3. The Board thanks in particular, the Mayor, Richard Quinn and General Manager Barry Smith, David Innes and Phil Sutton for their assistance and support.

We were saddened to lose during the season, two former men associated with the Club. Jack Johnson passed away in March 2013. In 1942 he played Under 10s with Hunters Hill and then played juniors from 1947 – 1951, after the war. During that period while playing juniors, he also played or was a reserve in several Kentwell Cup games when the seniors were short of players. During his time at Hunters Hill he was involved in the 1951 and 1955 Whiddon Cup premierships winning sides. In the late 1950’s he was involved with Jack Mapledoram in getting Hunters Hill rugby going again after the Club faded for a period. He coached the Under 18’s in 1968 before becoming Manager of the Whiddon Cup side in 1969. Jack recruited Peter Wood, an ex Drummoyne player, as coach. Together they worked hard to put the Senior Club back on track and were a very important factor in the 1969 Whiddon Cup, winning the Premiership.

Paul Gleeson passed away in December 2012. Paul played seniors rugby with the Club in the early 1970s and was a great Clubman and contributor off the field, as well as enjoying rugby in the lower grades.

I want to sincerely thank my Board colleagues – Andrew Rennie, Blake Walker, Michael Keating and Paul Shields – for their contribution and support during the season. In particular, Blake who has predominately managed and driven the B3 project since the Board assumed project management responsibility.

I also want to thank Gary Lane for his work as General Manager, since April 2013. Gary’s efforts – across the Club – have certainly eased the workload of the Board, particularly with areas such as Council liaison, and day-to-day contact with the B3 contractors. This part-time funded position, created by the Board, was enabled through a generous donation, for which the Board is very grateful.

Such are the dimensions of the Club and so wide the range of activities and responsibilities, both on and off the field, that the Board needs to look at options, including sponsorship at board level, to enable this position of General Manager to continue.

To our Club Patrons – The Hon. Joe Hockey MP, the Hon. Anthony Roberts MP and Gordon Bray – we appreciate your support and hope that we can continue our association and engagement with you.

To our Sponsors for both seniors and juniors, we sincerely appreciate your contributions, which are vital to an essentially amateur Club. We hope that the association has been of benefit to your businesses.

Hunters Hill “Mostyn & Kellaway Shields” - Eligibility

The “Andrew Mostyn” Shield is awarded to the best performing, competitive team in the regular season of the junior AND senior clubs combined.

The “Ian Kellaway” Shield is awarded to the best performing, competitive team in the regular season in the junior club.

Teams eligible to participate in the Shields are teams registered with the Hunters Hill Rugby Union Football Club or Hunters Hill Junior Rugby Union Football Club involved in any full season, outdoor winter rugby competition administered by NSW Subbies or SJRU. (ie for juniors only includes from U10 and above)

Teams are eligible to only win one shield each season – ie the team that wins the “Andrew Mostyn” shield becomes ineligible for the “Ian Kellaway” and it shall be awarded to the next qualified team.

Hunters Hill “Club Shields” - Criteria

1. The Shield is awarded to the team which finishes the highest in its division during the regular season ie. before commencement of play-off rounds.

2. In the event that two or more teams finish in the same highest position eg. first, the winner is the team that earns the maximum percentage of competition (win/draw) points which are available to them during the regular season. Note: this excludes any bonus point system.

The maximum points available may vary depending on the number of teams in the competition draw therefore a review of the competition size is required to ensure that maximum points available from actual matches played ie. excluding byes, are the only ones included. (eg a team playing in a 6 team competition may play more games than a team in an 8 team competition providing the team with a greater opportunity to gain more total points). The calculation will be the number of wins (of games actually played) divided by the number of games played. Draws shall count as ½ of a win. This should be calculated as a percentage of the total points available calculated to 2 decimal places.

3. In the case where two or more teams obtain the same percentage of maximum points available the winner will be determined by:

a) The team with the highest points ratio (points for divided by points against); and if still equal

b) The team with the highest points differential from games played (points for minus points against) and if still equal

c) If still equal then - Declare the relevant team’s joint winners of Shield.

Chairman's Report - Juniors 2013

There is no doubt that the 2013 has been the **BEST YEAR ON RECORD** by the junior club, achieving remarkable success on the paddock plus making further developments off the field to secure a bright future for the club.

On the field we saw such success that made us the top junior club in the Sydney Metropolitan area. The club had EIGHT team competing in Grand Finals, which is a club record, and on this basis alone 2013 will be remembered as a stellar year for the juniors. To further put this achievement Into context, we only had 17 competition teams this season - so almost 50% of our teams made it to the decider, a fantastic achievement. Our previous best was six teams making it into Grand Finals back in 2009.

But as the good people at Demtel will tell you - "but wait there's more". The club managed to secure a whopping **SIX** Premierships on the day, a magnificent achievement by anyone's reckoning.

Grand Final day started with our U11A's taking a spirited 12-5 victory over their much larger Western Raptors opponents.

Then it was the all Hunters Hill clash where the Cerise (Joeys) team was taking on the Whites. A 19-15 win in the semi-final had the Cerise team as slight favourites going in, but it was anyone's game and finished a 17 all draw despite a late effort by the whites to steal the win.

The U13A's played a large and skilled team from Blacktown, but eventually ran away with the game 34-10. This was immediately followed by the U14A's whom had a game on their hands with a spirited Clovelly side. They too took a win 31-12 to make it consecutive victories for this team.

The U11D side was way out at Blacktown and meeting a Hornsby side that had troubled them in the past. But a 17-5 win on the big day saw them finish the season as Premiers.

The U15 Whites had to face a Mosman side which had a couple of fringe A grade players back in their team following their A grade sides demise (care of Hunters Hill mind you). And this proved to be the difference as their winger scored a treble to snatch the victory from our boys 41-12, a hard day at the office for the lads.

The last team to play was our U15A's and they met the old foe in Chatswood in a repeat of last year's Grand Final. Despite going to an early lead and looking the dominant team for most of the match, a couple of defensive lapses saw the Hunters Hill boys go down fighting to lose 17-14. The boys can be proud of a great year and they can hold their heads high.

But as we know the club is not only about these teams that achieved Grand Final success - A number of teams made it to semi finals and Plate finals, with our U14C Whites winning their Plate Grand Final.

Another highlight was the U16 Barbarian team that saw a number of our Hunters Hill boys join with

lads from Mosman, Drummoyne and Lane Cove to form a joint venture team. This team had a very enjoyable season and only missed the semi-finals on for and against points.

Our minis had a good year transitioning between the Inner West Minis and the Gordon / Norths minis competitions. The U8 and U9 teams both attended a couple of gala days and one off matches and performed well, before culminating with the annual Dufficy Cup at Boronia Park for our U9's.

But this season saw some new additions to the club with the Ladies 7's touch rugby competition beginning. We had six teams consisting of a mixture girls and ladies from all ages playing a competition on Monday nights which spanned the entire season. For the record the Pink team were the inaugural winners. defeating the Green team in the final. Many thanks must go the Greg Wyatt-Spratt for his efforts in helping this fledgling competition find its legs.

At the end of the season we selected an U13 Rep side to play an invitational against the girls from Mosman. The evening saw us play against two Mosman teams for a win and a loss. All involved enjoyed the night and it will become an annual event.

The club also took out the inaugural Norths Junior District Club Championship in its first year which is another reflection on the strength of our season as a club. Competition Points accumulated were multiplied by a "grade" factor (A grade = 2.0, B grade = 1.8 etc) and then divided by the number of competing teams. Thus every teams results are important in assisting a club victory in the club championship.

On the Representative front we again saw Hunters Hill dominant in team selections for the Norths Rep teams. And these teams performed admirably at the State Championships with the U11 and U12 teams both making the quarter finals, our U13's made the final of the tournament only to go down narrowly to Illawarra in the final. The U14's went all the way and won the State Championships over Randwick in the final. Our U15's were undefeated but failed to progress past the semi-finals having a 10-10 draw with eventual winners Gordon, but didn't progress on tries. The U16's had a harder year and missed out on a finals appearance.

From this carnival we saw a large number of our U14 and U15 lads make it through to the next level of Rep rugby. Seven of our U14's made it through to the Sydney Rep team to play against Country (listed below) whilst another two lads were in shadow squad or withdrew. In the U15's we saw ten of our lads make it through to selection in one of the regional rep teams (listed below), with six of these lads

making it through from there to represent Sydney vs Country. From this game they then selected a NSW team of which four Hunters Hill U15 lads made the team. Well done to all these lads.

The club saw a number of age groups take tours to such places as Hong Kong, Italy, Bowral and Canberra this season. The two overseas tours saw Hunters Hill defeat an Italian selection side and the U13's tour of Hong Kong saw our lads take on a side of U15-U18 year olds and win in style. All tours were extremely enjoyable and a great success. We hope to see more of our age groups take to touring in the years to come.

On the social front we saw good attendance from the juniors to the James Bond themed all club function. Many new faces appeared for the Dad's Army team which took on the Cats in the annual clash that marked its fifth year this season. And the roll up at the Grand Final victory party and presentation day shows the club is well patronized.

All this stuff couldn't happen without the support of our wonderful sponsors. I would like to once again thank McGrath (John Paranchi and Tracey Dixon), Ord Minnet (Tim Gunning), Hunters Hill Clun (Steve Hannan), Advanced Audio Visuals (Frank Crotti), FDC (David Sanders), Jaycar (Gary Johnston) and East West Physio (Simon Hockings) for all their support this year. Your contributions to this club are amazing and a vital part of what we do within the club and the community. We are extremely grateful.

Lastly I need to thank the 2013 committee and age coordinators whom made this season such a success. Without the hard work by these unpaid volunteers we would not have the club in the position that it currently stands. Many of these people have given a number of years of service and to those that find themselves at the end of their "tour of duty" I would like to say thanks on behalf of everyone involved in the club.

Till next year - Over Black!

Chairman's Report - Seniors 2013

2013 was a tough year for Hunters Hill rugby. Tough on its players, tough on its supporters and tough on its committee. With high hopes we started the year planning on a high table finish, but by the halfway mark of the season, we were all hoping the season would end and the injuries stop. Oval 3 continued to inch ahead and any thoughts of playing on it this season were quickly dashed. What did emerge was a mentality of us against the world and the club did slowly band together with players sticking the season out till the end, supporting their mates and finding and rekindling friendships both on and off the field. I think that this is the highlight and what we have to take away from the season, rather than remembering some of the scars caused by the opposition. I thank all the guys who stuck it out training twice each week and backing up across grades as these are the true heroes of the club and the people the club should be based around.

The committee this year was always going to be difficult following on from the successful recent seasons. Losing 2 members prior to the season starting created a big vacancy that all did their best to fill. I wish to thank Tim Forsyth who handled the paperwork side of things efficiently and made the communication between our clubs clear and concise. Tim Verto backed up again as registrar bringing the flair only he can produce. Jordan was a capable deputy and did a lot of work behind the scenes in both a motivation and mediation role. Drafted in to help Michael Keating was an inspired choice as our representative to the board and brought a new level of professionalism. The biggest single help to me personally was when Max assumed the role of treasurer and more than capably fulfilled the role. For years I have been singling Max out for his on field performances, not always in a positive light, but I can not speak high enough of the effort he put into his work and the professionalism he added to the committee lifting all of our standard to try to match his.

Connal was nominated into the Club Captain role, a role he relished. He was great assistance in the club management contributing both time and contacts, whilst his ability to increase morale and promote a healthy party atmosphere was refreshing and added to the clubs culture and morale. His fist pumping with excitement as he nominated people at speeches still makes me laugh.

Our other committee members, Mark Thornton, Tony Lagan, Garrett Bourke, Nick (Gak) Giacomini, Jules Arndt and Richie Colley all assisted where required and their efforts made a difference.

Finally our Club coach and general committee member Steve Turner. He did the job of general coaching and club committee and whether it was the repeated phone calls, the grand ideas, the left field recruitments or simply cleaning the sheds, Steve was a massive asset to the club and the club would have been much worse off without him. I thank him for all of his efforts this year and wish him well on his next endeavour. His contribution will be missed.

First grade was a tough proposition for the players with the level of competition becoming more professional every year. I must congratulate all players who achieved the honour of playing in the first grade teams, the experience will serve you well in the future. Those players who stuck it out week to week, deserve special praise as nobody ever wants to turn up knowing they're going to get smashed. A massive thank you goes to all the coaches who helped after our mid season upheaval, with special mention of Alan Southcombe, Phil Shaw, Russ Kershler and Richie Colley. With around 12,000 club games between them, these guys stepped in when requested, and Richie and Russ, thanks for sticking around for the whole season. I know the guys appreciated your efforts more than you know.

Second grade started full of potential, but with a very high player drain due to injuries, holidays or just dodgy cars, their work was always going to be cut out for them. Their second round victory against Campbelltown played down at Whoop Whoop park holds a special place in my memory for the heart and skill displayed to beat a much better opposition.

Thirds had their moments and started to look like an old peoples home with many club stalwarts starting each week. Whilst 4th grade became something of a revelation with a young exciting backline complementing the old Trojans of the pack. 5th grade had their moments, but eventually ended up running out of players.

One team that did bond well together was the colts. Although it took them a while to realise it, all of the guys are good mates and play rugby for the love of the game, and the beers afterwards. I must congratulate their coaches, firstly Kelly, then Chris and Al, for generating the pride and togetherness these guys have shown throughout the seas, whether it is on the field, or off it at places, like the bowling green, the blue house or simply the chanting at the presentation night. Some of these guys tasted higher grades this year, and every player there is more than capable of playing at that higher level. I look forward to watching these guys in the years to come competing at finals time in the first grade.

The true spirit of a club is shown though the people who volunteer and do the little things that most people don't see. That is the reason that this club is a great club as a lot of people do things behind the scenes or so regularly you don't recognise them. Without wanting to name names, I wish to thank all those people who volunteered time to help set up or pack up the ground, remove the goal posts at the end of the season, clean up either our oval or the oppositions at the end of the day, brought a mate along to play, or simply sat by and backed up for other grades. Clubs are not about serving your own interests but supporting a community. To those that didn't help, I'm sure it was because you were shy and will get more involved next year.

Special mention must be made of a few people whose contributions this year went beyond the norm. Firstly, thanks to the WAGS. Their effort this year has been tremendous. From organising the bake sales which were the highlight of the canteen each week, to selling the merchandising, to organising the presentation night, forming their own touch footy team, to just generally being supportive, the wives and girlfriends this year made an exceptional contribution. As always the Cats greatly assisted the club, whether it is by coaching, supporting, financing or simply being there, their assistance is appreciated. The board has also done a lot of work behind the scenes, firstly taking over Oval 3 and keeping that running, as well as working through whole club issues. Whilst this year has realised only little gains from their actions, the items set up will reap rewards in the future with things like club wide sponsorships, regulated accounts and even just council liaison all benefiting the players. Congratulations again must go to the juniors for another successful season. The depth of the junior club continues to astound and the results are incredibly impressive. The Juniors committee this year also made things easy with open lines of communication and a good sharing of resources. All clubs need their sponsors, this year more than most, and I wish to personally thank all the people and organisations who contributed funds to the club. Finally I wish to thank my long suffering wife for putting up with a grumpy part time husband this year.

This club is a great club and the morale, despite the results is as strong as ever. In the future 2013 will be seen as a hiccup in the clubs progress, and will serve as reminder that whilst on field performance is great, friendships and memories are also generated by the off field moments, and it is through these the culture and history is kept alive.

Vice Chairman's Report - Seniors 2013

While not particularly a season to wish to remember, season 2013 is a season that needs to be remembered for a long time by the entire club. Lessons should have been learnt this year and if they are not taken on board, the whole year will not just have been disappointing results wise but it will have been a waste of time as well. I'll get the issues out of the way first and then speak about the positives.

Several issues became apparent this year, starting from the AGM held last year. The fact that the entire board was appointed unopposed really showed the lack of commitment that exists in some parts of the club. The fact that three of the five member executive were 25 or under when elected, and that all five of the elective were playing members had repercussions throughout the season.

We cannot continue to expect playing members of the club to provide all the board positions, game-day becomes chaotic if the wrong person has a game at the wrong time, and situations are often poorly handled as people attempt to get ready for their match. Fees, registrations and gear all suffer due to inattention or other priorities. It took the intervention of the WAGS and particularly Maree Gadd this year to get the gear situation moving again, while registration and fees again became a massive concern for the board due to club member's reticence to pay, which seems to have been an annual problem for the entire time I have been at the club.

Another issue to plague the club in 2013 was the topic of communication, ranging from a lack of through to serial white-anting and improper use of language. This was not restricted to one area of the club or even on one topic, but was continual and got worse as the season wore on. There won't be any mention of names but the poison that is politics off the field, only hurts on-field results and demeanour. The club as a whole really needs to start embracing a more positive attitude to its members, and deal with personal issues personally.

On a positive note, this year saw the emergence of some players that we can build our future around. From the talented (such as Jake H & Alex B) through the hardheads (Dom B, Mitch K and Kenny R) to the "I can't believe he just hit him that hard" (Taukiri), we need to keep these players around the club and put in place a coaching program that will help them improve. Andy J, Bally, Luke M and Alex L all proved they are eternally young, while Simon H finally put together an injury free season, became a regular second grader and even found himself in firsts. The effort on the field from all our players means we can approach next year with a degree of optimism, as the above and so many others showed they had the balls to stick a hard season out.

Thanks must go to both Renny and Connal, who both put a lot of effort and money into the club this year, to Russell and Richie for accepting the pressure of taking over a losing first grade team, to Max, Maree and Mark for stepping up to the plate when others failed and to the WAGS who put up with us all season long.

Secretary's Report – Seniors 2013

The 2013 Season will be remembered for the lessons learnt from the harsh realities of Division One Suburban rugby. Our results this year, while not pretty, will long serve as a reminder of the preparation and professionalism that must accompany any stint in Kentwell. To make a mark against the usual powerhouses of subbies rugby and strongly backed newcomers, the club as a whole must band together: Week-in, week-out, at trainings and on Saturdays, an ethic of preparation and, ultimately, hard work must saturate the club if it wishes to succeed along with subbies' best.

2013 saw a change of the guard at Hunters – a new committee, new blood in 1st grade and new coaching staff. Being thrown into the caldron of an increasingly professional competition was never going to be easy, and while there were some positives to be had from the season, we ultimately fell well short of our goals and expectations.

Nonetheless, the year provides the opportunity for the club to regroup and learn from the realities and mistakes of division one. Over the coming years, I have no doubt in my mind that Hunters will return to the top league, more prepared than ever, and mix it with the best once again.

Over the season, countless individuals devoted their time and efforts to ensuring the smooth running of the club. The Executive Committee: Renny, Jordan, Max and Timmy must be thanked for the countless hours devoted behind the scenes in organizing everything from jerseys and referees, to sponsorship and trophies. Under tough circumstances, these gents put in their all, and their work has not gone unnoticed.

To all those who put in a huge effort: Rosie, Bally, Steve Turner, WAGS, managers and coaches, Tony Lagan (great ladies day), Juls, Gak, Groveys, Morty and Richie. This club wouldn't run with out you guys, and I thank you enormously for your efforts.

2014 will need fresh faces both on the pitch and off the pitch. Start recruiting your mates and start helping prepare for our 2014 campaign. I hope to see more and more of you putting up your hands to get stuck in and make this club even better in the future.

While a tough season, I am very optimistic about what the future holds for Hunters Hill – if preso night was anything to go by, the spirit of Hillies is still alive and well, and I'm sure 2014 will be a year to remember.

Bring on 2014.

Club Coaches Report – Seniors 2013

2013 was indeed a difficult year for Hunters Hill Rugby, both on and off the field. There have been a variety of discussions and meetings since seasons end and it has become clear that off the field a number of habits, attitudes, processes, 'conventions' and 'systems' need to be purged and/or modified if this Club is going to move forward.

Following Rod Salmon's successful committees was always going to be difficult, but it must be said that as a management group we could have performed a lot better.

I believe that the players gave more than should have been expected from them in 2013, under what were very difficult circumstances. We lost many more players than we were able to recruit and inevitably found ourselves under immediate pressure. To every one of you guys that played, week in and week out, thank you. You see what sort of fabric people are made from when adversity presents itself and the players can be proud of displaying such great character. You are the kind of people that our Club needs.

It was regrettable that Mike Andress and the Club parted company with us early on. His contribution was very much appreciated. A really decent bloke, we wish him well for the future.

Mike brought some very well prepared plans and structures to our Club and it was regrettable that as a coaching group we failed to accept these and apply them. We retreated to familiar positions and hoped for better outcomes, which of course did not materialise. There was a general resistance to preparation and planning and this was evident at training sessions and on game day.

The Club now needs to create a Coaching environment which will attract players. In the first instance I believe this can be achieved through the appointment of an experienced and qualified Head Coach.

Russ and Richie should be commended for stepping into a very difficult environment, creating an excellent atmosphere and building good relationships. They also committed themselves to both nights training, as did Gary Henwood. Gary took on the Tuesday night sessions after Mike's departure, with a focus on conditioning. Alistair Power also needs to be mentioned, having absorbed a coaching role with Colts at very short notice and displaying an aptitude which will carry him forward.

Thank you to the other coaches for investing your time during the season.

There will be significant changes for 2014, and there will be some pain associated with this. It is however necessary in the context of this Club's proud history and the imminent celebrations that will accompany the 2017 season.

I look forward to these changes and to Hunters Hill resuming it's rightful place as one of Subbies most respected Clubs.

1st Grade Kentwell Cup Report 2013

Well the season has finally finished, thank heavens for that. To say it was difficult would have to be the understatement of a life time.

The Club at the start of the season were under prepared, under skilled, unfit, undermanned and with an overall club attitude that left a lot to be desired.

It was a pleasure to be involved with the all the players in the Kentwell side as their courage, determination, and a never give up attitude never ceased to amaze me. There were times they could have just dropped their heads and throw in the towel but to their credit this never happened no matter what the situation or score was. The fact that nobody dropped their bundle is a credit to every player involved.

One of the real plus from the season was the number of young players that got the opportunity to play Kentwell Cup, this experience will be of great benefit to them and to the club for years to come. Thanks to every player that played Kentwell either as a regular or as replacement, to Gary Henwood, Andy Harvey and Mark Jones your support through the season was way above what was required to the stage that you sacrificed the strength of your team to ensure that we got the best on the field in Kentwell.

To Richie and Gout thanks, without you two I may have jumped off a cliff but you both managed to keep me sane also thanks to Alan Southcombe for your help through the year which was invaluable.

Going forward the club from top to bottom needs to have a good hard look at itself and have a major shakeup in regard to both on field and off field attitude, as if it continues next season we are in for another tough year. Things like attending training 2 nights a week, standing by as a replacement for the next grade, paying fees, side line comments especially towards the Ref's and even our own players, just to name a few, need to be addressed.

Finally, thanks again to all the players involved with Kentwell this year, you showed the type of courage and spirit that is needed going forward.

2nd Grade Burke Cup Report 2013

When people talk about successful teams/club they often mention things like that had good skills, they are fit or the very parochial may say they were lucky. Rarely do they talk about the attitude or culture within the team or club.

Without wanting to upset anyone the fact remains that our attitude at the beginning of the season was not where it needed to be. We started on the back foot and remained at the back of the competition. Yes there were times when injuries and players not being available certainly affected the side and there was never a week whereby the side picked had any resemblance to the one that took the field on Saturday. So was 2nd grade season a total disaster, answer no.

Whilst the scores do not reflect it the side came together over the last 7 weeks of the season and in particular the last 5 games whereby we played the top 5 sides in Burke Cup. Every game was a contest and there was a developing camaraderie within the team that was terrific.

Some of the unhappiest teams have been winning teams but the happiest have been teams that bust a gut for one another so at the end of the day they can look at each other in the eye knowing that they had done their best. That was 2's by seasons end. To be involved with blokes like that is very humbling and the three of us say thank you to all involved.

Where do 2's go from here? Well we need to bottle what we had over the last 7 weeks and build on it. We need to support the young blokes that came into the team as second year in is always harder. In saying that blokes like Luke Mattar, Joel Firth, Andy Johnson, Laki Harvey and club captain Connal Harvey "veterans" who provided such good on field leadership will hopefully be on hand to further assist in the develop of those younger players.

Colts Barbour Cup Report 2013

In perhaps one of the most difficult years in the Hunters Hills Rugby Clubs existence, we have endured a season bereft of success, yet I am pleased that we witnessed the platform for our success in the future.

The numbers do not relay the spirit and class that our colts of 2013 possesses.

Starting our year well with wins in our trial matches with class and power, ably led by our seniors in their final year of Colts. The young team, being captained by Tim Forsyth, who all year led from the front and helped mentor and lead a pack far out weighed in the contest up front, yet with superior technique and will, not just beat, but dominated most packs they competed against. Our backs showed glimpses of class, speed and skill that will develop further into the future. Leading our backs, 1st XV regular Pat Simpson.

Our season started well, with a 32-12 win over Campbelltown, where the backs really showed the finishing class required. Standing out in that performance were Christian Zizza, Jesse Rosenberg and Viraj Fernandez, showing exceptional speed and power, something that was to become a regular occurrence for the full year, as was the persistence and mobility of our forward pack.

Strong running and brutal defence by our locks Mitch Dixon, Arthur Simpson and a powerful leaders effort from our captain Tim Forsyth.

Leading into the second game and second win of the year, 19-12 against Beecroft, it was within this game that we were to start to feel the impact of injuries to key personnel. Yet the score line does not show how this game was won, on the bell, through persistence and the never say die attitude.

This game showcased the exceptional scrummaging and mobility of the forward pack.

Our loose forwards Harrison Smith and Hugh Sterndale-Smith were exemplary in defence against the mobile outside backs of Beecroft showing how to cut down the larger and more physically imposing centres that Beecroft possessed.

Taking a small lead into half time, our Black and white Hoops gave the lead up with just a few minutes left on the clock.

With master coach Chris Groves delivering an inspiring spray, the Colts kicked it deep into the Beecroft red zone, then applying pressure, turned the ball over and turned the game into a last gasp try to take the win. Perhaps one of the most entertaining games across all the grades this year.

This win however came at a cost, with injuries starting to plague our team and outside backs.

During the remaining part of the season, there were still so many positives that were shown to all players, members and fans of the Hunters Hill Rugby Club.

Our forward pack were dominating larger, far more imposing scrums. They were faster to the breakdowns, scrummaging as a perfect 8. These young men were mentored well by our senior colts in their final year. Tim Forsyth and Louis Masciantonio turned these young men into a fearsome machine. This was easily highlighted by the game against Knox in their own back yard. Our lock Mitchell Dixon, showed that few were in his class in the line out and in the secondary defensive. This game against the competition front runners and eventual winners of the Barbour Cup. Almost taking it on himself, Louis Masciantonio scored twice to almost steal a victory for the hoops but late tries to Knox took the respectability from the score.

Another game of note has to be Mosman at Mosman.

The young Backs were beginning to click, and they started with a confidence and showed immense speed and strength, Oliver Pocock and the emergence of Dom Bullock, 2 whom will make their marks in the future.

This game they refused to concede, with the lead changing multiple times, came down to the bell. Alas it was not to be with the ball not going to hand on the Mosman goal line as the final whistle went.

Under lights the young men in the Black and White hoops of Hunters Hill, faced off against a team from across the ditch, the Wanganui Colligate First XV. This was a tight affair, closely won 5-3 by our colts. The young men stood proudly against the formidable team haka of Wanganui. This game was physical and hard fought. Won up front by our young forwards, finished by our flying backs. That

game, and the memories from it will carry with those whom played, forever. It was a special and rare opportunity.

The last game to highlight would have to be the 7's match against Balmain.

Proudly supporting Beyond Blue and with all the hard work of organizing this by Michael Kellaway. The young Hunters Hill Colts took a commanding lead and ran out eventual winners 19 - 14. Exceptional speed and skill were shown, with Alex Beasley, Kenny Rapea, Mitchell Dixon, Eddy Conly, Louis Masciantonio, Dawson Jones showing tremendous spirit and class.

This has been a tough year for these young men, but they can hold their heads up high. Always the best numbers to training, particularly when the going gets tough and the clubs results not going our way. They worked hard off the field, yet regrettably were not rewarded with the results upon it. It was no wonder that they dominated in the end of year awards.

Kenny Rapea - Most improved forward

Harrison Smith - Players player

Alex Beasley - Most points in the season

Jake Henwood and Mitch Kenny Club recognition awards as well.

Congratulations to those young men whom had the privilege to play for the Hunters Hill First XV (and long may they do so) - Alex Beasley, Jake Henwood, Mitch Kenny, Pat Simpson, Tim Forsyth (c)(pictured).

Finally Thankyou. Thankyou to all the young men whom pulled on the black and White hoops for us this year in the Hunters Hill Colts 2013.

The biggest thanks of all has to go to Chris Groves. He worked tirelessly behind the scenes, he forged a formidable pack. Its a tough ask organizing so many and playing at the same time. Your service to the club has been immense. Thanks also to Gary.

And lastly to our departing senior colts.

Jason Kim, Dawson Jones, Louis Masciantonio, Pat Simpson (1st XV), Tim Forsyth (c) (1st XV)

You are amazing young men, great mentors and students of the game. Thankyou for all your efforts and I look forward to watching you in grade in the future.

Alistair

A monster thanks also has to Al 'Spartacus' Power for firstly his top shelf managerial work, followed by him stepping up to coaching part way through the year when we needed it most. Can't thank you enough mate.

3rd Grade Whiddon Cup Report 2013

The Whiddon Cup for Hunters Hill 2013 was a tough year.

The top four broke away from the pack very early and the task proved too big to catch those teams. The first game was a good win against Campbelltown 24 – 0, but we would struggle to keep this going in the first round with only three wins.

The first round can be remembered for the torrential rain against Knox, on oval number 2, when it poured and poured for the entire first half. The close win 20-19 against St.Pats at home was fantastic for the team and again against Mosman (22-12) the guys were rewarded for their work.

The second round saw third grade and the club really having to work hard to compete. We only recorded two wins against Beecroft (14-5) and again against St.Pats (17-14) for our only away win. Hunters Hill Rugby stats guru Ronnie White tells me that it's been 30 years since 3rd grade beat St.Pats twice in a season, an achievement for this group to be proud of.

The team never dropped their heads in any game and continued to work at training until the season was over.

The leadership on and off the field by Alex Light saw him rewarded with the Players Player and best and fairest awards. Many thanks to him for all he gave to the team and the coaches.

Much help came from the coaches in fourths and fifths, Andy Ball, Tony Lagan and Tony Whaling as we were one squad for much of the season. 80 players played in Whiddon Cup which tells a story in itself, and only 7 players starting in 3rds for more than half the games. Very hard to build team success and a playing style with so many changes each week. Finishing 8th on the ladder with 24 points, was the highest for any senior team.

Many thanks to our manager Lisa Croucher, who worked hard on getting player numbers. I would also like to thank the coaches, Jesse Croucher and Andy Johnson for their work throughout the year.

Thanks
Richard Colley

4th Grade Judd Cup Report 2013

4th grade started out this year with Tony Lagan (Joints) as coach and later Bally Bar drafted from the bbq as assistant coach and boasted a mix of older players (should have retired already) and younger players. The first two games featured close fought affairs against Campbelltown and Beecroft, and you could have tossed a coin on both, resulted with Hunters Hill missing out twice.

What we did find out is that we had a quick young backline (not fridge) and a set of forwards with a good mix of experience (slow) and enthusiasm (a couple of young players - Not Max).

The Knox game played at Boronia under water set the scene for how the coaches would behave for the rest of the year. Scream like angry idiots pre game and half time and pick apart the corpse post game. However the Knox game did show one thing that Fourth grade had all year and that was a spirit that never gave up no matter what was thrown at them.

The 31 - 0 score line reflected Knox's dominance but really didn't tell the story of how well the team rallied and at times pushed the opposition.

A highlight of my season for the year was when Tony Lagan had a prior engagement and I had my contract upgraded from Ass Coach to full coach for the game against Iggies. Huge games from a forward pack including Nga, Rob Knight, Oz Lee and Simon (we won't hold on to him for long) Harburg. Our new 5/8 Louis Dillon (feet) and Centre Alex Beazley (Socks) along with the rest of the backline threatened to take Iggies apart only for the final pass just missing. We held on for our first win and Bally Bar made a pest of himself for the rest of the afternoon telling anyone who would listen who the new supercoach was.

The next week saw a team turn up a full hour before kickoff at Drummoyne, great prep, and a buzz in the air which culminated in a last minute on the bell win for Hunters and suddenly Joints was the new supercoach. This was the game where the forwards played as a pack and almost everything that was tried by the backs came off.

New stars Tini Herewini, Dom Bullock and super consistent Simon Harburg had emerged and started knocking for higher grades. We had realistic thoughts of a semi final campaign.

Grand Final winner St Pats showed us how much we had to improve the next week, but confidence was still high going into the next Balmain clash. At Balmain we performed disappointingly but a Goose of the Week dressed Lagan spray provided much entertainment for the audience.

We never really recovered from the Balmain game, and with injuries and promotions, 4th grade started to experience a little bit of player drain, but this happens just about every year. Of note was the game against Colleagues away. They had been beating everyone convincingly and we looked for a tough day on the park. However despite asking for many players to back up after playing 5th grade, we dominated their forwards and for the first seven minutes, they did not get a look in. Then they did, and eventually ran out convincing winners. But the spirit that I talked about earlier shone here where sustained, never give up attitude, resulted in a try against the top three finished sides in the 4th grade comp.

Towards the end of the season it became more and more difficult to field a side but like any good club should do, all available players rallied and Colts and Thirds came to the party to try to shore up the vacant positions.

Players were often asked to play out of position and a big thanks to those who did that. Matt (chunks) Shelton comes to mind who has graduated to the front rowers union. A big thanks to all who played in the pointy part of the scrum. Will (my shoulders not quite right) Wassell, Tim (I'll play anywhere) Dodds, Andy (anywhere but 2nd row) Ball, Nathan (off to Europe) James, Tim (pillows) Downy, Oliver,

Andy (I can't play 4ths, I'm 3rd grade coach) Johnson, Oz Lee, and probably others that my memory can't quite work out.

Tini Herewini had a whale of a year and ended up with the players' player award, Max Marraffa who often wound back the clock and showed he still has it. Rob Knight who assures me he's not in the navy despite having the title of captain for most of the year. Big Nga made a massive impact before we lost him back to his homeland. Mark (Rosie) Thornton was busy and wasn't frightened to hit it up.

We went through a few halfbacks for the year and thanks to Adrian Pyke, Andrew Cooper, Dom Bullock (Best and Fairest), Renny Iles, Jim Bone, and Viraj Fernando.

Dom ended up being a bit of a discovery, and ended up playing up the grades. Playing with plenty of aggression and sometimes coming off second best finding out that the match up of aggression vs physics, sometimes physics i.e. 100kgs, win.

Alex Beazly was another stand out player for the year, picking up awards and hopefully a new pair of Hunters Hill socks. Sam Gliddon (not Gold) certainly put some sting in our defence, comfortably backed up by Will Glenn (shoes). Of special note was Jason Ward who played his first games of rugby ever this year and certainly improved as the year went on.

A big thanks go to Vince Cusumano, who managed 4th grade and the rapidly disappearing and random numbered jerseys. He supplied my pens and clipboards and kept answering my enquiries with a confident 'I don't know'.

I haven't mentioned everyone and I apologise for that, 22 concussions will do that. I enjoyed coaching this year, trying to find technical problems and fix them. Trying to improve on what we did well and play to our strengths. I hope all have enjoyed and come back for another season.

5th Grade Sutherland Cup 2013

5th grade started the season with high hopes and plenty of numbers all willing to put up their hand for game time. Consisting of a bunch of mates who work together as well as regular club members, 5th grade developed a harmonious mix that, after a few teething problems started to get results on the field.

With a large and skilful backline quick rugby was always going to be the order of the day and so it proved with the inside backs and those in general support roles quickly racking up the tries. At the midway point of the season, the team was in a top 4 position with a realistic chance at semi-finals when disaster struck. Firstly in the form of work issues causing lots of the players to be unable to continue regular playing whilst injuries throughout the grades eventually caused the team to run out of numbers and unfortunately begin to forfeit matches.

Whilst 5th grade unearthed some rough gems for footy players a few people should be made mention of. Tini excelled when given a chance and went on to star in the upper grades whilst Tom Ashby brought all his year of experience to the fore playing an influential role for the season. Another player to be mentioned is the new youngster Jason Ward, who after watching his sons play decided to embark upon the game after his 40th birthday. Jason put in week in- week out and his dedication and application is a fantastic example of what rugby is about. Thanks again go to Tony Whaling for all his efforts during the year coordinating the team and spending Saturday mornings pulling his hair out trying to form a team.

Game 2: HHRUFC 7 lost to Tamworth Pirates 36 (Viraj 1 try & 1 Conv)

6am Saturday 16/3/2013 saw the 2013 HHRUFC 7s team (minus Max Cantwell who slept in...) depart Boronia in the Party Bus (Rod's Bus) & the Venga Bus (Kelly's Hilux).

Seagull took us on a scenic route to Scone through country NSW (Rhys 'DJ Piglet' & Radio superstar) McDermott enjoyed the tour immensely.

Our first game saw Robbie 'Selleys No more gaps' Carter score the world's fastest try (3 seconds after kick-off), with Tristan scoring the next 2 with HHRUFC taking a tight win.

The remaining 3 games were tough to say the least, with Cody rolling his ankle after an inspirational chip & chase (Ralf the Medic sorted him out).

Kelz put some on some hits that even the 100kg+ team from Cobar/Narrabri were impressed by, & Viraj found out he plays best wearing a mullet...

The themes of the 90s came out after the games were done, with some very impressive outfits, & the HHRUFC BBQ attracted some of the best fillies of the day, which Rhys promptly laid his best lines on; "How'd you like your eggs darling?"

Beers & finals done it was back on the bus & home, via the Singleton Commercial Hotel.

Schappelle lost some bark from his arse following a small misunderstanding with our valiant driver home Timmy Forsyth on the Pacific Hwy.

All in all a good day, with Seagull leading the charge for refreshments on the way home, Joe displaying his fondness for flapjack flavoured beverages, & Pat his fondness for egg...

Kiama 7's

6:30am Saturday 23/2/13 saw the HHRUFC 2013 7s team depart Boronia for the Kiama 7s. After a trip piloted by DJ Piglet, we were all relieved just to arrive in 1 piece!

The weather that greeted us in Kiama was the worst of the tournament's history, with the beach closed & following days seeing the destruction of some parts of the town!

Nonetheless the tournament went ahead, with some delays due to teams facing hurricane like weather on the way there.

Our first game Vs the Qantas Koalas saw us go down 12 – 7, with Darren Firmin (Shaka) scoring & converting out try. Point of note here, Qantas were going to forfeit as they only had 5 players – once Balmain (who had a team there & played just before our game) saw the game was against us, they quickly volunteered 2 players, & both "Qantas's" tries came from the Balmain winger – bring on the regular season game Vs Balmain for some revenge!

Our 2nd game, nearly 4hrs later after was Vs last years tournament winners, Kiama Inn (Fiji). We went down only 20-0 to them, & were justifiably proud!

Lunch & a quick pack up saw most of us out of Kiama & back to the Bayview for the Super Rugby games, via the Kiama Inn for a quick bevie & essential supplies.

The trip home discovered that Viraj rather likes Cider, & Seagull & Joe's music selection is as bad as DJ Piglet's!

Hunters Hill Golden Oldies "CATS" 2013

Time for the old Tom Cat to snuggle down on the floor in front of the fire and reflect on what was a busy year for the CATS.

The season launch was a game of two halves with the CATS meeting at Boronia for a BBQ brekkie and a game of touch. The brekkie was sensational but the game of touch never quite eventuated as the creaking from some backs and hips sounded to ominous to risk running around on. Sanity was restored when the suggestion was made to adjourn to the Hunters Hill Hotel for lunch and a couple of bevvies while we watched the Tahs run around on replay.

The highlight was, as per usual, TC's rendition of The Ode which again was recited with different wording. The message was however the same with limited tolerance to Imbeciles being the order of the day. All present were enthusiastic about the season ahead.

First big test for the CATS was Eastwood Charcoals. With two days to go before the event, the CATS had three names on the playing roster and one of those, a former magazine magnate would only play if threatened with serious physical injury or a case of VB or both. In a game changing moment for the CATS, the KITTENS, led by Ritchie, replied to the SOS e-mail by stating "Relax fellas, have faith !! There will be a Full team of senior cats. Such distrust amongst you."

In the most unheard of thing I have ever heard, or seen, there were 10 CATS at T G Milner an hour before kick-off. TCs clipboard was full and mixture of KITTENS, CATS and DADS made a formidable sight as the Black and White section of the veranda, the end closest to the bar, was full. The CATS on the field were awesome with Fiji Tim and Ritchie bamboozling the opposition as well as ourselves. In the afternoon game, the referee spoiled an otherwise good Golden Oldies game by making sure he used every rule in the book and blew the pea out of two whistles.

The next opportunity to get a jersey dirty was at Back to Boronia Day where the CATS and DADS faced off for the now yearly trot around No.2. As this was a precursor to the upcoming Cocktails at the Casino Royale night, in a brilliant piece of cross promotional magic, Dave Sanders played the entire game on the wing, dressed in a tuxedo.

PeteCat and Co. should be congratulated on the night of the Season, when all three arms of the club came together at Hunters Hill Sailing club for the Cocktails at the Casino Royale. From the string quartet and magician down to the dulcet tones of BIN and his band Let's Roger Moore, all that attended had a great night.

All that remains now is the tour to Jamberoo where the usual suspects will foist themselves on the poor innocent South Coast community for two days of fun and merriment. With Millard along, anything could happen.

The AGM again poses as a challenge to TC as the assembled Ibilati – that's Illuminato but for Imbeciles, vie for the coveted Presidential nomination.

Highlight for the year was the way in which the KITTENS are now becoming fully fledged CATS. Maybe now we can hang up the boots and concentrate on the important things, like turning up on CAT Corner at Boronia and tell each other how good we were.

HHRUFC - THE ARCHIVE COMMITTEE (TAC)

The Archive Committee are now well and truly entrenched in its Henley Headquarters.

The year has not been as productive as in previous years due to a number of reasons. Renovations at the Henley Community Rooms above our room meant that TAC had to vacate the premises for several weeks while work was carried out. Also health problems with some of the team coupled with travels meant many missed weeks from TAC duties.

Despite all this we still managed to conduct video interviews with Michael McNamara, Peter Wood, Ian Kellaway, Andrew Skelly and Rob Helby. These interviewees cover a period of close to 50 years of Hunters Hill Rugby as players, coaches and administrators of the Club. These interviews are providing us with important information in our attempts to record the history of our Club.

This year Hunters Hill Rugby Union Football Club celebrated 121 years with a Back to Boronia Day on the 17 August. Once again TAC displayed photos and memorabilia from the past, featuring the 3's – 1903 to 2013. This was a chance for past players and supporters to see old teammates and relive the premierships of 1983 – Judd Cup and Whiddon Cup, Club Championship teams of 1993, Under 16 Metropolitan Northern Zone Premiers of 2003, and the inaugural Golden Oldies team of 1983. By advertising the B2B day in the local and daily newspapers we received photos and memorabilia from people who had read the articles and were kind enough to offer us items from relatives who had played or were involved in the Club. A photo of a 1903 Hunters Hill team and information re the Gammie family members who had played with the Club in the 1900s – in fact David Gammie was President in 1911, was given to us. Another kind lady came to the B2B day and offered us a photo of the 1926 2nd Grade Premiers together with the trophy that her father had won by being in the team.

We visited the Hunters Hill Historical Society to check whether they may have photos which were not in our collection. To our surprise the majority of the photos held by them had been given to them by TAC – duplicates of photos in our catalogue. We did gather some information on Charlie Fairland and Jack Mapledoram which was appreciated.

We are presently cataloguing Junior and Senior team photos for the 2013 season and reviewing yearly folders.

When TAC was established in 2009 the Committee identified one of its objectives was to record the history of the Club faithfully and accurately. With the cataloguing of team photos and historical material, video interviews with past players, officials and supporters, and Ron White producing an Annual Report each year we are partly achieving this objective.

History is the continuous methodical recording of events and is a concept describing the availability of a written record or some other form of documented communication that can be used to support a specific historical narrative. Primary sources are firsthand written evidence of history made at the time of an event by a present person. It is best done as it happens rather than endeavour to gather the facts after many years gone by. This can be fraught danger, with facts being misconstrued – depending on who you ask about an event. With this in mind we would implore the arms of the Club and the Board to provide TAC with the minutes of any meeting they may have during each year.

Again we thank the Juniors and Seniors for their generosity in sharing the cost of the lease for TACHO. Also a thanks to Gary Lane and the Cats for providing us with the money to buy a gazebo for use at this year's B2B Day.

Life Membership of the Club may be awarded to people, male or female, who have contributed outstanding and meritorious service to the Club, and who have made a significant and long term contribution well above the norm, on or off the field.

2013 saw two members nominated and awarded Honorary Life Membership at the Board AGM. Congratulations to Peter McFarlane and Andy Ball.

Peter McFarlane

Peter joined as a senior member in 1985 and played 129 games including 32 in Kentwell Cup until his final season in 1992. As a player he won the Burke Cup 1987, in a very competitive year for the club. Peter was the leading try scorer in 1986 and won the most improved back award in 1988.

Whilst playing Peter was a member of the committee fulfilling roles of Registrar in 1987 and 1988, Assitant Treasurer in 1990, Assistant Secretary in 1991 and 1992. Peter was voted Clubman of the year in 1998 and 1990, one of a very select few to win the award twice.

Following his playing days, Peter kept involved with the club coaching Junior teams along with being a member of the Golden Oldies (Cats). In 2008, Peter became Cats Secretary a role he has completed with distinction and continues to this day. He has added a role of club events coordinator arranging events that include all 3 branches of the club.

For a long time Peter has led by example with both his words and actions and continues to do so today. In addition to the snapshot of items above, he has been the unspoken backbone of the club for a long time.

Nominated by Renny Iles.

Seconded by Gary Lane, Allan Southcombe, Bruce Lycett, Paul Shields, Ron White, Jordan Butler.

Andy Ball

Andy joined as a senior member in 1994 and has played continuously in the intervening 20 years accumulating 238 games to date. As a player he has won the Nicholson Cup in 2005 and 2008, and has continued playing in the lowers grades acting as the clubs lineout technician teaching younger players the necessary skills. In 2013 Andy added coaching to his list of achievements, starting his coaching career with the 4th grade team he has so well served.

Andy has held various management and committee positions including being club secretary from 2003-2006, whilst in 2005 Andy also doubled as the club registrar. Since 2005 Andy has maintained the clubs website, a fantastic tool for providing information to players and supporters and the website has been directly linked to recruiting new players to the club due to its excellent presentation and information.

Andy has twice won the 4th grade Best & Fairest award, firstly in 2000 and then as a spritely 41 year old in 2012. He has also been honoured with the Clubman of the year award in 2009.

Andy has taken the reins on the Thursday nights after training refreshments and for numerous years has maintained this valuable social tool for all players and coaches to have a relaxed way to discuss everything from team selections to world events. He has now enrolled both his sons into the junior arm of the club and even convinced his wife to join the ladies touch team that commenced this year.

A true club man, Andy has led by example both on and off the field. He is an outstanding example for other members to follow for his capacity to both paly and work for the club selflessly over many years.

Nominated by Renny Iles.

Seconded by Ron White, Bruce Lycett, Jordan Butler, Tim Forsyth, Max Marraffa, Tim Vertoudakis.
