**CLUB PRESIDENTS REPORT – SEASON 2014**

2014 saw a much-improved performance on the field from our seniors and continued success from our juniors.

After a shaky start the seniors consolidated and with the Club finished a commendable fourth in the NSW Suburban Second Division Club Championship and had two teams compete in the semi finals.

Our juniors continued their strong form in recent years and had five teams make the grand finals of their groups, with three teams – 11C, 11F and 15A - winning premierships in the Sydney Junior Rugby Union competition.

The Golden Oldies enjoyed an increase in numbers – although this did not automatically convert to players – and provided great support and ample pearls of wisdom to anyone who was within earshot!

To all the players – juniors and seniors – thank you for choosing to represent our Club and for your efforts during the year. I hope the experience has been good and you will return!

The respective reports will contain more detail about the football seasons, but I want to thank Gary Lane and Greg Wyatt-Spratt (and Peter MacFarlane for his assistance with the CATS while Gary carried the roles of Chairman of both the seniors and Golden Oldies). Their commitment and leadership during the season, together with the contributions of their sub-committee members, coaches and managers was critical to the success achieved.

The Archive Committee continued its valuable work in capturing and recording our Club history. Displays of memorabilia were held on “Back to Boronia” days for both juniors and seniors and considerable time has been spent on reviewing, developing and expanding on the written Club history, using our archived records. This will ultimately be available via the Club website. Our thanks go to all the members of the Committee.

The Club experienced a decrease in playing numbers, particularly in the juniors, and anecdotally many other clubs experienced similar drops in membership. This is an issue for rugby generally.

Boronia Park 3 redevelopment was finally completed, however, the time frame for this achievement was long beyond the expected timeframe set in 2011, when the project started. Irrigation piping was installed, turf was laid, and the installation of safety fencing was all completed in time for the 2014 pre-season trials and the oval was used during the season. Our final commitment to this redevelopment was the installation of stairs in the southeast corner in October. Blake Walker continued his close engagement on this protracted exercise and we are very grateful to him for that ongoing management.

The Board of Management is well aware of our governance responsibilities as an incorporated not-for-profit association. With the cooperation of the three sub committees, all banking has been consolidated with Westpac and the Board has opened a separate account for use on "whole of club" activities.

The Board progressed development of an Administration and Procedures Manual which will be finalised by the incoming Board and will be available for incoming 2015 sub committees and which will, hopefully, help in the efficient and consistent conduct of club business. It is anticipated this will be updated yearly, or as required.

The juniors generously agreed that the traditional Season Launch would become a whole club event with the proceeds to go into the Board's account for ongoing expenses. This was a great success – financially and socially – and hosted by Gordon Bray. Our sincere thanks go to Luke McCormack and his helpers in this great initiative!

The Board is also keen to work with each of the sub committees to upgrade the Club website. This will continue into 2015.

The Board has been actively seeking funding by way of government grants (in conjunction with Hunters Hill Council), to progress further work in relation to the Boronia Park Ovals complex. The issues to be addressed include drainage and associated water harvesting, amenities and facilities for Ovals 2 and 3, and lighting for Oval 3.

Ian Kellaway again took on the role of Council Liaison and we are very appreciative of the amount of time he committed to ensure that ongoing relationships with Councillors', management and staff were productive and cordial.

We were deeply saddened to lose during the season, three men with ties to the Club.

Bruce Lycett - Bruce passed away on 16 October after an incredible 20-year battle with cancer. Bruce has been either a player, Committee Member, President, Coach, Team Manager and mentor to many, continuously since 1963 to present.

His achievements include:

- \* 100 senior games (1968-1975)
- \* Coach of junior Teams (1985-1986)
- \* Team Manager - various (1996-2010)
- \* Committee Member - various (1971-2014)
- \* Awarded Life Membership (1979)
- \* President (1990-1992)
- \* Team Managers' Mentor (2000)
- \* Awarded Australian Sports Medal (2000)

\* Founding Member of Club Archive Committee (2009)

Bruce's involvement with the Club extended over 53 of his 69 years. Our Club and indeed, the broader rugby community are significantly the better for his involvement. Bruce was a legend and an elder within our Club. He was widely regarded and respected across the NSW Suburban rugby community. He was always a team player - on and off the field - with undisputed integrity. Everything he did was with the interests of our game and the broader rugby community in mind. His contribution, passion, commitment and loyalty never waned. He was truly one of the good ones.

Peter Woods – Peter was a significant contributor to our Club in the late 1960s coaching our 1969 Whiddon Cup team. I had the privilege of playing in that team Premiership winning team and appreciated his mentoring and coaching. It is widely accepted that the victory in 1969 was the impetus that reinvigorated the seniors. This was evidenced by a significant growth in numbers and a number of premierships flowed in the early 1970s and beyond, from that drive.

Peter Webster - Peter played with the Club between 1979-1981 and played in Kentwell, Judd and Whiddon Cup teams in that period.

We were also saddened to hear that Honour Cap holder Terry Rust (a great player from the 1960s and early 70s) lost his wife Sue to cancer in November.

To our Club Patrons – The Hon. Joe Hockey MP, the Hon. Anthony Roberts MP and Gordon Bray – we appreciate your support and hope that we can continue our association and engagement with you.

To our Sponsors for both seniors and juniors, we sincerely appreciate your contributions, which are vital to an essentially amateur Club. We hope that the association has been of benefit to your businesses.

I want to sincerely thank my Board colleagues – Luke McCormack, Blake Walker and Nick Giacomini – for their contribution and support during the season. We all had the overall Club as our priority. It was a pleasure to work with them and I enjoyed their company.

In conclusion, I want to thank the Golden Oldies for asking me to be their representative for the past 3 years, and to the Club for the opportunity of serving as Secretary for a year and as President for the last two years. The Club has been, and will continue to be a significant and enjoyable part of my life.

Finally, I wish the Club and the incoming Board members every success for our future.

## Hunters Hill “Mostyn & Kellaway Shields” - Eligibility

The “Andrew Mostyn” Shield is awarded to the best performing, competitive team in the regular season of the junior AND senior clubs combined.

The “Ian Kellaway” Shield is awarded to the best performing, competitive team in the regular season in the junior club.

Teams eligible to participate in the Shields are teams registered with the Hunters Hill Rugby Union Football Club or Hunters Hill Junior Rugby Union Football Club involved in any full season, outdoor winter rugby competition administered by NSW Subbies or SJRU. (ie for juniors only includes from U10 and above)

Teams are eligible to only win one shield each season – ie the team that wins the “Andrew Mostyn” shield becomes ineligible for the “Ian Kellaway” and it shall be awarded to the next qualified team.

### Hunters Hill “Club Shields” - Criteria

1. The Shield is awarded to the team which finishes the highest in its division during the regular season ie. before commencement of play-off rounds.

2. In the event that two or more teams finish in the same highest position eg. first, the winner is the team that earns the maximum percentage of competition (win/draw) points which are available to them during the regular season. Note: this excludes any bonus point system.

The maximum points available may vary depending on the number of teams in the competition draw therefore a review of the competition size is required to ensure that maximum points available from actual matches played ie. excluding byes, are the only ones included. (eg a team playing in a 6 team competition may play more games than a team in an 8 team competition providing the team with a greater opportunity to gain more total points). The calculation will be the number of wins (of games actually played) divided by the number of games played. Draws shall count as ½ of a win. This should be calculated as a percentage of the total points available calculated to 2 decimal places.

3. In the case where two or more teams obtain the same percentage of maximum points available the winner will be determined by:

a) The team with the highest points ratio (points for divided by points against); and if still equal

b) The team with the highest points differential from games played (points for minus points against) and if still equal

c) If still equal then - Declare the relevant team’s joint winners of Shield.

## Chairman's Report - Juniors 2014

After starting registrations in February getting that organised, teams sorted and graded the season started off with a bang at the NSW Rugby Club and the season launch. This year the launch was a dedicated whole club function with the monies going to the board and the finalising of the B3 project. The launch was again organised by Luke Mc Cormack and was a great success raising enough money to finish the fence on B3.

2014 saw Hunters Hill Juniors numbers down slightly from the previous years but still managing to get a healthy 385 boys playing Rugby from the Under 6's to 16's

In the Inner West and Gordon minis Hunters Hill Juniors fielded

- 2 X Under 6's
- 3 X Under 7's
- 4 X Under 8's
- 3 X Under 9's teams.

The following is a report from the Minis Coordinator Carolyn Swindell

The 2014 HHJRU Minis had 12 teams competing in two competitions this year, in the Inner West and Gordon competitions.

We had two teams in U6, 3 in U7, 4 in U8 and 3 in U9 age groups. More than 120 boys and girls supported by a dozen coaches and 15 managers, all of whom have jobs and commitments that they juggle to ensure the kids have a great season.

We trialled Friday night games with Roseville and Sunday games with Killara West Pymble and parent feedback has indicated that the occasional Sunday works but Friday night doesn't. The Friday night games for minis won't be a feature of the competition in 2015.

We thank the coaches and managers for their time in supporting comp but would really like to see a greater focus on parent volunteering in 2015 - each week we need arms and legs to get games on the ground and the more assistance we have, the better then experience is for everyone.

The end of the season saw each age group focusing on the skills they'll need to move into the next age group and I'm sure that will only enhance their enjoyment of the game in years to come. Big thanks to the coaches for their commitment to their own development as coaches and to creating a safe and happy environment for all the kids.

We would love to have more teams in 2015 and ask everyone to spread the word of what a fantastic club we have here and let's get more boys and girls wearing the Black and White in 2015.CS

I would just like to thank Carolyn on behalf of the committee and parents for taking control of what is a very hard volunteer job and doing such a good job.

In the SJRU competition Hunters Hill Juniors fielded

- 3 X Under 10's
- 3 X Under 11's
- 2 X Under 12's
- 1 X Under 13's
- 2 X Under 14's
- 2 X Under 15's ( one joint venture with Drummoyne )
- 2 X Under 16's ( both joint ventures with Mosman )

Come September after a long season the club had very strong results

10A's 6<sup>th</sup> after losing the Plate Final

10E's lost semi so finished 4th

10H's finished 8th

**11C's Minor Premiers, Grand Finalists defeated Norths 25-14**

**11 F's Grand Finalists defeated Dural 22-7**

11 H's finished 8th

12A's finished 6th.

**12F's Grand Finalists defeated by Mosman 36-7.**

13 C's Won the Plate Final finished 4th

**14A'S Grand Finalists defeated by Blacktown 21-15**

14C'S Quarter finalists defeated by Drummoyne 29-24

**15A's Minor premiers. Grand Finalists defeated Clovelly 28-19**

15Cs (Drummoyne/HH) - finished 5th.

16A's Quarter Finalists ( won but disqualified)

16B's Quarter finalists defeated by Beecroft 43-21

Congratulations to all the boys, coaches, managers, age coordinators and parents for all the efforts that everyone put in this year. Well Done.

The committee trialed a few new ideas this year

Back to Boronia Night I believe was well received by all that attended. The night brought together boys, siblings and parents from the whole junior club to enjoy a night of Rugby at Boronia . There was a jumping castle and the Archive Committee set up a tent displaying Junior and club history. In the coming years the committee would like to expand these nights to include Hunters Hill Rugby families that are no longer with the club or just do not play on Friday nights anymore.

Presentation Day (or Night )

The club held the Presentation on a Friday night this year and once again the response was that it was a move for the better .The boys have a good time and the parents can feed the family and have a drink and it is all over on the Friday

Ladies touch was well supported again this year. We had six teams of various ages that had an enjoyable season.

Next season we are considering running this as a mixed comp playing the ARU non-contact 7's format (which is basically touch anyway). The idea we get more participation across the community.

All this couldn't happen without the support of our wonderful sponsors. I would like to once again thank McGrath (John Paranchi, Tracey Dixon and Paul Cavarra ), Ord Minnet (Tim Gunning), Hunters Hill Club (Steve Hannan), Advanced Audio Visuals (Frank Crotti), FDC (David Sanders), Jaycar (Gary Johnston) and East West Physio (Kylie) for all their support this year. I would also like to thank Crust Pizza Gladesville for supplying the Player of the Week Award throughout 2014. Your contributions to this club are amazing and a vital part of what we do within the club and the community. We are extremely grateful.

I need to thank the 2014 committee and age coordinators whom made this season such a success. Without the hard work by these unpaid volunteers we would not have the club in the position that it currently stands. Many of these people have given a number of years of service and to those that find themselves at the end of their "tour of duty" I would like to say thanks on behalf of everyone involved in the club.

I would once again like to thank all the parents and boys that make up the Hunters Hill Juniors Rugby community for all their efforts this year, both on the field and off. As a parent of three children I realise how busy and time consuming a season of sport or sports can be and the commitment made by all to involve their children in sport . In this day and age I believe that this can only be of benefit to both parents and children.

I hope that everyone had a good year and looks to be back in 2015 for another year of Junior Rugby. Like all sporting clubs we need to work hard to keep our membership up so if you have sons, daughters, brothers, cousins, mates let them know that they can have a great time playing at Hunters Hill Juniors

Remember to spread the word about playing for Hunters Hill in 2015.

Till next year - Over Black!

## Chairman's Report - Seniors 2014

On behalf of the Seniors Sub Committee our players and supporters I would like to thank the following sponsors for their generous support during season 2014:

**The Bayview Tavern.** They have been particularly generous to the Club over the past 2 years including hosting multiple social events and after match functions. Thanks to Rod Pittorino for his continued support.

**JDG Civil.** Connal and his company have provided immense support, both financially and in attracting and accommodating quality players.

**Craig & Rhodes.** A new (3<sup>rd</sup> Grade) sponsor this year Andrew Halmarick has an association with the Juniors and also was of great assistance with B3 surveying work. Thanks Andrew.

**Fuji Financial** and Liam Cooper came on board to sponsor 4<sup>th</sup> grade, well done you, whilst Mark Thornton (**Rozelle Glass**), George Sinnes (**Eyeland**) continued their long term association with the Club, many thanks to you guys.

Our Club would not exist without the contributions from our Sponsors and I'd ask that we all reciprocate and support them whenever possible. For those who supported the 100 Club my sincere appreciation.

Thanks also to the Seniors Sub Committee. You may not have noticed but there was a hell of a lot of hard work put in this year and that all goes well for next season. Special thanks to Al Evans and Max Marraffa for their effort in focusing on the financials, they were put under significant pressure. A bright light was the much improved payment of registration fees, Verto was of great assistance here also. Thanks to Tim Forsyth who apart from secretarial duties was a vital link between us, opposing teams and Subbies. Gak as Publicity Officer and Bally as Web thingy continued to provide quality internal and external communications, we are the envy of many other Clubs in this respect.

On the social side, Marree, Pam, Alice and Lisa did a great job this year. Our thanks to you all for the hard work that has gone on, the social events were well managed and attended which is no mean feat and the thankless task of running canteen was done without complaint.

In relation to on field performance despite the successful pre-season training and trials the wheels fell off in the first half of the season. To the credit of the playing group we dug ourselves a hole and managed to crawl out of it. Tonga's arrival, the injection of some quality players and some self-belief resulted in a massive turn around including finals appearances for 1sts & 4ths, congratulations to all of you. The Coaching staff need to take a bow here as well. In particular, I'd like to thank Gary Henwood and Alistair Power who have advised that they will not be coaching in season 2015.

Our goal for 2015 is to make incremental steps forward and be the best Rugby Club we can be. That means getting the administration right, having competent Coaches in place and embracing the social aspects of subbies rugby. I'd also like to empower the player's leadership group which includes the Club Captain to get more involved in handling issues that may arise from time to time. If we do all this and we will our players will have every chance of success.

## **Vice Chairman's Report - Seniors 2014**

2014 trials went well. The first half of the season was a struggle. Fitness was good but the side lacked direction and cohesion. Tonga arrived at the beginning of May. The direction improved, it would have been great if we had Tonga at available preseason but he had to play out the remainder of the season and broke his contract a year early to join the Hunters Hill fold.

Tonga had many systems of play and was able to give individual coaching on technique. The change took time but these changes filtered down the club, and the second half of the season saw a vast improvement. Both myself and Top Cat felt started to breathe a little easier.

It was a great second half of the season and was amazing how things just clicked. With the improved results more people turned up to training and there was real competition for 1<sup>st</sup> XV positions. Most grades came close to making the finals with the 4<sup>th</sup> XV and the 1<sup>st</sup> XV getting into the finals. It was a great experience unfortunately no silverware but we have something to aim for in the 2015 season.

The 2015 season will be the year Hunters Hill win the competition and move back up to Kentwell Cup, we have some great specialist coaching for next year and most players I have spoken to have a real desire to play again next year and lift the trophy. Hunters Hill will become a club that specializes in developing players. This is the goal that I have given both Tonga Lea'aetoa and Pierre Hola for the upcoming season.

Special thanks go out to all volunteers, coaches, and other committee members. It was great to see that everyone worked together and that we all had the same vision and no ego's got in the way.

With Angry's passing it will take many people to try and fill the void. He was one of the first people I met in the club in 2012, he had the amazing ability to get his point across without offending. A true gentleman.

## Secretary's Report – Seniors 2014

Hunters Hill's 2014 season mirrored the life-cycle of Phoenix: beaten to our knees by the increasingly professional outfits of Division One, and struggling in the cellar of Division Two, Hunters Hill finished the season as one of feared clubs, renewed, revived and showing glimpses of what this great club is capable of.

Despite extensive recruitment, planning and a preseason fitness program feat. GI Joe, our on-field performances in the former half of the season failed to reflect the attitude and preparation of the players. Even Gak, aka the Human Pear, was as weak on the field as the sweet sweet cider he produces from his soft, squishy belly. By the middle of the season, relegation was once again a stark reality for the club. Attention turned from winning Barraclough, to staying alive in Barraclough.

Yet with our backs against the wall, Hunters Hill did what Hunters Hill does best – pulling together and winning matches. The arrival of player/coach Tonga Le'aaetoa and his partner in crime Nisi had a profound effect on the playing culture of the club. In fact, the final ten weeks of the competition saw the club win 36 of their last 50 matches. From the bottom of Div 2, we finished 4<sup>th</sup> in Club Champs, a remarkable achievement by any measure.

While the players reap the glory with victories on the paddock, the Committee must be thanked for their considerable work which allowed this turn around to occur. Laney, Connal, Al, Max, and Verto put in a huge amount of effort to keep this club running and we are indebted for their tireless service.

To all those who put in a huge effort: Lisa Croucher (fantastic Ladies' Day and Preso Night), Gak (publicity/muse), Bally (webmaster), Rosie and co for their contributions in set up, along with all the coaches and managers who make this club what it is, I thank you enormously for your work and effort over the year.

2014 has laid the foundations for what will be a thriving period of our club's history. If the back end of 2014 is anything to go by, Hunters Hill can expect bigger and better things in 2015 and beyond.

## 1st Grade Barraclough Cup Report 2014

After coming down from 1<sup>st</sup> Division we probably thought that 2<sup>nd</sup> Division might prove to be a bit easier. The trials were fairly positive but when it came to our first half a dozen games we were being beaten convincingly and it appeared that we were playing like 15 individuals. With the arrival of Tonga in April and the injection of some size and skill with Issi and Seva we started winning games, the spirit built and the 1<sup>st</sup> Grade side started playing for each other. The forward pack started dominating the set pieces and the backline developed an effective defensive pattern.

We kept on winning games and secured a spot in the minor semi-final against Forrest. In a game played in two halves Forrest got away to a good lead and it wasn't until after half time that we started playing quality football and came away with a win.

The following week's final against Brothers saw our opposition control the game and exploit the conditions, they secured a lead that we couldn't overcome.

It is good to see that the playing group is positive about the upcoming 2015 season and I'm confident that we can have a better start next year and finish up with the Silverware.

I would like to thank Tonga for his input and hard work which helped us turn the season around. Thanks to all the players who were part of the 1<sup>st</sup> Grade squad, in particular the captain Connel who led by example. Last but not least thank you Gout for your help throughout the season.

## Colts Robertson Cup Report 2014

Starting our year off the back of some positive form in the trials, Hunters Hill ran into the eventual 2014 Robertson Cup winners Lindfield in round 1.

Spending most of the time on the back foot, Lindfield applied a superior game plan, attacking the 10 channel and fast cycling their 3rd and 4th phase play to create broken plays out wide which they duly executed into points. Although on the receiving end of a rampaging Lindfield team, some great individual performances were witnessed.

None more so than our Louis Dillon, was racking up huge numbers in defence.

Knowing we were coming up against Last year's Robertson cup winners Newport, the young men came together and trained hard during the week to ensure that we rebounded well against last year's champions.

With scything runs and leading from the front was our Captain Mitchel Dixon. Hammering them down the middle was the first cap Brendan Follington and bursting onto the scene was also a new caps Jon Bolster with a charge down and try on debut and playing an important role at 9 Charlie Sutton. But what really stood out was the coming of age of Poey aka "Captain" Poey formally known as Ollie Pocock. His calmness in taking the points on offer to steam rolling the opposition backline was great to behold.

A tough game against the Blue Mountains was the reward for our winners in the hoops. Standing up and providing what was to become a highlight of our season was the great defensive play of James Dressler Smith, who was duly rewarded with a try for his efforts, leading them from the front again was the captain Mitchell Dixon, with Mitch Kenny, Nate Salmon and Dom Mullane being a driving force in defence and set piece. What was really becoming apparent was the rise of comradery that was helping the lads gel, but after a grinding day in the field it was Alex O'Shea who finished with aplomb, cutting through the shot gun channel after another quality inside ball from Louis Dillon. This was a gutsy win.

Oatley was next for the young men of the hoops. Discipline was going to be key, buoyed by the returns of the Talismanic Sam Gliddon out back and Co-Captain Harrison Smith, matched by the power matching up front with Brendan Follington and Ben Chapplin playing their first game together. This was a brutal encounter with plenty of physicality being witnessed.

The tight five and their brothers playing in the loose forward positions dominated a far larger scrum and turned the tide into our favour, but ill-discipline put the officiating offside.

Of note was the support at this game of a few future hoops. Watching in the stands, The Sauce Boss (manager for the team), Declan Lloyd made his debut playing in every grade and still backed up for 1s, Duncan Baxter nursing an ankle injury made a surprise appearance. But the day was won on the bell by Oatley, down a man the hoops produced a stoic defence but a charge down on the bell defeated us. It was a pivotal moment that lost us momentum, for the next 2 rounds we suffered losses to Brothers at home and after leading UNSW away allowed a resurgence to happen and lost the game at the death.

But During this period the young men of the hoops remained committed to each other and to improving their play.

The young hoops then had a hard run to the bye after round 10.

Accounting for St Ives (eventual semi-finalists) at home which show cased the improving forward pack, where future super stars were emerging. Brendan Follington really started to show his quality but it was the emergence of front row support from Ollie Roberts, Andrew Raumer and the progress of Ben Chapplin, Nate Salmon, Dom Mullane & James Dressler Smith to dominating the game.

Our Loosies Lead by Co Captain Harrison Smith and another senior colt Hugh Sterndale supplemented the power house speed and skill of Chuck Housego and Jon Bolster challenged and turned over ball from the secondary defensive lines.

The return of Alex Beasley was a sight to behold out back; Louis Dillon was marshalling the backs well punctuated by a great try against his father's own old firm Barker. Speaking of the game against Barker (Grand Final Runners up), It provided an insight on how much improvement the Hoops of Hillies, the colts of 2014 have made. Keeping the scores tied and being hugely competitive out wide, A card at the wrong time gave Barker momentum and eventually a match winning lead, but within this game a tone and set of beliefs infused within the young men of Hillies.

(With regrets, the ill-discipline and ill-timed cards were going to have an effect on our post season aspirations)

Backing the recent positive form, Forest felt the wrath of the hoops, in arguably the finest display by our young men, the power of the platform set up front allowed the backs to literally destroy the opposition back line.

Show casing their skills were Alex O'Shea, Alex Beasley, Sam Gliddon, Joe Callaghan, Will Glenn, Joel Norton and off the base of the scrum Matthew Chegwyn, Supported by Ollie Pocock, Viraj Fernando and Tom Treseder.

The backs simply found too much space, used to much speed and ran the perfect lines to have an eventful day swan diving their way to victory

The culmination of hard training self-belief was evident. The combinations showed and the results self-explanatory. After suffering an injury vs Barker but still supporting his brothers in the hoops from the sidelines was the other backs Louis Dillon and Henry Brindle.

Now was the time to meet the team that started our year with our heaviest loss, the anticipation was great and the training sessions really showed our desire to prevail and gain the respect our team warranted. After some heavy rains forced a change of venues, the young men came together to battle it out with Lindfield.

It was an open affair, breaks from all over the field, but the battle up front was incredible, We over powered their league leading scrum allowing us to give Lindfield their first taste of a real challenge. Having huge momentum and tied 19 apiece, we attacked their line and with our Co Captain the Mitch Dixon leading the way brutalised our way across to score, but as the referee was unsighted, called another scrum... It was a momentum changer, a loose pass was scooped upon and Lindfield marched it the length of the field to score. A real opportunity was missed to hand the league leaders their first loss.

The Bye came at the right time.

The time off was well spent re-energising the lads ready for the run home, but as important, it was also the time to farewell our young mates "Gappies" from Joeys.

They served us well, performing for all the grades, It must be noted that Conor Browne has the honour of being a Hunters Hill 1st XV, however it was with great quality that Quinlan McNamara, Cillian Madden and Ronan Duffy played across all of our grades and within the hoops, after a quiet night at the pub wishing them well, our focus returned to our season, 8 Games left and we were slugging it out with 5 other teams for a coveted finals berth.

I will call these remaining games the tale of two runs.

4 victories graced the men of the hoops, Newport, Blue Mountains, Oatley and Brothers fell to our rampaging side catapulting us into the top 4.

But one other consistent trend happened. Injuries, we were decimated out wide and our depth severely challenged. Losing the quality of Alex O'Shae, Louis Dillon, Ollie Pocock, Joel Norton, Henry Brindle, Duncan Baxter and the quality of Joe Callaghan and Jon Bolster to Shute shield clubs North Sydney and Eastwood exacerbated our dilemmas.

The highlight reels were turning when Alex Beasley showing prodigious skill in scoring some of the best examples of individual scoring ability.

Ben Chapplin scored an unbelievable try with quick thinking and even quicker feet!!

The return of VC Dom Bullock (after a long injury break) was celebrated amongst his mates with a fine

showing in support of his game for 4s, colts and 2s.  
The arrival of Tom Treseder and Ethan Chin helped providing quality to our backs.

But the tide had turned and we finished our year with 4 of the hardest fought and closest games I have witnessed as coach of the Hunters Hill Colts.  
All by 3 points, on the bell loses. Barker and UNSW stole the games from our grasp on the bell and our chance at finals with it.

In the end 8 wins with 10 losses and for and against points difference of -8 reflects the season we had.

As a coach I got to witness some individual brilliance from all the men whom graced the rugby fields this year in the "Hoops" of Hillies. These are my highlights.

Co Captain 'The' Mitchell Dixon leading you to victory vs the surf rats of Newport.  
Co-Captain Harrison (Never skips legs day) Smith and his covering defence, in particular the chasing down and try saving tackle against Linfield.  
Vice-Captain Dom Bullock 500% in everything, but his support as a physio whilst injured forever puts Dom up there as a legend to all grades. His courage and skill at 9 will make him a future star of 1s.  
Vice-Captain Sam Gliddon and his try in the corner vs Lindfield, he played a quality game at 10. A rugby brain rarely matched.  
Vice-captain Mitch Kenny, VC of hard quality and speed. A weapon on the throw ins and hammer in defence, congratulations on captaining 2s!  
"Boss" Marsters a true rangi and 1s lad his stiff arm don't argues were awesome to witness.  
Jon Bolster and that charge down to score (not forgotten lad!)  
James Dressler Smith (Fear the Drezz) defence vs St Ives (epic) Barker, Oatley, UNSW basically anyone who dared to run his channel let alone the secondary.  
Christian Zizza returning to our hoops and playing in 1s.  
Robert Tuheke Smacking that forest lad from cover Great tackle!  
Jack Brooks (I got a shirt) watch me earn it 2015!  
Will Glenn, and his quality out wide. Exception acceleration off the mark and can find holes out wide using a deft step and courageous running lines. His tries in 2s just pure class.  
Tim Litherland stepping into 9 for the lads when our backs were against the wall, champion.  
Duncan Baxter smashing through the line vs UNSW and creating havoc in the lineout and secondary defence formidable with his partner in crime Drezz  
Nate Salmon dominating 2s but showing huge speed for a powerhouse forward who rallied our scrums and earned a few meat pies as just rewards.  
Declan Lloyd, playing 4s, 3s, colts, 2s and backing 1s vs Oatley.  
Joe Callaghan and those silky skills, quality.  
Louis "The Dill" Dillon and his passing game (so many to mention) but his ability to run at the line and impose himself on the opposition is outstanding.  
Ollie "Poey" Pocock and his fight to play with a torn hammy, but his quality in giving us victory under pressure. Game winner and power runner!  
Alex 'our Chez' O'Shea. His high quality finishing balanced by a huge courage, but a great jovial nature (what? you trying to date me?) even after getting his nose squashed.  
Henry the 'Brin' Brindle lighting it up out wide to his debut in 2s and what about that finger injury?  
Viraj Fernando, 4 tries in a single day that's finishing.  
Andrew "the Sauce boss" Raumer never quitting at training when the entire club waited for him, but his matching up front dominated so many scrums great heart!  
Ethan Chin, his hard running at the line was courageous, and his defence memorable!  
Jake Henwood stepping it up to support the colts after 3s, bringing his total skills to colts.  
Oliver Towndrow a powerful display at prop before entering the Navy, good luck lad!  
Ollie Roberts and his try scoring celebrations, but his power in the front row memorable.  
Hugh Sterndale Smith, giving me what for and rising to have an epic of a game afterwards. As tenacious competitor you will not meet very often, quality Hugh.  
Ben Chapplin, his fast tap against Brothers to score was a great highlight of the season, but even more was his first game in the trails, was marked as one to watch in the future.

Dom Mullane, fresh off the plane backing up colts after a cracker game in 3s. A real workhorse and unsung hero of the forward pack.  
Brendon Follington outstanding in his debut in 1s but his enormous runs particularly against Oatley makes him a player of the highest quality  
Tom Treseder originally starting and playing great in 4s then becoming a starting colt out wide by the close of the year heart and strength  
Chuck Housego, his sublime moments to out power and think 2nd and 3rd phase runners of the opposition was a regular occurrence ending with him dominating many bigger lads.  
Alex "the human highlight reel (so many to add.)" Beasley, what more can you say that speed kills, but his improvement in defence was great to behold particular in 1s by putting more than just the body on the line but using great technique  
Our gappie brothers, Cillian Madden, Ronan Duffy, Quinlan McNamara & 1s Conor Browne what lads never quit on us all ably met with Angus, Patrick Brendan, Hugh and the 2014/2015 lads yep you got game.  
I particularly like his text message back after advising Conor of his start in 1s.  
Ollie Bartlett keeping his word to play for our hoops and having a great game vs Forest.  
Andrew Burton a truly enigmatic and powerful young man who has sublime skills in defence and attack.  
Joel Norton, courage, power with wheels that burned. Even with 2 badly injured shoulders was great in defence and could slip into space with ease. His combination with old Kings mate Burto was memorable.  
Charlie Sutton playing 9 on debut even after never playing that position before, his headway and putting us on the front foot!  
Matthew Chegwyn a chilli and thorn in the opposition sides, his delivery at the base and breakdown unmatched.  
Tim McGrath and that kick off vs Newport courage a strength, a great debut by a 16 year old.  
Callum Black running your water and giving you advice to be winners a real quality lad!

So this is the end of my tenure as coach of the Hunters Hill Colts.  
I must thank the forwards Coach Andrew Ball for his guidance and support during the year. The Hunters Hill Board Led by Gary Lane for leading our club forward  
The Coaches Polly, Tonga, Seru, Gary, Drew and Club stalwart Ritchie for their guidance and support.

The senior colts of 2014 Joel "Wheels" Norton, Alex "Chez" O'Shea, Hugh "Get a tan" Sterndale Smith, James "Boss" Marsters. I wish you the best in all your future endeavours. You have added to the legacy for the future colts to follow.

To the leadership group CO Captains "The" Mitch Dixon, Harrison "I don't miss legs day" Smith and Vice Captains Dominic Bullock, Sam Gliddon and Mitch Kenny. You have led by example and bought stability, power and class to your team, I expect you all to lead again in whatever your future holds. It was you and how you led your team mates that allowed the team to get shirts from a private sponsor, well done.

I have always considered it a privilege to have coached these young men of the Club Hunters Hill Rugby, (Though not being a technical coach) I tried creating an atmosphere that inspires and attracts the young men to pursue greatness on and off the field. I believe that it has worked as you can tell by the interactions between all the players from all the grades, and the young men of the Hoops are ready to take the next step forwards.  
But what I found most about the colts of 2014 was how they inspired me with their selflessness, courage and skills and I thank them all for an amazing journey.

### 3<sup>rd</sup> Grade Blunt Cup Report 2014

The 2014 season was looking positive after a disastrous previous season which saw the club being relegated to second division. Pre-season training started in December for a few weeks to rid the body of cobwebs before a brief break for the festive season and then into the post Xmas fitness sessions getting ready for the trial games. The trial games went well with the small numbers of players who turned up in the first two weeks got a run two or three times. The next two trials went well considering the trial against Forest was the day after the season launch and there were a lot of sore heads and a no show from the Club Captain (Connal Hanvey) and the trials against St pats set us up for a good start.

Round one was against the 'Old Soldiers' from Lindfield at Boronia, the thirds started well considering Richie had stolen a few players to bolster fourth grade (a story that continued all year!). We were down at half time through a lucky try by Lindfield in broken play but the thirds had the run of the game and were confident of a win. As the game went on the thirds continued to apply pressure through possession but were let down on occasions by laziness and silly penalties! Another lucky try against the run of play put Lindfield in front at the final whistle.

Soon after the first game I was jet setting off on my honeymoon, the flights my wife picked meant I missed the next seven games instead of five. Looking at the results posted on Facebook it was probably good that I wasn't there as the club would have learnt a few new words and I would be slightly balder. The results for the away weeks five losses and two wins. With the exception of the Blue mountains game all of the losses were fairly close.

On my return the season was in full swing and although training numbers were still down and this reflected on the paddock in all grades. But there were a few new faces at the club and a few old ones who had finally decided to come down after their hibernation. The next few weeks had mixed results and what looked like a certain win against Forest ended up in a one point loss thanks to another lazy penalty. The game against Lindfield started slow which put them two tries up in 10 minutes and the only other tries were against the run of play. The lads played well considering the final score line. With a week off the next weekend it was time for the guys to relax and get back to business after the short break.

Round 11 was the turnaround point for the club in 2014, and with the exception of fourth grade the club stamped their authority against 'those ..... wax heads' from Newport. The thirds lead the club charge against Newport with a staunching 27- zip pantsing of their mungo laden third grade side. Another major event happened in round 11! The details of the event are in the following match report:

#### **Match Report Round 11 v Newport**

After a frustrating loss to Lindfield two weeks ago, the thirsty thirds made a triumphant return to the winners circle with a 27-0 drubbing of the wax heads from Newport. The team had trained well together during the week and this enabled positional partnerships to develop, and overall team cohesion is starting to form.

From the kick off it was obvious that the lads were ready to apply the screws, and had Newport on the back foot straight away. The wind and a great tactical kicking game from Jake Henwood kept the play down in Newport's half and good defence kept the pressure on. A couple of line breaks from both centres (Mike and Ben) fell just short of the try line, it was only a matter of time until the score board would start ticking over. Ben Harrison started the scoring spree with a great try followed by Mike, Toby and Dave bagging a meat pie each. Going into half time with a 24-0 lead things were looking good for a cricket score.

Newport came out with a little more "fire" in the second half, and by "fire" I mean rubbish niggles, slowing the play down, lying over the ball and general play you would expect from a French team!! As our play bogged down it was noticeable that our weak link\* was in the second row, so I looked around for my "Impact" player Rory S-D, only to find he went missing? (Rumour has it that there were 1/2 price jam donuts at the Hunters Hill bakery?? But that's just a rumour)

I let things go for a while longer to see if things would improve but we were floundering. I had to get the weak link\* off? I looked down and saw Nathan "The Judge" James standing in front of me, with a look of determination never seen before, and then it clicked, get "The Judge" on! But he can't play second row and I need to get the weak link\* off now?? I thought to myself "you're going to have to take a hit for the team CCCC" and gave "The Judge" the message, McRae off, Collins to the row and judge you're on the side. A few seconds later out came the shepherd's hook and Matty "weak link"

McRea with a bemused look on his face and hand brake still on from half time, waddled to the side line, plonked himself onto the physio table and put an ice pack on his neck. The change worked immediately and the tide began to turn again. Still wondering why he was hooked, Matt "weak link" McRae was being ribbed by all and sundry rubbing salt into the wound. "The Judge" soon stepped up again and moved into hooker as Jules had lost his contacts at the break down. As the last few moments of the game were ticking away "The Judge" made a Ritchie McCaw-esque turnover attempt to which Newport were penalised for not releasing. With a successful penalty kick the final whistle blew and it was all over. All in all it was a great win by the thirsty thirds and a start of the run to the finals. Man of the match points went to Jake, Toby and Ben.

\* By no means was Matt McRae a weak link, he had a great game and was solid throughout. The momentum rolled on to the next week against the third grade table topping Blue mountains in a grand finalesque match where the game was decided by another against the run of play try in the first half. The final 10 minutes was intense and a coach killer, with a number of missed opportunities the end score was against us but the improvement in the team was immense. When the opposition gives you praise saying "it was the hardest game they had played all year!" The thirds were still in the zone ready for the next few weeks.

The positive winning attitude continued over the next four weeks with wins against Oatley, Brothers, Uni and St Ives. The thirds were definitely on a roll and the club as a whole was pushing for finals contention in all grades. There was a wet weather week coming up and due to the good performances for the past few weeks thirds had a week off training (not that many would have shown up as it was cold and rainy that week).

Round 17 saw Hunters Hill up against Barker Old Boys, this was by far the best win of the season with a 78-0 drubbing of the 'Old Boys. Although I was away for work, I received plenty of text messages telling me the score and how they played (only from two of the players).

The wet weather continued throughout the week and numbers at training were down which didn't help preparation for the final must win game of the season against Forest. Arriving at their home ground there wasn't a blade of grass to be seen in the quagmire that was Melwood Oval (nothing like the lush green grass of Boronia), and this set the scene for the last game! Some players got lost on the way others had car troubles and in the warm ups the vibe just wasn't there. Struggling to get 15 players on the field the game started poorly for the thirds with two quick tries being scored against them. The thirds were down by four tries at half time and things weren't going well. I have to say one of the funniest things happened when

Grovesy decided to abuse the guys on the sideline and march up ready to 'have a go' after his dummy was found all seemed to get a bit better, we scored three consolation tries to finish out the game but the loss meant that the thirds missed out on the finals. The after match chat was still fairly positive considering what had happened and the lads were happy with the season as a whole. The turnaround at round 11 really brought the squad together and the thirds had a great core of players ready for the 2015 season.

Before I finish I would like to thank all of the players who played third grade in 2014. Many of whom had to back up from fourth grade to colts to second grade week to week. Special thanks goes out to the core of guys who would be at training week in, week out. Thanks to the leadership group (Matty McRae, Chris Collins, Mat Shelton, Jake "Porky" Henwood and Taukiri Woods) for their efforts on and off the field. Thanks also to Viraj, Mike, Ben, Tim, Danny, Jarrod, Chris, Rory, Col, James, Jim, Marty, Oz, Viren, Simon, Jules, Dave, Judge and last but not least Jane.

## 4<sup>th</sup> Grade Richardson Cup Report 2014

The 2014 season started off poorly for 4<sup>th</sup> grade with the guys blowing a 15 nil half time lead, in the first game of the season against Lindfield, to lose 24-15. You don't lose 4<sup>th</sup> grade when you are leading by 15.....the coach apparently did ask them if they felt ashamed, and they should have. Away at Newport we got our first points with a 3 all draw. It was a good game we should have won but happy to take some points from a trip to Newport. Then round three, a close loss to Blue Mountains at Boronia Stadium. We were now sitting low on the ladder and needed to get our season kick started. With the third grade coach getting married and away on honeymoon for 10 weeks, 3rds and 4ths trained as one on oval two with good results. We won 5 of our last six games of the first round to end up in 4<sup>th</sup> spot after 9 rounds.

By the way, who gets married during rugby season anyway? We know who is in charge at that household.

Another draw against Lindfield to start the second round, but we came home strong with 7 wins from the last 8 rounds to hit second spot after round 18.

The first semi we lost to Newport but should have won by two tries and lost the knock out semi to UNSW, who ended up winning the grand final. A very satisfying year for the coaches and the players but could have got the title with a little luck.

Our biggest loss was by 9 points, so our defence was solid. (Tell the Colts that defence wins games!!) Our win with a penalty kick on the siren, up at Blue Mountains, was the start of our winning streak in the second round. Thanks to Pat Mathews the kicker that day.

We were the only team to beat Barker Old Boys twice, whose other defeats were by forfeit only. The most satisfying win of the year was the round 16 game against a stacked Barker team, who needed to win to get points for semi finals.

We destroyed their scrum and completely outplayed a team of obvious arrogance who had showed up with the attitude that they were a higher standard and that "it's only fourth grade".

Barker that day had only 12 players for their third grade side as the rest of the 4<sup>th</sup> grade team left after the loss. Not a good representation for their club at all.

Our playing group was large at times and I would like to especially thank the players who would turn up to training and the game week in, week out and know they may only get limited game time. It was that attitude and the close knit side that got us to second place and ensured we all had a great year. Many thanks to Max Marraffa, the assistant coach, who was invaluable at times, and to our manager Sunjay Jain who took care of the paperwork and jerseys.

All players contributed through the year but I would like to mention, Gill Mason, our Frenchman who was a great asset while in oz. Ben Smith led the team well and Andy Johnson never gets old.

Also, a mention to Jim Bone and Ben Dunstan, who are the oldest Golden Oldies of the team, and showed the true meaning of the clubs motto, "facta non verba".

Also, thanks to all Alistair, coach of colts and also Drew, coach of thirds, for all their help with team selections throughout the year.

Cheers, Richie

## TONY BRUNSDON CHALLENGE CUP

### HUNTERS HILL V PETERSHAM

The inaugural Tony Brunson Challenge Cup was held in 2008 in honour of the late great Anthony Charles Brunson (30/6/1945 – 22/3/2008). The Cup is contested by Hunters Hill 1<sup>st</sup> XV verses Petersham 1<sup>st</sup> XV teams on a nominated round by the holder in each year the clubs are in the same division. If a club moves from the division then a match can be scheduled during the year consisting of at least 30 minutes each way in duration between select 1<sup>st</sup> XV's.

Hunters Hill Rugby Union Football Club will hold the trophy in perpetuity. It's hoped this Cup is played for in the true spirit of rugby and the tradition is upheld for many years to come.

Unfortunately circumstances with grounds and availability the 2014 edition of this match was not played.

### Hunters Hill Golden Oldies "CATS" 2014

Well CATS it is now time to find a warm place on the back lawn, scratch a few fleas and ponder back on the year just gone. A year when it was proven that even an Imbecile can actually help a fellow CAT in need.

The season commenced with the usual St Gertrude of Neville's Day, this year held at the luxuriously appointed Sporties Club Billiard and Sauna room. Far flung West Australian Cat, Andy Mostyn, in town to stitch up a lucrative calamari contract with the Koreans dropped by as did many other CATs including Angry who discharged himself from hospital just to join in the festivities. Following the usual recital of the Ode with TC dressed in his Sylvester Onesy, lunch was served, followed by a few beers and a pool comp to round off the day.

Charcoals was the next CAT event and a good mix of CATS and Kittens were on hand to provide two 17 all drubbings to the Upper Kumbuckta West Sheep Shaggers and Eastwood Charcoals. Ritchie managed to

combine the old and the new into a well-oiled machine that for the first time did not need a medicab to get all the players off the ground.

Still on the field, the CATS played a Golden Oldies game against the Waxheads at Newport. Under lights and under pressure, the CATS turned a three try deficit in the first half into a second half lead thanks to the Newport No.10 who threw 4 intercepted passes. Stand in captain for the day Tony Warren accepted the T shirt and cheap bottle of plonk before heading back to The Bayview for a few more.

Back to Boronia Day and the yearly CATS versus DADS game saw the CATS marking their territory on Boronia No.3. Due to a double booking of key players, the match was reduced to a game of sevens on a reduced sized field with some of the Colts helping out. The reduced numbers had no effect on the amount of port consumed with PeteCAT having to crack another Flagon.

There is still an ICAC inquiry pending on the results of the 100 club raffle and the fact that TC and Russel were seen at the Air New Zealand departure lounge on the day of the flight. I am sure Commissioner Obeid will sort that one out.

A great roll up of CATS from near and far were seen at CAT corner and tall stories about bygone matches were embellished both there and later at the HHH's where the CATS beat the Seniors in the traditional boat race.

On the shirt-tails of The Block and Renovation Rescue, The CATS launched their own version called Project Bairdy. This saw CATS from all parts descend on the Balmain mansion. Imbeciles like Millard, armed with a chainsaw and SHREK moaning and whining the whole time had the place ship shape and done up in time for Bairdy to head off to SE Asia to look for a bride.

A record number of CATS were on hand for the CATs AGM at Sporties. The meeting saw plenty of controversy as a new fee structure was proposed for 2015. A planned two tiered CAtEGory, with upper class CATS wanting to vote, play rugby, be entitled to a free beer at every home game, the Purring Pussy and receive a CATPACK including PeteCats new range of CAT Apparel will pay \$100 while the lower tier will get none of the above apart from being a CAT, being able to vote and get sent a copy of all editions of the Purring Pussy for \$50.

For the first time CATSPACE became a reality with the CATROSPECTIVE now being available on-line in high definition CATASCOPE. At last check it had received almost as many hits as Gangnam Style. The end of season tour to Blackheath rounded off the CAT year. In an unprecedented move, Tony Warren actually turned up and paid his tour fees and his CATS membership. Other tourists included Bone who following his win of the golf and the prestigious pink jacket without even swinging a club, went on to injure himself by getting red wine in the eye and spending most of the night rinsing it out in the gents. New tourists, Fridgy, AJ and Rennie were amazed by the fact that the CATS were still awake and drinking Tia Maria at 11pm. Due to some CATS being lactose intolerant, the milk was dropped and the Tia served on the rocks.

We look forward to a bigger and brighter 2015 for the CATS.

# HHRUFC - THE ARCHIVE COMMITTEE (TAC)

At the start of this year TAC members put together a 'To Do List', which included continuing the cataloguing of photos, reviewing yearly folders, video recording interviews, planning for the Back to Boronia Day TAC display and updating the history of the Club. We achieved most of the tasks we had set ourselves. Bruce Lycett's illness, other members travels and personal duties meant that we were down in numbers throughout the year. Bruce's passing halted TAC for the time being, however we made a promise to him that TAC would continue, and it will.

On the 10<sup>th</sup> May we celebrated Hunters Hill Rugby Union Football Club's 122nd year with a Back to Boronia Day. TAC displayed photos and memorabilia from the past, where the theme was '4'. We highlighted the premierships of 1954 – Burke Cup (Undefeated), and Club Championship teams of 1994, including the premiership winning Blunt Cup.

A TAC display was set up for the Juniors Back to Boronia night on the 15th August. The display was to emphasise the history of the Club with photos dating back 1904, as well as featuring Juniors premierships and representative players from Hunters Hill. We highlighted the careers of several club legends, Bruce 'Angry' Lycett, Brian Robertson, Allan Southcombe and Gary Lane, who have been involved with the Club for the past 50 years – from Juniors back in 1964 to the present. TAC was also asked to put up a display at the Presentation Day, but due to a lack of TAC members being available, this did not eventuate. From a TAC exposure point of view we think that the Presentation Day is a better forum to show off the history of the Club.

During the year we video recorded interviews with past players Steve Mazengarb and John Glennon. Brian Robertson has continued to update the Club's history using TAC resources such as old correspondence and minute books of Club meetings. The use of these resources in recording the history of the Club highlights the need for the current Club administrators in Hunters Hill Rugby to provide TAC with minutes of meetings.

From the proceeds of a raffle at the Seniors B2B Day, and with funds carried forward from the previous year, TAC was able to pay for the lease of TACHQ without asking the Juniors and Seniors for funding. We hope to continue this in future years. TAC funds are now held in the CATS bank account.
